THE Nirmalite

2024-25

A visionary whose
legacy continues
to illuminate our
path of education
and integrity

Late Shri Thakorbhai N. Desai

FOUNDER, NIRMALA MEMORIAL FOUNDATION

A luminary of illustrious distinction,
A philanthrope, an educationist, a leader,
Dadaji, you touched lives, enlightened minds
And continue to inspire us
To dream, to share, to achieve
Your presence is etched in our hearts
As your legacy shines on.

*Inscribed in our hearts,
he lives forever.*

To engage, inspire and empower young minds through excellent education opportunities which are responsive to the needs of the society.

- To engage learners through holistic education which inspires critical thinking, innovation and research.
- To develop leadership skills of learners by fostering their confidence, motivation and facilitating emotional, interpersonal and social skills.
- To collaborate with industries for equipping learners with industry relevant knowledge, skills and attitude.
- To sensitize learners towards social inclusion, human rights, gender and environmental issues.

We, at Nirmala Memorial Foundation College of Commerce and Science are committed for disseminating Quality Education to the students of our college and cater to the changing and challenging needs of society and industry.

THIS SHALL BE ACHIEVED THROUGH

- Embracing contemporary educational trends in the field of Commerce, Science and Mass Media
- Creating proactive learning culture among staff and students
- Professional development of students by imbibing strong ethical values
- Continual improvement in Operational Processes with the help of ISO 9001:2015 Standard

Dear Nirmalites,

It fills my heart with immense happiness and boundless pride to reflect on the journey we charted in the year gone by. As always, we have taken decisive initiatives that will bring momentous turning points and new accomplishments for our Institution. The theme of this year's College Magazine, "Create, Collaborate, Conquer" resonates with just that, and our commitment to the pursuit of excellence in education.

I take this opportunity to extend my heartfelt congratulations to the Magazine team bringing out this wonderful college publication, and also to the entire Nirmala family—our dedicated staff, enthusiastic students, and valued stakeholders. I deeply appreciate your dedication, enthusiasm and the courage to dream, push boundaries, and strive for academic excellence.

The impeccable balance that our institution maintains between the academics and co-curricular activities is truly praiseworthy. This equilibrium is not attained in a vacuum. It is the result of steadfast efforts, collaborative spirit and the will to excel. Together, you have nurtured an environment where learning and holistic development are defined as a way of life. It is this shared vision that continues to elevate our institution to greater heights.

You are truly upholding the values that inspire us and our students to Create, Collaborate and Conquer. It stands as a testimony to our unwavering commitment to quality education that empowers learners to realise their potential. Your collective efforts nurture values, foster innovation, and empower our students to contribute meaningfully to society.

Once again, I commend the efforts that have gone into bringing out this magazine, which celebrates creativity, intellect, and expression. I am confident that it will inspire the readers to aim higher, reflect deeper and seek excellence in all spheres of life.

May you all continue to grow, prosper and succeed.

MR. DENIIS DESAI

Chairman, Nirmala Memorial Foundation

DIRECTOR'S DESK
CHARTING NEW
PATHWAYS TO WISDOM

It is a pleasure beyond compare to unveil this year's edition of college magazine, reflecting a truly vibrant and upbeat theme- "Create, Collaborate, Conquer". This theme echoes uniqueness, harmony and values that embody our commitment to education and enrich our students to attain excellence.

To create is to shape new ideas with originality and resolve. Our students consistently showcase exemplary creativity in academics, arts, and technical innovations. To collaborate is to synergise, respect diversity, and uphold the values of the community that we belong to. And to conquer is to rise above boundaries, overcome challenges and turn struggles into growth and success.

Let us continue to uphold these virtues as we step in a new era of spreading the light of education. This magazine beautifully captures the expressions, creativity, and achievements of Nirmala Parivaar. It stands as an embodiment of the enthusiasm and spirit that inspire us to excel. It encompasses perseverance, courage and a single-minded pursuit of excellence with enthusiasm.

I extend my heartfelt congratulations to the editorial team and all the contributors whose committed efforts have infused inspiration in this publication. I wish each one of my dear Nirmaliites continued success, growth, and boundless attainments in our journey ahead.

MS. ARUNA DESAI

Director, Nirmala Memorial Foundation

Dear Nirmaliites,

It is with immense pride and happiness that I reach out to you through our college magazine, presented beautifully with the inspiring theme- *“Create, Collaborate, Conquer* this year. This theme embodies the core principles of our institution and encourages our students to realise their potential.

In today's rapidly changing ecosystem, the emphasis on the capacity to *create* is colossal. We mentor our students to nurture originality, transcend constraints, and carve their own

niche across disciplines. Creativity sparks innovation and helps individuals thrive in a competitive environment. Creativity fosters resourcefulness and equips individuals to make a mark in the competitive landscape.

To *collaborate* means to rise above mediocrity, exhibit your confidence and uphold the merits of teamwork. You broaden your horizons when you have the magnanimity to share your knowledge and learn from others. It is the key that will empower our students to make meaningful connections and surpass expectations.

INSPIRATION FROM THE SECRETARY'S CORNER **AWAKENING PASSION, ENRICHING INTELLECT**

To *conquer* is to be resilient, face challenges and accomplish goals. Our students are equipping themselves to prove their mettle in the highly competitive environment today. They are focused, perceptive and grooming themselves to achieve success that they truly deserve.

As always, our college magazine is a reflection of the benchmarks that we set, and of the skills, foresight and enthusiasm with which the editorial team has crafted this platform.

I take this opportunity to express my appreciation for all that my dear Nirmaliites do, with so much love, sincerity and dedication. May this magazine motivate the readers create with zeal, collaborate with enthusiasm and conquer new horizon

MS. DHARA DESAI

Secretary, Nirmala Memorial Foundation

PURSUIT OF EXCELLENCE

ACADEMIC DIRECTOR'S CONTEMPLATIONS

"CREATE. COLLABORATE. CONQUER"

These are the very ideals that our Institution, under the extraordinary leadership and vision of Madam Aruna Ben Desai, is celebrated for upholding, and for empowering our students to attain excellence. As always, I am delighted to reach out to you through this year's edition and share my thoughts over significant factors shaping trends and life at NMFC.

At the outset, I would like to express my appreciation for the noteworthy contributions that make towards education, our students and the college. Your hard work, skills and dedication fuel our success, and our ability to empower our students to become future-ready in today's interconnected environments.

You have fostered a truly inspiring intellectual temper, innovativeness and confidence among our students.

This theme of this year's edition reflects the essence of learning that marks today's dynamic environment. It inspires one to create with enthusiasm, collaborate with fervour and conquer with purpose. A youngster who is equipped to Create, Collaborate and Conquer is sure to excel and touch heights of success.

I extend my best wishes to all members of the Nirmala Parivaar, members of the editorial team and readers.

MS. SYLVIA FERNANDES

Academic Director,
Nirmala Memorial Foundation

FROM THE PRINCIPAL'S DESK

THEME: CREATE COLLABORATE CONQUER

Some themes are not merely written; they unfold through action. This year, Create - Collaborate - Conquer became the very rhythm of our institution.

To create is to envision boldly and bring ideas to life. Our flagship intercollegiate fest, Nirvaan, stood as a shining example; welcoming participation from 65 colleges and transforming our campus into a vibrant confluence of talent, creativity, and exchange. Alongside, Technotsav and Jazba continued to nurture innovation and expression, reminding us that creation begins where curiosity meets courage. The research conference and research competitions gave a platform to aspiring researchers to present their ideas to eminent people from the field of research.

To collaborate is to grow with intention. Through 218 impactful NSS activities, our students extended learning into the community, embodying the true spirit of service. This culture of collaboration was strengthened further through certificate courses, industry tie-ups for placements, and institutional partnerships that enabled both faculty and student exchange programs—expanding horizons beyond the boundaries of our campus.

To conquer is to move forward with vision and determination. This year marked a significant milestone as the college applied for autonomy—a step that reflects our commitment to academic excellence, innovation, and the confidence to shape our own path.

What defines us is not just what we achieve, but how we evolve.

CREATE — WITH IMAGINATION THAT INSPIRES.
COLLABORATE — WITH PARTNERSHIPS THAT EMPOWER.
CONQUER — WITH A VISION THAT TRANSFORMS.

As you journey through these pages, may you discover not just events, but a story of a college that continues to rise; purposefully, progressively, and together.

Warm regards,

DR. SWIDDLE D'CUNHA
I/C Principal,
Nirmala Memorial Foundation
College of Commerce and Science

FROM THE VICE PRINCIPAL'S DESK

THEME: CREATE, COLLABORATE, AND CONQUER

In an era defined by rapid transformation and boundless opportunities, the true strength of any academic institution lies not only in the knowledge it imparts but in the spirit it nurtures. The theme "Create, Collaborate, and Conquer" beautifully encapsulates the journey we envision for our students and educators alike—a journey of innovation, unity, and achievement.

Aligned with the vision of the National Education Policy (NEP) 2020, our institution is committed to fostering holistic, flexible, and multidisciplinary learning. NEP 2020 emphasizes creativity, critical thinking, experiential learning, and skill development—principles that resonate deeply with our academic philosophy. By adopting this progressive framework, we are empowering students to explore diverse domains, nurture their talents, and become future-ready individuals.

To create is to imagine beyond boundaries. It is the ability to think independently, challenge conventions, and bring forth ideas that add value to society. At our institution, we strive to cultivate an environment where creativity is not confined to classrooms

but flows freely through research, projects, cultural expressions, and entrepreneurial pursuits. Every student is encouraged to become a creator—of ideas, solutions, and meaningful change.

However, creation alone is not enough in today's interconnected world. The power of collaboration transforms individual brilliance into collective excellence. When minds from diverse backgrounds come together, they bring unique perspectives that enrich learning and problem-solving. Whether it is through group projects, interdisciplinary initiatives, or community engagement, collaboration teaches respect, adaptability, and the art of working towards a shared goal. It is in this synergy that true growth occurs.

The culmination of creation and collaboration is the ability to conquer—not merely in terms of competition, but in overcoming challenges, achieving personal milestones, and contributing positively to society. Conquering signifies resilience, determination, and the courage to face uncertainties with confidence. The learner-centric approach advocated by NEP 2020 further strengthens this spirit by equipping students with competencies that extend beyond textbooks and classrooms.

As we move forward, let us remember that success is not an individual accomplishment but a collective journey. Each idea created, each partnership formed, and each challenge overcome brings us closer to excellence. Let us continue to inspire one another, support one another, and strive together towards greater heights.

"Alone we can do so little; together we can do so much." – Helen Keller

Let this thought guide us as we embrace the spirit of creating with passion, collaborating with purpose, and conquering with perseverance.

SIGNIFICANT ACHIEVEMENTS OF IQAC

The Internal Quality Assurance Cell (IQAC) of Nirmala Memorial Foundation College of Commerce and Science played a pivotal role in strengthening institutional quality and academic excellence during the academic year 2024–25. Through a wide spectrum of initiatives, IQAC acted as a driving force in enhancing teaching-learning processes, promoting research culture, and ensuring holistic development of both faculty and students.

A major contribution of IQAC during the year was in the area of faculty and staff development. Several workshops and seminars were organized to upgrade pedagogical skills and professional competencies of teaching and non-teaching staff. Sessions on MOOCs, Bloom's Taxonomy, and financial literacy empowered faculty members with modern teaching tools and enhanced their instructional effectiveness. Additionally, initiatives such as medical emergency training and awareness programs on organ donation reflected the institution's commitment to the overall well-being and social awareness of its staff.

IQAC also played a crucial role in fostering a strong research culture within the college. The Research Cell, in collaboration with reputed institutions, organized national-level workshops, conferences, and seminars on research methodologies, ethical use of AI tools, and intellectual property rights. These initiatives encouraged both faculty and students to engage in meaningful research activities. Active participation in platforms like Aavishkar and organization of student research paper presentations further strengthened the research ecosystem of the institution.

Student-centric initiatives formed another cornerstone of IQAC's contributions. Programs such as marketing fairs, personality development camps, and opportunities for publishing internship-based projects as ISBN books significantly enhanced students' practical knowledge, entrepreneurial skills, and academic confidence. Experiential learning through industrial visits further bridged the gap between theoretical learning and real-world application.

In terms of institutional development, IQAC facilitated multiple collaborations with academic and industry partners, creating opportunities for knowledge exchange and skill enhancement. These tie-ups enriched the learning experience and opened avenues for internships, training, and career development.

Quality assurance remained a key focus area, with IQAC ensuring regular audits and adherence to standards through ISO certification processes, library and administrative audits, and energy audits. These measures ensured transparency, accountability, and continuous improvement in institutional practices.

One of the most significant milestones achieved during the year was the adoption of the National Education Policy (NEP) 2020 in curriculum delivery and teaching-learning processes. This achievement reflects the institution's commitment to innovation, flexibility, and academic excellence.

Overall, IQAC has played a transformative role in guiding the institution towards quality enhancement, innovation, and sustained growth.

Mumbai, Maharashtra, India

INDUSTRIAL VISIT IN THE ACADEMIC YEAR 2024-25

Navneet Educational Visit B.M.S. (19 July 2024)

An educational visit to Navneet was organized for Second Year students to provide exposure to the functioning of a well-established organization.

During the visit, students were introduced to various processes involved in publishing, production, marketing, and distribution. The visit helped students understand how businesses operate in a structured and systematic manner.

Such industrial exposure enables students to connect theoretical concepts learned in classrooms with real-world business practices.

Educational Tour to Pillai Institute of Management Studies and Research B.M.S (20 July 2024)

Second Year and Third Year students visited Pillai Institute of Management Studies and Research as part of an educational tour.

During the visit, students were introduced to postgraduate management programmes and career opportunities in the field of management studies. Interaction with faculty members provided valuable insights into advanced academic learning and professional development.

Industrial Visit to Navneet Education B.A.F (20 July 2024)

An educational visit was organized for students to Navneet Education Ltd., Virar, a leading manufacturer of educational and stationery products.

The visit provided students with practical exposure to various aspects of business operations including:

- Manufacturing processes
- Quality control mechanisms
- Research and development activities
- Marketing and distribution strategies

Students also had the opportunity to interact with professionals and understand how theoretical knowledge in accounting and finance is applied in real business environments.

Educational Tour to ICFAI Business School – IBS, Powai B.M.S (14 August 2024)

An educational tour to ICFAI Business School (IBS), Powai was organized for Third Year students.

During the visit, students attended informative sessions conducted by faculty members and gained insights into various management programmes and career opportunities. The visit also provided exposure to the academic environment and infrastructure of a leading business school.

The tour motivated students to explore higher education opportunities in management and business studies.

Visit to St. Pauls Institute B.A. (MMC) (21st August 2024)

On 21st August 2024, a visit to St. Pauls Institute (located in Bandra) was organised for First Year B.A.(MMC) students. The tour commenced with a walk through the institute's state-of-the-art facilities. Students visited modern classrooms equipped with the latest audiovisual technologies, editing suites with high-end software, a photography studio with professional lighting setups, and a fully equipped sound recording studio. A total of 43 students went on this industrial tour.

Industrial Visit to Mahananda B.COM (22 August 2024):

An industrial visit to Mahananda Dairy was organized for 25 participants to provide practical exposure to industrial operations. Students gained insights into production processes, quality control, and management practices followed in the dairy industry.

Educational Tour to Nehru Planetarium, Worli B.M.S (31 August 2024)

First Year students visited the Nehru Planetarium in Worli as part of an educational tour aimed at broadening their knowledge and encouraging scientific curiosity.

The visit included an engaging presentation on astronomy and space science, followed by exploration of exhibits. Such educational experiences help students develop a broader perspective and appreciation for knowledge beyond their core discipline.

Educational Trip for T.Y.B.Sc-IT Students: Open Source GIS Day & National Geospatial Awards 2024

No of Beneficiaries	: 33 Students
Date	: September 15, 2024
Time	: 8:30 AM – 5:00 PM
Venue	: Indian Institute of Technology (IIT), Powai

INTRODUCTION

On September 15, 2024, a group of 39 students and faculty member Dr. Aparna P attended the "Open Source GIS Day & National Geospatial Awards 2024 (Edition 01)" held at the prestigious Indian Institute of Technology (IIT), Powai. The event was a significant gathering for professionals, academics, and enthusiasts in the field of Geographic Information Systems (GIS) and geospatial technology.

OUTCOMES: LEARNING THROUGH EXPERIENCE

- **To Enhance Knowledge:** To gain insights into the latest developments and trends in open-source GIS technologies.
- **Networking Opportunities:** To connect with industry professionals, researchers, and peers.
- **Recognition of Excellence:** To witness the awarding of the National Geospatial Awards celebrating innovation and excellence in the geospatial domain.

OBSERVATIONS AND LEARNINGS

- Innovation and Collaboration
- Emerging Trends
- Practical Applications
- Networking and Professional Development

The "Open Source GIS Day & National Geospatial Awards 2024" was a highly informative and engaging event. It provided a platform for learning about cutting-edge technologies and recognizing excellence in the geospatial domain. The insights gained and connections made during the event will be valuable for our Third Year IT learners.

Visit to Whistling Woods International B.A. (MMC) (19th September, 2024)

On Thursday, 19th September, 2024, a visit to Whistling Woods International was organized for Second Year and Third Year students to provide them with exposure to professional media and film production practices. A total of 36 students participated in and benefited from the visit.

Educational Visit to Nehru Planetarium B.A.F (September 2024)

An educational visit to the Nehru Planetarium was organized under the theme of the Indian Knowledge System (IKS).

Students attended the show titled "Biography of the Universe", which provided insights into celestial bodies such as planets, stars, galaxies and nebulae.

The visit offered an enriching learning experience by combining scientific knowledge with interactive visual presentations and helped broaden students' perspectives beyond classroom learning.

Dr. Aparna Panigrahy, the in-charge professor, all 7 students from our college participated and successfully cleared all five stages of the event within the given time frame.

The participation in **CosmoClenze** at IIT Techfest 2024 has been a significant achievement for the students of Nirmala Memorial Foundation College of Commerce and Science. By clearing all stages within the specified time, the team has proven their competence and ability to perform under pressure. Their success not only adds to the prestige of the college but also enhances their exposure to technical challenges, contributing to their overall academic and professional growth.

We are proud of their achievement and look forward to more such participations in future events.

Event: CosmoClenze
Event Date: Tuesday, 17th December 2024
Total Participants: 07
Organized By: IIT Techfest 2024

The IIT Techfest 2024 was held from 17th to 19th December 2024, with a series of innovative and competitive events designed to challenge the participants' skills in various domains of science, technology, and engineering. Among the events conducted, one of the prominent ones was CosmoClenze, which aimed at testing participants' abilities in problem-solving, teamwork, and their overall technical knowledge. This event consisted of five distinct stages, each designed to test the participants in different technical and problem-solving areas, under time constraints. Under the guidance of

Visit to Mumbai Educational Trust (MET) B.A. (MMC) (20th January, 2025)

On Monday, 20th January, 2025, a visit to Mumbai Educational Trust (MET) was organized for First Year, Second Year, and Third Year students to provide them with academic and industry exposure. A total of 54 students participated in and benefited from the visit.

Visit to Bollywood Park Film City B.A. (MMC) (1st February, 2025)

On Saturday, 1st February, 2025, a visit to Bollywood Park Film City was organized for First Year, Second Year, and Third Year students to give them exposure to film production and media industry practices. A total of 70 students participated in and benefited from the visit.

Educational Tour to Garware Institute of Career Education and Development (GICED) B.M.S (1st February, 2025)

The Department of Bachelor in Management Studies organized an Educational Tour to the Garware Institute of Career Education and Development (GICED), University of Mumbai, on 1st February 2025.

The visit aimed to provide students with insights into higher education opportunities and future career prospects in the field of management. During the visit, students attended informative sessions on various academic programmes and career pathways.

An engaging session on Paint Technology was one of the highlights of the visit. The faculty members explained various concepts in an interactive manner, making the session informative and engaging for the students.

The tour proved to be an enriching learning experience that broadened students' understanding of advanced academic opportunities.

Summer Camp for MCGM Schools

The summer camp aimed to enhance the foundational skills of students in **Language** and **Arithmetic**, with a special focus on children from underprivileged backgrounds. The

program was designed to provide academic reinforcement in a fun, engaging, and supportive environment during the summer break.

Program Structure

Daily Schedule:

- **1st Hour:** Language Skills – Reading, writing, vocabulary games, storytelling, and basic grammar.
- **2nd Hour:** Arithmetic – Basic operations, problem-solving, number games, and mental math activities.

Learning Methodology:

- Activity-based learning
- Group discussions
- Interactive worksheets and games
- One-on-one mentoring as needed

Participation

A total of approximately **[Insert Number if Available]** students participated across the 15-day camp.

Participants were drawn from nearby **MCGM schools** and **low-income private schools**.

The students were divided into small groups for better attention and personalized learning.

Volunteers

Total Volunteers: 6

Roles and Responsibilities:

- Curriculum planning and session delivery
- Assisting students with individual learning needs
- Organizing daily activities and games
- Monitoring attendance and maintaining discipline
- Creating feedback reports on student progress

Outcomes

Improved engagement in basic reading, writing, and arithmetic among students.

Notable increase in confidence and participation.

Several students showed measurable improvement in their understanding of core concepts.

Feedback and Recommendations

Students expressed enjoyment in the learning activities and games.

Parents and Teachers appreciated the initiative and requested longer duration camps in the future.

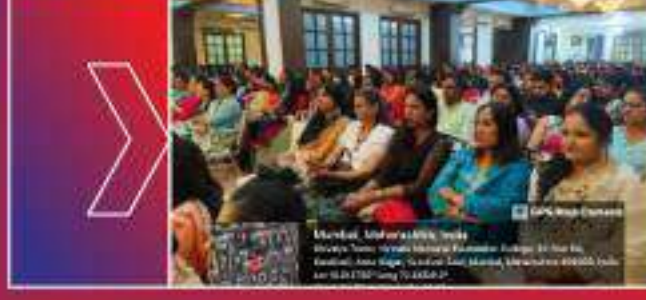

Volunteers suggested including more educational tools and materials for better outcomes. Recommendation for future camps includes adding digital learning elements and art-based sessions for holistic development.

PROGRAMME DETAILS

Venue	: Different Municipal Corporation Schools
Duration	: 12th April to 30th April 2025
Timings	: Daily 2 Hours (1 Hour Language + 1 Hour Arithmetic)
Target Group	: Students from MCGM Schools and Low-Income Private Schools
Number of Volunteers	: 6
Guiding Teacher	: Ms. Rucha Patil

RECREATIONAL AND WELL BEING ACTIVITIES FOR TEACHING AND NON TEACHING STAFF

CURRICULAR, CO-CURRICULAR AND EXTRA CURRICULAR ACTIVITIES REPORTS ORGANISED BY DEPARTMENTS AND COMMITTEES

BACHELOR OF COMMERCE (ACCOUNTING AND FINANCE)

"Know what you own, and know why you own it." – Peter Lynch

The Department of B.Com (Accounting & Finance) at Nirmala Memorial Foundation College of Commerce and Science organized several academic, professional and skill-oriented activities during the academic year 2024–2025. These initiatives were aimed at enhancing students' knowledge, practical exposure and professional competencies.

Through seminars, guest lectures, workshops, certification programs and educational visits, the department provided students with opportunities to connect theoretical learning with real-world applications. These activities played an important role in preparing students for future academic and professional pursuits in the fields of accounting, finance and business.

OBJECTIVES OF THE ACTIVITIES

- To bridge the gap between theoretical learning and practical industry exposure.
- To enhance professional and technical skills among students.
- To familiarize students with emerging trends in the accounting and finance sector.
- To get students acquainted with the world of accounting and finance and the future scope in these fields.
- To develop analytical, communication and professional competencies.
- To encourage students to actively participate in academic and co-curricular activities.

OVERVIEW OF ACTIVITIES CONDUCTED

S.N.	Activity	Date	Category
1.	Orientation Program for SY & TY BAF	24 June 2024	Curricular
2.	Guest Lecture - A Talk on Being Industry Ready	11 July 2024	Co-curricular
3.	Accountancy Bridge Course	9-13 July 2024	Curricular
4.	Orientation Program for FYBAF	18 July 2024	Curricular
5.	Industrial Visit - Navneet Education	20 July 2024	Co-curricular
6.	Seminar - The Auditing Culture	9 August 2024	Co-curricular
7.	Workshop - Social and Business Etiquette	10 August 2024	Co-curricular
8.	Seminar - Empowering Financial Futures	17 August 2024	Co-curricular
9.	Educational Visit - Nehru Planetarium	September 2024	Co-curricular
10.	Finologue - Financial Elocution Competition	28 September 2024	Extra-curricular
11.	IIT Spoken Tutorial Certification Examination	October 2024	Co-curricular
12.	Seminar - Mastering Money: A Guide to Financial Literacy	27 November 2024	Co-curricular
13.	Seminar - How to be Manage Money and be A Smart Investor	30th November, 2025	Co-curricular
14.	Learning Session - Know the Courtroom Proceedings	3 December 2024	Co-curricular

16.	Six-Day Personality Development Camp	20-25 January 2025	Extra-curricular
17.	Mock Stock: Hands-on Training Programme	9 January 2025	Co-curricular

CURRICULAR

– Orientation Program for SYBAF and TYBAF

An orientation programme was conducted for the students of Second Year and Third Year BAF. The objective of the programme was to refresh students regarding the rules and regulations of the college, highlight student achievements from the previous academic year and encourage active participation in departmental activities.

SY & TY BAF ORIENTATION

The programme also emphasized the importance of academic discipline, professional development and involvement in curricular and co-curricular initiatives conducted by the department.

– Accountancy Bridge Course

The Department organized an **Accountancy Bridge Course** for first year students at the beginning of the academic year.

The objective of the course was to introduce students to the **basic concepts of account-**

ACCOUNTANCY BRIDGE COURSE

ing and finance, thereby helping them understand the fundamentals required for the B.Com (Accounting & Finance) programme.

The course helped students strengthen their conceptual understanding and provided a strong academic foundation for further studies in accounting and finance.

FY ORIENTATION

– Orientation Program for First Year BAF

An orientation programme was conducted for First Year BAF students to familiarize them with the academic structure, rules and regulations, facilities and various activities conducted by the college.

The programme also introduced students to the **National Education Policy (NEP)** framework and highlighted the opportunities available for academic growth and skill development during their course of study.

FY ORIENTATION

CO-CURRICULAR

– Guest Lecture: "A Talk on Being Industry Ready"

A guest lecture titled "A Talk on Being Industry Ready" was organized for BMS and BAF students.

The session was conducted by **Mr. Pinanshu Champaneri**, an industry professional and alumnus with experience in Human Resource and Employee Engagement.

A TALK ON BEING INDUSTRY READY

The lecture focused on important aspects such as:

- Essential skills required by employers
- Resume and cover letter preparation
- Interview preparation and communication skills
- Adapting academic learning to industry requirements
- Understanding the evolving job market

The session was highly interactive and enabled students to gain valuable insights into career readiness and professional expectations.

A TALK ON BEING INDUSTRY READY

– Industrial Visit to Navneet Education

An educational visit was organized for students to **Navneet Education Ltd., Virar**, a leading manufacturer of educational and stationery products.

The visit provided students with practical exposure to various aspects of business operations including:

- Manufacturing processes
- Quality control mechanisms
- Research and development activities
- Marketing and distribution strategies

Students also had the opportunity to interact with professionals and understand how theoretical knowledge in accounting and finance is applied in real business environments.

INDUSTRIAL VISIT - NAVNEET EDUCATION

INDUSTRIAL VISIT - NAVNEET EDUCATION

- **Seminar: "The Auditing Culture – A Case Study Approach"**

A seminar titled **"The Auditing Culture – A Case Study Approach"** was organized for students of the department.

The session was conducted by **CMA Mr. Nilesh Arde**, a practicing Cost and Management Accountant and auditor.

The seminar focused on the importance of auditing in organizations and highlighted the role of ethical auditing practices in maintaining transparency and accountability in financial reporting.

The session provided students with valuable insights into auditing practices and helped them develop a deeper understanding of the subject.

SEMINAR – THE AUDITING CULTURE

- **Workshop on Social and Business Etiquette**

A workshop titled **"Unleash the Social and Business Etiquette Mindset"** was conducted by **Ms. Riddhi Mukesh Kunjwani**, a certified soft skills trainer.

The workshop emphasized the importance of professional etiquette, communication skills and social behaviour in the corporate environment.

One of the key highlights of the session was the **practical demonstration of dining etiquette**, which allowed students to learn appropriate behaviour in formal professional settings.

The interactive nature of the workshop made it an engaging and enriching learning experience.

WORKSHOP – SOCIAL AND BUSINESS ETIQUETTE

WORKSHOP – SOCIAL AND BUSINESS ETIQUETTE

- **Seminar: "Empowering Financial Futures – Dynamics of Investments"**

A seminar on **"Empowering Financial Futures: Investment Dynamics"** was organized to enhance students' understanding of financial markets and investment strategies.

The seminar covered important topics such as:

- Basics of stock market investing
- Mutual funds and investment planning
- Risk management in investments
- Long-term financial planning

DYNAMICS OF INVESTMENT

The session helped students gain awareness of financial decision-making and investment management, which are important aspects of the accounting and finance profession.

– **Educational Visit to Nehru Planetarium**

An educational visit to the **Nehru Planetarium** was organized under the theme of the **Indian Knowledge System (IKS)**.

Students attended the show titled **"Biography of the Universe"**, which provided insights into celestial bodies such as planets, stars, galaxies and nebulae.

The visit offered an enriching learning experience by combining scientific knowledge with interactive visual presentations and helped broaden students' perspectives beyond classroom learning.

VISIT TO NEHRU PLANETARIUM

– **IIT Spoken Tutorial and Train Earn Learn Certification Course**

The **IIT Spoken Tutorial Certification Course** on Front Accounting 2.4.7 and Train Earn Learn from The Institute of Chartered Accountants of India – WRIC was conducted to enhance FY and SY students' technical and practical knowledge.

Students completed video tutorials, assignments and an online examination as part of the certification process. Successful participants received certificates upon completion of the program.

The initiative helped students strengthen their understanding of accounting-related technical concepts and encouraged self-paced learning.

IIT SPOKEN TUTORIAL CERTIFICATION EXAMINATION

IIT SPOKEN TUTORIAL CERTIFICATION EXAMINATION

– **Mastering Money: A Guide to Financial Literacy**

The Department of B.Com (A&F) in association with Bombay Stock Exchange Brokers organized a training programme titled **"Mastering Money: A Guide to Financial Literacy"** on 27th November 2024 for students of B.Com (A&F) and BMS (Finance specialization).

SEMINAR – MASTERING MONEY
A GUIDE TO FINANCIAL LITERACY

**SEMINAR – MASTERING MONEY
A GUIDE TO FINANCIAL LITERACY**

The objective of the programme was to create awareness about financial literacy and introduce students to the regulatory framework of the stock market governed by SEBI. The session focused on responsible investing and emphasized the importance of making informed financial decisions rather than relying on speculative tips provided by unverified sources.

The programme helped students gain a clearer understanding of stock market functioning and the importance of financial discipline.

– **Seminar: How to be a Manage Money and be A Smart Investor**

The Department of B.Com (A&F), in association with the Consumer Guidance Society of India, organized a seminar on **“How to be a Manage Money and be A Smart Investor.”**

**SEMINAR – HOW TO MANAGE MONEY AND
BE A SMART INVESTOR**

The seminar focused on creating awareness about consumer rights and financial planning. Students were introduced to the importance of responsible consumption and smart investment practices.

The session provided valuable insights into managing personal finances and making informed financial decisions.

**SEMINAR – HOW TO MANAGE MONEY AND
BE A SMART INVESTOR**

– **Learning Session: Know the Courtroom Proceedings**

The Department organized a learning session titled **“Know the Courtroom Proceedings”** on 3rd December 2024 in the Moot Court Room. The session was conducted by Advocate Metanshu Purandare.

The seminar provided students with valuable insights into the functioning of the legal system through a simulated moot court experience. The speaker explained the structure of courtroom proceedings and the roles played by various legal professionals.

The session helped students understand legal procedures, develop analytical thinking and gain exposure to the practical aspects of legal processes.

LEARNING SESSION KNOW THE COURTROOM PROCEEDINGS

LEARNING SESSION KNOW THE COURTROOM PROCEEDINGS

– Outdoor Management Training Programme

The Department of B.Com (MS) and B.Com (A&F), in association with the Internal Quality Assurance Cell, organized a **one-day Outdoor Management Training Programme** on 19th December 2024 at Sanjay Gandhi National Park.

MOCK STOCK HANDS-ON TRAINING PROGRAMME

The programme was conducted by Mr. Nikhil Velari, a corporate trainer and an alumnus of the BMS department. The training involved several interactive activities and management games designed around the principles of management.

The experiential learning activities helped students develop leadership qualities, teamwork, effective communication and problem-solving skills. The programme also encouraged adaptability and collaboration among participants.

– Mock Stock: Hands-on Training Programme

The Department of B.Com (A&F), in collaboration with Loyola Academy, Hyderabad,

MOCK STOCK HANDS-ON TRAINING PROGRAMME

organized a **“Mock Stock: Hands-on Training Programme”** on 9th January 2025.

The programme simulated a real-time stock market environment where students could buy and sell stocks using virtual currency. Through this activity, students gained practical exposure to stock trading, investment strategies and market analysis.

The event created an engaging learning environment and helped students understand stock market operations in a practical manner.

EXTRA-CURRICULAR

– Finologue: Unveiling Financial Perspectives

The Department organized **Finologue: Unveiling Financial Perspectives**, an intercollegiate financial elocution competition.

FINOLOGUE – FINANCIAL ELOCUTION COMPETITION

The event provided students with a platform to express their views on contemporary financial topics while enhancing their public speaking and analytical abilities.

FINOLOGUE – FINANCIAL ELOCUTION COMPETITION

Participants from several colleges presented insightful perspectives on financial concepts, demonstrating strong knowledge and presentation skills.

The event concluded successfully with the declaration of winners and appreciation from judges for the high quality of discussions.

SIX-DAY PERSONALITY DEVELOPMENT CAMP

- **Six-Day Personality Development Camp**
The Internal Quality Assurance Cell in collaboration with the Department organized a **Six-Day Personality Development Camp** from 20th January to 25th January 2025.

The objective of the camp was to enhance students' soft skills and prepare them for professional environments by focusing on communication, leadership and personal development.

The sessions conducted during the camp included:

- Mastering the Art of Corporate Correspondence
- Building Connections Through Effective Communication
- Pathways to Leadership
- Unlock Your Brand Potential
- Unlocking Emotional Intelligence: A Pathway to Self-Awareness
- The Power of First Impression

Each session was conducted by experienced trainers who used interactive discussions, practical activities and real-life examples to

engage students. The camp concluded with a valedictory ceremony and certificate distribution

The Department of B.Com (Accounting & Finance) successfully conducted a variety of academic and professional development activities during the academic year. These initiatives helped students gain exposure to industry practices, develop professional competencies and broaden their understanding of accounting and finance.

The department remains committed to organizing meaningful programs that support the **academic excellence, professional readiness and holistic development of students.**

STRENGTHS AND BEST PRACTICES OF THE DEPARTMENT

- **Strong Industry Exposure**
The department regularly connects students with industry professionals through expert interactions, helping them understand real-world practices in accounting and finance.
- **Practical Learning Approach**
Students are provided with experiential learning opportunities that help them apply theoretical knowledge to practical business, financial, and legal situations.
- **Focus on Skill Development**
Various training initiatives help students improve communication, leadership, teamwork, and professional behaviour, enhancing their employability.
- **Emphasis on Financial Literacy**
The department promotes financial awareness by guiding students on financial planning, investment knowledge, and responsible financial decision-making.

- **Encouragement of Technical Learning**
Students are motivated to develop technical competencies and engage in certification-based learning to strengthen their professional skills.
- **Holistic Student Development**
The department ensures a balance between academic learning and co-curricular engagement, contributing to the overall intellectual and personality development of students.
- **Collaboration with Experts and Institutions**
Partnerships with external experts and institutions enrich the academic experience and provide broader learning exposure.
- **Strong Alumni Support**
Orientation and academic support initiatives by the alumni help new students adjust to the curriculum and strengthen their foundational knowledge.
- **Active Student Engagement**
The department encourages participation in academic and co-curricular initiatives, helping students build confidence and develop their abilities.
- **Placements offered to students**
The Department takes rigorous efforts in placing the students in reputed organisations. Students have got placed at HDFC Bank, ICICI Bank, Kotak Bank

BACHELOR OF ARTS IN MULTIMEDIA AND MASS COMMUNICATION (B.A. (M.M.C.))

*"In a world of noise, the media can be the voice of reason and progress."
– Ban Ki-moon*

The Bachelor of Arts in Multimedia and Mass Communication (BAMMC) department stands as a vibrant and dynamic hub of creativity, innovation, and expression. In today's fast-paced digital era, communication plays a vital role in shaping opinions, building connections, and influencing society. The BAMMC program is designed to equip students with the essential skills and knowledge required to thrive in the ever-evolving world of media and communication.

The department offers a perfect blend of theoretical learning and practical exposure in fields such as journalism, advertising, public

relations, digital media, filmmaking, and content creation. With a strong emphasis on creativity and critical thinking, students are encouraged to explore their unique ideas and transform them into impactful media content.

Through workshops, internships, live projects, and industry interactions, the BAMMC department ensures that students gain real-world experience and stay updated with current media trends. It not only focuses on academic excellence but also nurtures confidence, teamwork, and professional ethics among students.

ACTIVITIES CONDUCTED DURING THE YEAR BY THE DEPARTMENT

CURRICULAR

ORIENTATION PROGRAMME FOR SY AND TY B.A. (MMC)

On **26th June 2024**, an orientation programme was organized for **Second Year B.A.(MMC) and Third Year B.A.(MMC) students**. The session aimed to familiarize students with the academic structure, course expectations, and opportunities available in the upcoming academic year. Faculty members provided guidance on subjects, project work, internships, and examination patterns to help students plan their academic journey effectively.

ORIENTATION SY AND TY

MASTERING PHOTOGRAPHY: CAPTURING MOMENTS, CRAFTING STORIES

On 27th June 2024, a seminar titled **"Mastering Photography: Capturing Moments, Crafting Stories"** was organized for Second Year B.A.(MMC) and Third Year B.A.(MMC) students. The seminar provided hands-on experience with various photography techniques. The photography workshop was successful in achieving its objectives, providing valuable knowledge and experience to all participants. A total of 30 students benefited from the programme.

GUEST LECTURE ON PHOTOGRAPHY

CREATIVE CAREERS: ANIMATION, VFX, AND GAMING INSIGHTS

On 10th July 2024, a seminar titled **"Creative Careers: Animation, VFX, and Gaming Insights"** was organized for Second Year B.A.(MMC) and Third Year B.A.(MMC) students. The seminar provided a comprehensive overview of the dynamic landscape of visual effects. Attendees gained insights into the history, techniques, and future directions of VFX, and had the opportunity to engage with industry experts and learn about the intricacies of the craft. A total of 45 students benefited from the programme.

VFX CAREER COUNSELLING SEMINAR

AI AND CONTENT WRITING: A PRACTICAL GUIDE FOR TODAY'S WRITERS

From 09th July, 2024 to 13th July, 2024 the Department organised a four-day bridge course on creative writing titled **"AI and Content Writing: A Practical Guide for Today's Writers"** for First Year B.A.(MMC) students. Conducted by Ms. Minu Paul, the workshop provided an engaging platform for aspiring writers to unleash their imagination and enhance their creative writing skills. The workshop aimed to foster a supportive and encouraging environment that encouraged participants to unleash their imagination, refine their writing techniques, and engage in constructive feedback. The workshop proved to be an enriching and inspiring experience for all 35 participants.

ORIENTATION PROGRAMME FOR FIRST YEAR B.A. (MMC)

On 19th July 2024, an orientation programme was organized for First Year B.A.(MMC) students. The session aimed to introduce students to the Bachelor of Arts in Multimedia and Mass Communication (BAMMC) course, its curriculum, academic expectations, and various opportunities in the field of media and communication. Faculty members guided the students about subjects, projects, practical work, and examination patterns, helping them understand the structure of the programme. A total of 34 students benefited from the programme.

FY ORIENTATION

STORYTELLING IN DOCUMENTARIES: CRAFTING COMPELLING NARRATIVES

On **24th July, 2024** an alumni talk was conducted on **"Storytelling in Documentaries: Crafting Compelling Narratives"** for First Year B.A.(MMC), Second Year B.A.(MMC) and Third Year B.A.(MMC) students. The Guest Speaker was Mr. Vatsal Nathvani, a notable Alumnus of our college. He is a Director and Writer of feature documentary films like Gandhi: The Untold Story, Doctor in Me and many more. He is also a Chief Editor of India's vegan magazine 'Compassion India: Health Transformations Resources'. The seminar brought together filmmakers, scholars, and enthusiasts to delve into the art and science of documentary storytelling. A total of 57 students benefited from the programme.

ALUMNI TALK

MEDIA FOR DEMOCRACY

On **30th July 2024**, a comic workshop on **"Media for democracy"** was organized for First Year B.A.(MMC), Second Year B.A.(MMC) and Third Year B.A.(MMC) students. The workshop aimed to foster a supportive and encouraging environment that encouraged participants to unleash their imagination, refine their designing techniques, and engage in constructive feedback. A total of 31 students benefited from the programme.

RESUME BUILDING

On **08th August, 2024**, a live workshop on **"Resume Building"** was conducted by Ms. Bhuvaneshwari Venkatesh for First Year B.Com & B.A.(MMC) students for Module IV on the subject of Fundamentals of People's Skills. Participants learned how to craft impactful resumes tailored to specific job applications, including tips on highlighting achievements

and skills. The workshop successfully equipped students with valuable skills and insights, fostering greater confidence in their job search and career development efforts. A total of 203 students benefited from the programme.

SCOPE OF MASS MEDIA AFTER GRADUATION

On **13th August, 2024** seminar on **"Scope of Mass Media after Graduation"** was conducted for First Year B.A.(MMC), Second Year B.A.(MMC) and Third Year B.A.(MMC) students. Participants learned about the different opportunities available in the field of photography and video editing. A total of 50 students benefited from the programme.

SCOPE OF MASS MEDIA AFTER GRADUATION

UNLEASH THE SOCIAL AND BUSINESS ETIQUETTE MINDSET

STRENGTHS OF THE DEPARTMENT

Qualified, experienced, and dedicated faculty members who bring innovative ideas and teaching approaches to the classroom.

Faculty members possess **strong industry exposure and practical expertise**, enabling them to connect theoretical concepts with real-world media practices.

Effective coordination and teamwork among faculty contribute to a supportive and collaborative academic environment.

Teaching approaches are **student-centric while ensuring thorough coverage of the curriculum**.

Project-based learning is strongly emphasized through fieldwork, group projects, and individual assignments, encouraging practical application of knowledge.

MS. BHAVANA SINGH
B.A.(M.M.C.) Co-ordinator

BACHELOR OF COMMERCE (B.COM)

*"An investment in knowledge pays the best interest."
-Benjamin Franklin*

The academic year 2024-25 witnessed a variety of academic and co-curricular activities organized by the B.Com Department. The programme is structured to provide students with a comprehensive understanding of core areas such as Commerce, Economics, Finance, Accounting, Marketing, and Management, thereby building a strong academic foundation. It prepares students for diverse career opportunities in corporate management, finance, accounting, entrepreneurship,

consultancy, and related fields. Through a balanced curriculum, emphasis on skill development, and the promotion of ethical values, the department strives to equip students with the competencies required to succeed in a dynamic and competitive business environment. Additionally, the department regularly conducted workshops and training sessions during the year to help students enhance their knowledge and develop practical skills.

CURRICULAR

ORIENTATION PROGRAMME (FY)

An orientation programme was organized for First Year students to introduce them to the B.Com (Management Studies) programme under NEP 2020.

Students were informed about the course structure, subjects related to management and business studies, and the various career opportunities available after graduation.

The programme helped students understand the scope and significance of management studies in the modern business environment.

ORIENTATION PROGRAMME (SY & TY)

An orientation programme was conducted for Second Year and Third Year students to familiarize them with the academic structure and expectations for the new academic year.

Faculty members provided guidance regarding course structure, academic activities, and opportunities for skill development. Students were encouraged to actively participate in departmental initiatives and co-curricular activities.

SY TY ORIENTATION

SY TY ORIENTATION

CO-CURRICULAR

SEMINAR ON CAREERS IN DIGITAL MARKETING

A seminar on "Careers in Digital Marketing" was organized for Second Year and Third Year students. The objective of the seminar was to introduce students to emerging opportunities in the digital business environment.

The resource person discussed the growing importance of digital marketing in modern businesses and explained various areas such as social media marketing, search engine optimization, digital branding, and online advertising. Students were also introduced to career roles in the digital marketing industry.

The session provided valuable insights into how digital technologies are transforming business practices and creating new career opportunities for management students.

SEMINAR RESUME BUILDING

NAVNEET EDUCATIONAL VISIT

An educational visit to Navneet was organized for Second Year students to provide exposure to the functioning of a well-established organization.

During the visit, students were introduced to various processes involved in publishing, production, marketing, and distribution. The visit helped students understand how businesses operate in a structured and systematic manner.

NAVNEET EDUCATIONAL VISIT

Such industrial exposure enables students to connect theoretical concepts learned in classrooms with real-world business practices.

EDUCATIONAL TOUR TO PILLAI INSTITUTE OF MANAGEMENT STUDIES AND RESEARCH

Second Year and Third Year students visited Pillai Institute of Management Studies and Research as part of an educational tour.

During the visit, students were introduced to postgraduate management programmes and career opportunities in the field of management studies. Interaction with faculty members provided valuable insights into advanced academic learning and professional development.

EDUCATIONAL TOUR TO PILLAI INSTITUTE OF MANAGEMENT STUDIES AND RESEARCH

RESUME BUILDING WORKSHOP

A Resume Building Workshop was conducted for First Year students to guide them on preparing professional resumes.

The session focused on how to structure resumes effectively, highlight achievements, and present skills appropriately. Students were also informed about the importance of professional documentation for internships, placements, and career opportunities.

UNLEASH THE SOCIAL AND BUSINESS ETIQUETTE MINDSET

A workshop on Social and Business Etiquette was conducted for First Year students.

The session focused on the importance of professional behaviour, effective communication, and workplace etiquette. Students learned about appropriate conduct in professional settings, including communication etiquette, body language, and professional presentation.

UNLEASH THE SOCIAL AND BUSINESS ETIQUETTE MINDSET

The programme aimed to develop professionalism and confidence among students at an early stage of their academic journey.

EDUCATIONAL TOUR TO ICAI BUSINESS SCHOOL – IBS, POWAI

An educational tour to ICAI Business School (IBS), Powai was organized for Third Year students.

During the visit, students attended informative sessions conducted by faculty members and gained insights into various management programmes and career opportunities. The visit also provided exposure to the academic environment and infrastructure of a leading business school.

The tour motivated students to explore higher education opportunities in management and business studies.

EMPOWERING FINANCIAL FUTURES – DYNAMICS OF INVESTMENTS

A seminar on “Empowering Financial Futures– Dynamics of Investments” was conducted for Second and Third Year students.

The session introduced students to the fundamentals of financial planning and investment strategies. Students gained knowledge about different investment options and the importance of financial awareness.

The programme encouraged students to develop responsible financial habits and understand the role of financial planning in personal and professional life.

EDUCATIONAL TOUR TO NEHRU PLANETARIUM, WORLI

EDUCATIONAL TOUR TO NEHRU PLANETARIUM, WORLI

First Year students visited the Nehru Planetarium in Worli as part of an educational tour aimed at broadening their knowledge and encouraging scientific curiosity.

The visit included an engaging presentation on astronomy and space science, followed by exploration of exhibits. Such educational experiences help students develop a broader perspective and appreciation for knowledge beyond their core discipline.

SHOWCASE YOUR BUSINESS SKILLS

“Showcase Your Business Skills” was an activity organized for Second Year students to encourage entrepreneurial thinking and business creativity.

Students presented innovative business ideas and strategies, demonstrating their understanding of marketing, management, and business operations. The activity helped students develop presentation skills, strategic thinking, and confidence.

SHOWCASE YOUR BUSINESS SKILLS

IIT SPOKEN TUTORIAL PROGRAMME CERTIFICATE COURSE

First Year students participated in the Certificate course Drupal offered by the IIT Spoken Tutorial Programme, which focuses on enhancing digital and technical skills through structured learning modules.

IIT SPOKEN TUTORIAL PROGRAMME

The programme helped students develop practical knowledge of various software tools and technologies that are useful in business and management fields. Such digital skills are increasingly important in modern business environments.

OUTDOOR MANAGEMENT TRAINING PROGRAMME

The Department of **B.Com (Management Studies)** and **B.Com (Accounting & Finance)** in association with the **Internal Quality Assurance Cell (IQAC)** organized a **One-Day Out-**

EMPOWER UNLOCKING YOUR LEADERSHIP POTENTIAL

door Management Training Programme on **19th December 2024** at **Sanjay Gandhi National Park** for the students of **First Year B.Com (MS) and SYBAF**.

The programme was conducted by **Mr. Nikhil Velari**, a renowned corporate trainer and an alumnus of the **BMS Department** of the college (Batch 2016-17). The session included several interactive activities and management games based on the **Principles of Management**.

This experiential learning approach helped students strengthen interpersonal relationships, develop teamwork skills, and enhance communication abilities. The programme also encouraged adaptability, resilience, and effective decision-making among the participants.

FACULTY EXCHANGE PROGRAMME: MASTERING SOFT SKILLS FOR PROFESSIONAL SUCCESS

The Department of **B.Com (Management Studies)** in collaboration with **Andhra Loyola Institute of Engineering and Technology** organized a **Faculty Exchange Programme** titled **"Mastering Soft Skills for Professional Success"** on **13th January 2025** in the **Mini Auditorium**.

The session was conducted by **Dr. Sr. Candy D'Cunha**, Dean of Students' Affairs at **Andhra Loyola Institute of Engineering and Technology**. The programme focused on developing essential soft skills such as **communication, teamwork, leadership, time management, and adaptability**.

DECODE & DELIVERY: THE CASE QUEST

Through interactive discussions and practical examples, students were encouraged to bridge the gap between academic knowledge and professional expectations. The session proved to be highly engaging and beneficial for the students.

EMPOWERING FINANCIAL FUTURES - DYNAMIC OF INVESTMENTS

The competition witnessed enthusiastic participation from students and created an engaging academic environment.

A TALK ON BEING INDUSTRY READY

EXTRA-CURRICULAR A TALK ON BEING INDUSTRY READY

A guest lecture on “Being Industry Ready” was organized to prepare students for the expectations of the corporate world.

The speaker highlighted the importance of professional skills such as communication, adaptability, teamwork, and problem-solving. Students were guided on how to align their academic knowledge with industry requirements and how to develop a professional attitude suitable for corporate environments.

The session helped students understand the competencies required to succeed in the modern workplace.

A TALK ON BEING INDUSTRY READY

EMPOWER: UNLOCKING YOUR LEADERSHIP POTENTIAL

A motivational session titled “Empower: Unlocking Your Leadership Potential” was conducted for Third Year students.

The programme focused on developing leadership qualities among students and helping them understand the importance of self-confidence, decision-making, and effective communication in leadership roles. Through interactive discussions and activities, students explored different leadership styles and learned how to manage challenges in professional environments.

EMPOWER UNLOCKING YOUR LEADERSHIP POTENTIAL

The session encouraged students to cultivate leadership qualities that are essential for success in managerial and organizational roles.

EMPOWERMENT ESSENTIALS: LEADERSHIP, TEAM BUILDING AND PERSONAL DEVELOPMENT

This programme was designed to enhance students’ leadership potential and personal development.

The session emphasized the importance of teamwork, collaboration, and effective interpersonal communication in organizational settings. Through group activities and discussions, students learned how teamwork contributes to organizational success.

The programme encouraged students to develop confidence, self-awareness, and

leadership skills necessary for their personal and professional growth.

FLYER FEST: CRAFT YOUR BEST

"Flyer Fest: Craft Your Best" was organized as a creative activity open to all students. The event encouraged students to design promotional flyers for business products or services.

The competition aimed to enhance students' creativity and understanding of marketing communication strategies. Participants applied their knowledge of branding and promotional techniques while creating innovative designs.

The activity provided students with a platform to showcase their creativity and marketing skills.

FLYER FEST CRAFT YOUR BEST

SIX-DAY SOFT SKILLS DEVELOPMENT CAMP

The Department organized a **Six-Day Soft Skills Development Camp** from **20th January to 25th January 2025** with the objective of enhancing students' professional competencies, communication abilities, leadership qualities, and overall personality development.

The camp began with an inaugural ceremony in the presence of the **Principal and Vice-Principal**. Several expert speakers conducted sessions on different aspects of personal and professional development.

Ms. Vinaya Ratnaparkhi conducted a session on **"Mastering the Art of Corporate Corre-**

FACULTY EXCHANGE PROGRAMME MASTERING SOFT SKILLS FOR PROFESSIONAL SUCCESS

spondence," highlighting the principles of professional communication and effective business writing. **Ms. Tina Kalra** delivered a session on **"Building Connections Through Effective Communication,"** emphasizing active listening, clarity of expression, and non-verbal communication.

A leadership development session titled **"Pathways to Leadership"** was conducted by **Ms. Manjula Kamath**, where students learned about decision-making, teamwork, and leadership qualities. **Dr. Shivani Naik** delivered an insightful talk on **"Unlock Your Brand Potential,"** focusing on personal branding and the importance of identifying individual strengths.

FACULTY EXCHANGE PROGRAMME MASTERING SOFT SKILLS FOR PROFESSIONAL SUCCESS

Ms. Kamakshi Gupte conducted a session on **"Unlocking Emotional Intelligence: A Pathway to Self-Awareness,"** highlighting the role of emotional intelligence in decision-making and relationship building. The final session by **Dr. Sneha Vaskar** on **"The Power of First**

Impression™ emphasized grooming, body language, and communication skills required to create a positive and lasting impression.

The camp concluded with a **Valedictory Ceremony**, where participants shared their experiences and received certificates.

The Department successfully organized several academic and co-curricular activities during the academic year **2024–2025**. These initiatives played an important role in enhancing students' **knowledge, professional competencies, and overall personality development**.

EMPOWERMENT ESSENTIALS LEADERSHIP, TEAM BUILDING AND PERSONAL DEVELOPMENT

Through seminars, workshops, competitions, and educational visits, students were provided opportunities to interact with experts and gain practical insights into the fields of **management, business, and finance**.

The department remains committed to organizing such enriching activities in the future to ensure the **holistic development of students and prepare them to become competent professionals**.

EMPOWERMENT ESSENTIALS LEADERSHIP, TEAM BUILDING AND PERSONAL DEVELOPMENT

STRENGTHS AND BEST PRACTICES OF THE DEPARTMENT

Strong Emphasis on Practical and Experiential Learning

The department promotes learning through practical exposure, enabling students to apply management concepts to real-life business situations.

Focus on Leadership and Managerial Skills

Various initiatives help students develop leadership qualities, decision-making ability, and teamwork skills essential for management roles.

Industry Interaction and Career Awareness

Students receive exposure to industry expectations and emerging career opportunities through interactions with professionals and experts.

Skill Development and Employability Focus

The department conducts programs that enhance communication, professionalism, and workplace readiness among students.

RESUME BUILDING

Encouragement of Creativity and Entrepreneurship

Activities are designed to foster creative thinking, marketing abilities, and an entrepreneurial mindset among students.

Exposure to Higher Education Opportunities

Students are introduced to advanced academic pathways and postgraduate opportunities in management and related fields.

Development of Analytical and Problem-Solving Skills

Academic activities encourage critical thinking, strategic analysis, and effective business decision-making abilities.

Integration of Digital and Technical Learning

Students are encouraged to develop digital and technical competencies required in modern business and management environments.

Holistic Personality Development

Personality development and professional grooming initiatives help students build confidence, communication skills, and overall personal growth.

Active Student Engagement

The department promotes collaborative learning and active participation through interactive academic and co-curricular initiatives.

BACHELOR OF SCIENCE IN COMPUTER SCIENCE (B.SC. CS)

"Learning gives creativity, creativity leads to thinking, thinking provides knowledge, knowledge makes you great."

– A. P. J. Abdul Kalam

The Department of Computer Science of Nirmala Memorial Foundation College of Commerce and Science actively organized various academic, research-oriented, and co-curricular activities during the academic year

2024–2025. These initiatives aimed to enhance students' technical skills, promote research culture among faculty members, and provide industry exposure to students.

ACTIVITIES CONDUCTED DURING THE YEAR BY THE DEPARTMENT

CURRICULAR

WORKSHOP ON "ADATA STRUCTURES USING JAVA"

The Department of Computer Science successfully organized a **4-day workshop on "Data Structures Using Java"** from **17th to 24th February 2025** with a total duration of **30 hours**.

The workshop was conducted in both **online and offline modes**, where the online sessions were held on **17th and 18th February 2025**, and the offline sessions were conducted on **20th, 22nd, and 24th February 2025** in **Computer Lab-1**. The program was designed to strengthen students' understanding of data structures and provide hands-on programming experience using Java.

The sessions were conducted by **Ms. Karra Neeharika, Ms. Nancy Parasa, Ms. Zahra Somjee, and Mr. Nimesh Bumb**, who provided detailed explanations of theoretical concepts along with practical demonstrations.

The workshop focused on:

- Fundamentals of Data Structures
- Implementation using Java
- Hands-on practice through programming exercises
- Development of problem-solving skills

A total of **150 students from B.Sc. CS** participated in the workshop and benefited from the practical exposure and interactive learning environment.

SEMINAR ON GENERATIVE AI

IIT SPOKEN TUTORIAL CERTIFICATION EXAMINATION

The department organized the **IIT Spoken Tutorial Certification Examination** on **4th October and 7th October 2024** in the computer laboratories.

The objective of the examination was to strengthen students' technical knowledge through online tutorials and assessments.

SEMINAR ON GENERATIVE AI

Program Details:

- Courses: Joomla (FYCS), Android with Kotlin (SYCS), Drupal (TYCS)
- Total Registered Students: 108
- Students Benefited: 100
- Examination Format: 32 MCQs, 40 minutes duration

Successful students received **certificates from IIT Spoken Tutorial**. The examination was supervised by **Ms. Vandana Singh**.

SEMINAR ON GENERATIVE AI

The Department organized a seminar on **"Generative AI"** on **13th August 2024** in the **Mini Auditorium**.

The session was conducted by **Mr. Madhav Mishra**, who explained:

- Core concepts of Generative AI
- Applications of AI in various industries
- Ethical considerations in AI development

The seminar benefited **92 second-year students of Computer Science**.

PEER LEARNING SESSION ON CYBER SECURITY AWARENESS

A **peer learning session on Cyber Security Awareness** was conducted on **12th August 2024** for **Second Year B.Sc. CS students**.

The session was delivered by **Mr. Idrish Vohra** and focused on:

- Cyber security awareness
- Safe online practices
- Importance of digital security

A total of **48 students participated** in this collaborative learning initiative.

SEMINAR ON "PROMPT ENGINEERING"

SEMINAR ON "PROMPT ENGINEERING"

The Department of **B.Sc. IT and B.Sc. CS** jointly organized a seminar on **"Prompt Engineering"** on **28th June 2024** in **Seminar Hall (Room 706)**.

The session was conducted by **Dr. Y. Srinivasa Rao**, Vice-Principal and Dean (R&D) at **Bharatiya Vidya Bhavan's Sardar Patel Institute of Technology**.

SEMINAR ON "PROMPT ENGINEERING"

The seminar focused on:

- Applications of prompt engineering in Artificial Intelligence
- AI-based software development techniques
- Career opportunities in AI and prompt engineering
- Challenges and ethical concerns of AI technologies

A total of **88 students from B.Sc. CS** attended the seminar.

SEMINAR ON "PROMPT ENGINEERING"

SEMINAR ON NAVIGATING INTERNATIONAL MASTER'S PROGRAMS

The Department organized a seminar titled **"Navigating International Master's Programs – A Complete Guide"** on **12th July 2024** in collaboration with **IMS**.

The seminar provided guidance on:

- Admission process for international universities
- IELTS preparation
- Scholarships and financial aid
- Career opportunities abroad

The session was conducted by **Ms. Ranjana Singh and Ms. Vashi Daxini** from **IMS** and was attended by **59 students**.

CO-CURRICULAR

NATIONAL LEVEL FACULTY DEVELOPMENT PROGRAMME ON PATENT WRITING AND IPR

The Department of Computer Science organized a **5-day National Level Faculty Development Programme (FDP)** titled **"Enhancing Quality Research through Patent Writing and Intellectual Property Rights (IPR)"** from **11th to 15th February 2025**.

SEMINAR ON NAVIGATING INTERNATIONAL MASTER'S PROGRAMS

The FDP was conducted online through **MS Teams** in collaboration with **Loyola Academy (Autonomous), Telangana**.

The sessions covered several important topics including:

- Role of research in academic progression
- Writing research papers for publication
- Plagiarism issues in the era of Artificial Intelligence
- Fundamentals of patents and intellectual property rights
- Drafting and filing of patent applications

SEMINAR ON NAVIGATING INTERNATIONAL MASTER'S PROGRAMS

The FDP witnessed enthusiastic participation from **213 faculty members** from various institutions.

WEBINAR ON "OBE FOR EFFECTIVE TEACHING AND LEARNING"

The Department of Computer Science, in association with **IQAC and Loyola Academy**, conducted a webinar on "**Outcome Based Education (OBE) for Effective Teaching and Learning**" on **22nd February 2025**.

SEMINAR ON NAVIGATING INTERNATIONAL MASTER'S PROGRAMS

The session was delivered by **Ms. Naga Durga P.**, who explained the importance of aligning **course outcomes and program outcomes** with modern teaching methodologies.

A total of **39 participants** attended the webinar.

TECHCLUB INTRA-CLASS HACKATHON

The Department of Computer Science, in collaboration with **TechClub**, organized an **Intra-Class Hackathon** on **25th February 2025** in the Computer Science laboratories.

TECH TALK - TECHIGNITE 0.11

The hackathon was designed to enhance students' **coding abilities, logical thinking, and teamwork skills** through competitive programming challenges.

KEY DETAILS OF THE EVENT

- Total registrations: 155 students
- Teams formed: 42 teams
- Team size: 1 to 4 students
- Event timing: 7:30 AM to 2:30 PM

WINNERS OF THE HACKATHON

- 1st Prize: Mayur Maskar, Mahadev Patil, Sneha Gohil, Rasika Madav
- 2nd Prize: Tanmai Shejwal, Ankur Thorat, Dilip Prajapati, Vishant Pasi
- 3rd Prize: Archit Malgundkar, Sudhanshu Shukla, Orm Upale

All participants received **e-certificates**, while the winning teams were awarded **trophies and certificates**.

HACKATHON

TECH TALK - TECHIGNITE 0.1

A Tech Talk titled "**Evidence of Cognitive Biases in Cyber Attackers from an Empirical Study**" was conducted on **7th February 2025** by **Dr. Palvi Aggarwal**, Assistant Professor at the **University of Texas at El Paso**.

The session explained how **cognitive biases influence cyber attackers' decision-making**, including:

- Confirmation bias
- Overconfidence bias
- Anchoring bias

The session provided valuable insights into **cybersecurity strategies** and was attended by **250 participants**.

ALUMNI INTERACTION SESSION

An **alumni interaction session** titled **"Experience Unpacked: Insights from Alumni"** was organized on **20th September 2024** through **Google Meet**.

The speaker **Mr. Lokesh Bharti**, a **Full Stack Developer based in Toronto**, shared insights on:

- Industry trends in web development
- Importance of internships and projects
- Key technical skills required in the industry
- Networking and career development

The session benefited **26 TYCS students**.

TECH TALK – TECHIGNITE 0.1 2

STRENGTHS AND BEST PRACTICES OF THE DEPARTMENT

QUALIFIED AND DEDICATED FACULTY

The department has experienced and committed faculty members who actively engage in teaching, research, and mentoring students while organizing academic and technical activities.

FOCUS ON EMERGING TECHNOLOGIES

The department regularly conducts seminars, workshops, and technical sessions on emerging areas such as Artificial Intelligence, Generative AI, Cybersecurity, Ethical Hacking, and

Prompt Engineering, enabling students to stay updated with current technological trends.

INDUSTRY AND ACADEMIC COLLABORATION

The department collaborates with academic institutions, industry experts, and organizations to conduct workshops, seminars, and faculty development programmes, thereby enhancing knowledge exchange and practical exposure.

PRACTICAL AND SKILL-BASED LEARNING

Students are provided with hands-on learning opportunities through workshops, hackathons,

PEER LEARNING CYBER SECURITY AWARENESS

JIT SPOKEN TUTORIAL CERTIFICATION EXAMINATION

certification programs, and technical sessions that strengthen their programming, analytical, and problem-solving skills.

STUDENT-CENTRIC LEARNING ENVIRONMENT

The department encourages collaborative learning through peer learning sessions, technical events, and student participation in various academic activities, creating an interactive and supportive learning atmosphere.

TECH TALK – TECHIGNITE 0.13

CAREER GUIDANCE AND ALUMNI SUPPORT

Regular alumni interaction sessions and career guidance seminars help students understand industry expectations, explore higher education opportunities, and develop professional networks.

INDUSTRY-ORIENTED WORKSHOPS AND TRAINING

The department regularly organizes workshops and technical sessions on advanced technologies such as Data Structures, Generative AI, Ethical Hacking, and Cybersecurity to equip students with industry-relevant skills.

CERTIFICATION AND SKILL DEVELOPMENT PROGRAMS

Students are encouraged to participate in certification programs such as the IIT Spoken Tutorial Certification Examination to improve their technical competencies and gain recognized certifications.

PEER LEARNING INITIATIVES

Peer learning sessions are conducted where students share knowledge with their peers on topics such as Cyber Security Awareness, fostering collaborative learning and confidence among students.

INTERACTION WITH INDUSTRY EXPERTS AND ALUMNI

Guest lectures, tech talks, and alumni interaction sessions are organized to bridge the gap between academic learning and industry requirements.

ACADEMIC EXPOSURE PROGRAMS

Educational visits and exposure programs are arranged to help students gain practical insights into emerging technologies and real-world applications of computer science concepts.

ENCOURAGING INNOVATION AND TEAMWORK

The department promotes participation in hackathons, technical competitions, and project-based learning activities to enhance creativity, teamwork, and problem-solving abilities among students.

DR. BHAKTI CHAUDHARI

B.Sc. CS Co-ordinator

IIT SPOKEN TUTORIAL CERTIFICATION EXAMINATION

BACHELOR OF SCIENCE (INFORMATION TECHNOLOGY) (B.SC. IT)

*"Software is a great combination of artistry and engineering."
– Bill Gates*

The B.Sc. Information Technology Department of Nirmala Memorial Foundation College of Commerce and Science (Autonomous) conducted a diverse array of academic, research-focused, and co-curricular initiatives throughout the academic year 2024–2025. These efforts were aimed at sharpening

students' practical and technical abilities, encouraging a culture of innovation and inquiry among faculty members, and offering meaningful industry-oriented experiences to support the holistic growth and career readiness of IT students.

ACTIVITIES CONDUCTED DURING THE YEAR BY THE DEPARTMENT

CURRICULAR ACTIVITIES

SEMINAR ON PROMPT ENGINEERING

The Department of B.Sc. IT and B.Sc. CS organised a "Prompt Engineering" Seminar on Friday, 28th June, 2024 from 10.00 am to 12.00 pm in the 706 - Seminar Hall. The resource person for the seminar was Dr. Y Srinivasa Rao, Ph.D (ES-IIT-Bombay), Vice-Principal and

Dean (R&D), Bhartiya Vidya Bhavan's Sardar Patel Institute of Technology. Dr. Y Srinivasa Rao

SEMINAR ON PROMPT ENGINEERING

SEMINAR ON PROMPT ENGINEERING

was welcomed by Ms. Vaishali Mishra, Coordinator of B.Sc. IT and Vice-Principal

Dr. Poonam Kakkad felicitated Dr. Rao. Dr. Poonam Kakkad also shared a few words to explain the importance of the seminar and encouraged students to gain the maximum benefit out of it. Dr. Rao discussed various career opportunities available for students for making careers in the sectors of Artificial Intelligence and especially prompt engineer-

ing. The eminent speaker also thrown light on the challenges and threats of using AI and its growing use. The seminar was concluded on a good note by proposing a formal vote of thanks by Mr. Shivkumar Chandey, Assistant Professor, Department of B.Sc. IT and B.Sc. CS.

NAVIGATING INTERNATIONAL MASTER'S PROGRAMS

AGENDA

- To understand the importance of Prompt engineering which plays a pivotal role in software development by using AI models to generate code snippets or solve programming challenges.
- To use prompt engineering in software development which can save time and assist developers in coding tasks.
- Resource Person: Dr. Y Srinivasa Rao, Ph.D (ES-IIT-Bombay), Vice-Principal and Dean (R&D), Bhartiya Vidya Bhavan's Sardar Patel Institute of Technology.

NAVIGATING INTERNATIONAL MASTER'S PROGRAMS

- **Targeted Audience:** Second Year Students B.Sc.IT and B.Sc. CS
- **No. of Beneficiaries:** 88 Students
- **Day and Date:** Friday, 28th June 2024
- **Time:** 10.00 am 12.00 pm **Venue:** 706 - Seminar Hall, 7th Floor.

NAVIGATING INTERNATIONAL MASTER'S PROGRAMS: A COMPLETE GUIDE

Department of BSc.IT in collaboration with IMS had organised an informative seminar on Friday, 12th July 2024 aimed at guiding third-year BSc.It students on navigating international master's programs. The seminar provided comprehensive insights into admission processes, IELTS preparation, program selection, and financial aid options crucial for pursuing higher education abroad. Ms. Vandana Singh initiated the seminar, emphasizing the importance of international education and the opportunities it presents for academic and professional growth. Ranjana Singh, as the lead consultant, detailed the admission procedures for international universities, highlighting key requirements such as

BRIDGE COURSE ON FUNDAMENTALS OF ELECTRONICS

transcripts, recommendation letters, and application deadlines. Information was provided Ms. Vashi Daxini on various scholarships, grants, and financial aid options available to support students during their international studies. Dr. Aparna Panigrahy concluded the seminar with a vote of thanks, expressing gratitude to the organizers, speakers, and students for their active participation and engagement.

RESOURCE PERSONS

Ranjana Singh: Lead International Admission Consultant, IMS

Ms. Vashi Daxini: Lead Mentor IELTS, IMS

Day and Date: Friday, 12th July 2024

Time: 10:15 am to 11:15 am

Venue: Block 706

Number of participants: 75

Conducted by : Vandana Singh

BRIDGE COURSE ON FUNDAMENTALS OF ELECTRONICS

BRIDGE COURSE

The Department of B.Sc. IT organized a Bridge Course titled **"Fundamentals of Electronics"** aimed at First Year B.Sc. IT students who have transitioned from the Commerce stream. The primary objective of the course was to **bridge the academic gap** and provide students with a foundational understanding of electronics, which forms a critical part of the IT curriculum.

THE COURSE WAS DESIGNED TO

- Introduce basic concepts of electronics to non-science background students.
- Build confidence and competence in handling electronics-related topics in future coursework.
- Provide a smooth academic transition into the technical modules of the B.Sc. IT program.

COURSE DETAILS

- **Course Name:** Fundamentals of Electronics
- **Target Audience:** First Year B.Sc. IT students (Commerce background)
- **Venue:** Electronics Lab, Room 301 (3rd Floor)
- **Total Participants:** 70 students
- **Date:** 9th July 2024 – 13th July 2024
- **Duration:** 30 hours
- **Conducted by** Dr. Aparna P.

The Bridge Course received a **positive response** from participants, with students actively engaging in both theoretical and practical sessions. The initiative significantly enhanced their understanding of fundamental electronics and boosted their readiness for upcoming technical subjects. Feedback indicated increased confidence and interest in the subject matter among attendees.

WORKSHOP ON ETHICAL HACKING

WORKSHOP ON ETHICAL HACKING

Department of B.Sc.IT had organized a workshop on "Ethical Hacking" for the second-year students of B.Sc.IT. The workshop was commenced from Monday, 2- September 2024 to Friday, 6- September 2024.

OBJECTIVES

- To provide an understanding of ethical hacking and its role in cybersecurity.
- To familiarize students with various tools and techniques used in ethical hacking.
- To offer hands-on experience through practical sessions.
- To emphasize the ethical and legal considerations in hacking.

The majority of students found the workshop informative and engaging. They appreciated the practical sessions and hands-on labs, which provided real-world experience. Some students requested more in-depth coverage of advanced topics and additional practice sessions.

The sessions were well-received, and the hands-on approach was effective in helping

students understand and apply ethical hacking concepts. The interactive nature of the workshop encouraged active participation.

EVENT DETAILS

Resource person: Vaibhav Khadelwal, SCIENOX Technologies Pvt. Ltd.

Dates: Monday, 2nd September 2024 to Friday, 6th September 2024

Time: 7:00 am to 1:00 pm

Workshop Venue: Computer Lab, 3rd Floor

Duration: 30 hrs

No. of participants: 30

Beneficiaries: Second year students of IT

Session Coordinators: Aparna Panigrahy and Vandana Singh

WORKSHOP ON ETHICAL HACKING

SEMINAR ON GENERATIVE-AI

Department of B.Sc.IT had organized a seminar on "Generative AI" on Tuesday, 13th August 2024. The session aimed to introduce second-year IT and Computer Science students to Generative AI, focusing on its fundamental principles, practical applications, and ethical considerations.

Mr. Madhav Mishra delivered a comprehensive overview of Generative AI. The session began with a clear introduction to the core concepts of Generative AI, including its underlying technologies and models. Mr. Mishra provided valuable insights into the practical applications of Generative AI across various industries and discussed real-world examples to illustrate its impact.

PROGRAM DETAILS

Speaker: Mr. Madhav Mishra

Date: August 13, 2024

Time: 9:00 AM - 10:00 AM

Venue: Room 706, Mini Auditorium

Beneficiaries: 92 Second-Year IT Students

SEMINAR ON GENERATIVE-AI

IIT SPOKEN

Nirmala Memorial Foundation College of Commerce and Science organized the **IIT Spoken Tutorial Certification Examination on Friday, October 4, and Monday, October 7, 2024**, in the computer labs located on the 3rd floor of the college premises. This examination was conducted for the students of Computer Science. This examination aimed to assess students' understanding and application of key concepts in various technical subjects, enhancing their practical skills and communication abilities through spoken tutorials.

The examination process began on **September 20, 2024**, with the successful registration of students in different subjects. Video links for

SEMINAR ON GENERATIVE-AI

the respective subjects were circulated among students via WhatsApp groups. Students were encouraged to study the video materials and complete assignments related to their courses. The IIT Spoken Tutorial Certification Examination took 30 hours to study the videos, complete the assignments, and prepare for the examination.

EXAMINATION STRUCTURE

- **Format:** Multiple-choice questions
- **Total Questions:** 32
- **Duration:** 40 minutes
- **Passing Criteria:** 40%

Successful candidates were issued course completion certificates by the IIT Spoken Tutorial immediately after the examination.

Faculty member Vandana Singh supervised the examination to ensure adherence to academic integrity and provide assistance as needed.

PROGRAM DETAILS

- **Examination Dates:** Friday, 4th October, 2024 and Monday, 7th October, 2024
- **Venue:** Nirmala College, Computer Lab, 3rd Floor.

COURSES / SUBJECTS

- FYIT - Joomla
- SYIT - Android with Kotlin
- TYIT - Drupal
- **Total Students Registered:** 108
- **Total Students Benefitted:** 100
- **Invigilated by:** Vandana Singh
- **Organized by:** Aparna Panigrahy

EXTRA-CURRICULAR ACTIVITIES

EDUCATIONAL TRIP TO POWAI

Educational Trip for T.Y.B.Sc-IT Students: Open Source GIS Day & National Geospatial Awards 2024

NO OF BENEFICIARIES: 33 Students

Date: September 15, 2024.

Time: 8:30 AM – 5:00 PM

Venue: Indian Institute of Technology (IIT), Powai

EDUCATIONAL TRIP REPORT POWAI

INTRODUCTION

On September 15, 2024, a group of 39 students and faculty member Dr. Aparna P attended the "Open Source GIS Day & National Geospatial Awards 2024 (Edition 01)" held at the prestigious Indian Institute of Technology (IIT), Powai. The event was a significant gathering for professionals, academics, and enthusiasts in the field of Geographic Information Systems (GIS) and geospatial technology.

OUTCOMES: LEARNING THROUGH EXPERIENCE

- **To Enhance Knowledge:** To gain insights into the latest developments and trends in open-source GIS technologies.
- **Networking Opportunities:** To connect with industry professionals, researchers, and peers.
- **Recognition of Excellence:** To witness the awarding of the National Geospatial Awards celebrating innovation and excellence in the geospatial domain.

OBSERVATIONS AND LEARNINGS

- Innovation and Collaboration
- Emerging Trends
- Practical Applications
- Networking and Professional Development

The "Open Source GIS Day & National Geospatial Awards 2024" was a highly informative and engaging event. It provided a platform for learning about cutting-edge technologies and recognizing excellence in the geospatial domain. The insights gained and connections made during the event will be valuable for our Third Year IT learners.

IIT TECHFEST

IIT TECHFEST

The IIT Techfest 2024 was held from 17th to 19th December 2024, with a series of innovative and competitive events designed to challenge the participants' skills in various domains of science, technology, and engineering. Among the events conducted, one of the prominent ones was *CosmoClenze*, which aimed at testing participants' abilities in problem-solving, teamwork, and their overall technical knowledge. This event consisted of five distinct stages, each designed to test the participants in different technical and problem-solving areas, under time constraints. Under the guidance of Dr. Aparna Panigrahy, the in-charge professor, all 7 students from our college participated and successfully cleared all five stages of the event within the given time frame.

The participation in *CosmoClenze* at IIT Techfest 2024 has been a significant achievement for the students of Nirmla Memorial

IIT TECHFEST

Foundation College of Commerce and Science. By clearing all stages within the specified time, the team has proven their competence and ability to perform under pressure. Their success not only adds to the prestige of the college but also enhances their exposure to technical challenges, contributing to their overall academic and professional growth.

We are proud of their achievement and look forward to more such participations in future events.

Event: CosmoClenze

Event Date: Tuesday, 17th December 2024

Total Participants: 07

Organized By: IIT Techfest 2024

SUMMER CAMP FOR MCGM SCHOOLS

The summer camp aimed to enhance the foundational skills of students in **Language** and **Arithmetic**, with a special focus on children from underprivileged backgrounds. The program was designed to provide academic reinforcement in a fun, engaging, and supportive environment during the summer break.

SUMMER CAMP FOR MCGM SCHOOLS

PROGRAM STRUCTURE

- **Daily Schedule:**
- **1st Hour:** Language Skills – Reading, writing, vocabulary games, storytelling, and basic grammar.
- **2nd Hour:** Arithmetic – Basic operations, problem-solving, number games, and mental math activities.

LEARNING METHODOLOGY

- Activity-based learning
- Group discussions
- Interactive worksheets and games
- One-on-one mentoring as needed

PARTICIPATION

- A total of approximately **[Insert Number if Available]** students participated across the 15-day camp.
- Participants were drawn from nearby **MCGM schools and low-income private schools.**
- The students were divided into small groups for better attention and personalized learning.

SUMMER CAMP FOR MCGM SCHOOLS

VOLUNTEERS

- **Total Volunteers:** 6
- Roles and Responsibilities:
- Curriculum planning and session delivery
- Assisting students with individual learning needs
- Organizing daily activities and games
- Monitoring attendance and maintaining discipline
- Creating feedback reports on student progress

OUTCOMES

- Improved engagement in basic reading, writing, and arithmetic among students.
- Notable increase in confidence and participation.
- Several students showed measurable improvement in their understanding of core concepts.

EDUCATIONAL TRIP REPORT POWAI

FEEDBACK AND RECOMMENDATIONS

- **Students** expressed enjoyment in the learning activities and games.
- **Parents and Teachers** appreciated the initiative and requested longer duration camps in the future.
- **Volunteers** suggested including more educational tools and materials for better outcomes.
- Recommendation for future camps includes adding digital learning elements and art-based sessions for holistic development.

PROGRAMME DETAILS

Venue: Different Municipal Corporation Schools

Duration: 12th April to 30th April 2025

Timings: Daily 2 Hours (1 Hour Language + 1 Hour Arithmetic)

Target Group: Students from MCGM Schools and Low-Income Private Schools

Number of Volunteers: 6

Guiding Teacher: Ms. Rucha Patil

EDUCATIONAL TRIP REPORT POWAI

TECHNOTSAV 2024-25

Technotsav 2025, an inter-collegiate fest themed on *Virtual Reality*, was successfully organized, bringing together students to showcase innovation, creativity, and technical skills.

Date: 18th January 2025

INAUGURATION

Chief Guest – Mr. Amol Kharat

Guest of Honor – Mr. S.B. Patil

Along with dignitaries including Dr. Swiddle D'Cunha, Ms. Dhara Desai, Mr. Milan Desai, Ms. Swati Desai, and coordinators from various departments.

HIGHLIGHTS

- IT competitions including Quiztron, Project Expo, Blind Scripting, BGMI, Stumble Guys, RoboGrip, Cinebyte, Pixel Perfect, and more
- Participation from 670+ students across 60 colleges (Mumbai, Pune, Bhopal)
- Launch of department newsletter: *"ASCII – Volume I, Issue I"*

ACHIEVEMENTS

- Winners received trophies, cash prizes, and certificates
- All participants were awarded e-certificates
- Best College Award: Smt. Kashibai Navale College of Engineering, Pune

The event was a grand success, promoting innovation, collaboration, and technical excellence, and concluded with great enthusiasm for future editions.

STRENGTHS AND BEST PRACTICES OF THE DEPARTMENT

The Department of Information Technology possesses several key strengths that contribute to the academic growth and overall development of students.

COMPETENT AND COMMITTED FACULTY

The department is supported by skilled and dedicated faculty members who actively contribute to teaching, mentoring, and orga-

TECHNOTSAV 2024-25

TECHNOTSAV 2024-25

nizing academic as well as technical activities for students.

FOCUS ON EMERGING IT TRENDS

Various workshops, seminars, and expert sessions are regularly conducted on advanced areas such as Artificial Intelligence, Data Analytics, Cybersecurity, and Cloud Computing to keep students updated with industry trends.

PRACTICAL AND SKILL-ORIENTED LEARNING

The department emphasizes hands-on learning through projects, hackathons, certification courses, and technical sessions, helping students develop strong programming and problem-solving skills.

CAREER SUPPORT AND INDUSTRY EXPOSURE

Through career guidance sessions, alumni interactions, and industry collaborations, students gain valuable insights into career opportunities and professional development.

TECHNOTSAV 2024-25

The Department of Information Technology adopts effective practices to enhance academic quality, promote innovation, and ensure active student participation.

INDUSTRY-RELEVANT TRAINING AND WORKSHOPS

The department regularly conducts hands-on workshops and training sessions on modern technologies such as Artificial Intelligence, Cybersecurity, Cloud Computing, and Data Analytics to equip students with practical knowledge.

CERTIFICATION AND SKILL ENHANCEMENT

Students are encouraged to pursue certification programs and skill-based courses to strengthen their technical abilities and improve career readiness.

INTERACTIVE AND COLLABORATIVE LEARNING

Peer learning sessions, group activities, and technical discussions are promoted to enhance knowledge sharing, teamwork, and confidence among students.

INDUSTRY EXPOSURE AND INNOVATION ACTIVITIES

Guest lectures, alumni interactions, industrial visits, and participation in hackathons and projects help students gain real-world exposure and develop problem-solving skills.

MS. VAISHALI MISHRA
(B.Sc. IT) Co-ordinator

TECHNOTSAV 2024-25

MASTER OF COMMERCE (M. COM)

"Education is not just the filling of a pail, but the lighting of a fire that inspires minds to lead, innovate, and transform the future."

The Master of Commerce (M. Com) programme is a prestigious postgraduate course designed to provide advanced knowledge and specialized skills in the field of commerce, management, and finance. It serves as a vital platform for students aspiring to build professional careers in academics, corporate sectors, entrepreneurship, and research.

The programme focuses on developing analytical thinking, decision-making abilities, and a comprehensive understanding of business dynamics in a rapidly evolving global economy. With an emphasis on both theoretical concepts and practical applications, the M.Com curriculum equips learners with expertise in areas such as accounting, finance, marketing, human resource management, and business analytics.

In today's competitive environment, the M.Com programme plays a crucial role in shaping competent professionals who can contribute effectively to economic growth and organizational success. It also encourages research orientation, ethical practices, and continuous learning, preparing students to meet the challenges of the modern business world with confidence and competence.

The Master of Commerce (M.Com) programme stands as a vibrant hub of learning where curiosity meets competence. It is more than a postgraduate course—it is a journey of transformation, nurturing students into thoughtful professionals, researchers, and leaders ready to engage with the ever-evolving world of business and finance.

ACTIVITIES CONDUCTED DURING THE YEAR BY THE DEPARTMENT

A WEBINAR ON "UNDERSTANDING RESEARCH DESIGN FOR UG/PG RESEARCH PROJECT"

Commerce Association along with M. Com Department of the college is organising a webinar on "Understanding Research Design for UG/PG Research Project" on Friday, 10th January, 2025 at 8.00 am.

This webinar was conducted by Dr Vinod Kamble, an alumni.

There were over 80 participants the session was appreciated by students and there was lot of enthusiasm among the students. Sir gave a complete overview on how to conduct research on the specific requirements of black book making for academic purpose.

The session ended with students putting forward their queries with regards to the research and how it will help them in their career.

A SEMINAR IN COLLABORATION WITH PLACEMENT CELL

A seminar in collaboration between placement cell M.com departments was conducted on Resume Building linkedin account and interview Etiquette on 10th February 2025 at 11.00am by Harshal Kulkarni Assistant Vice President of Aptech

The session was attended by B.Com and M.com students. Around more than 50 students attended the seminar and they gained vast experience and knowledge due to the session.

A WEBINAR ON 'UNDERSTANDING RESEARCH DESIGN FOR UG/PG RESEARCH PROJECT'

Mr. Kulkarni gave students an idea about how a resume has to be built giving a complete overview of the essentials. He also shared certain practical experiences with students.

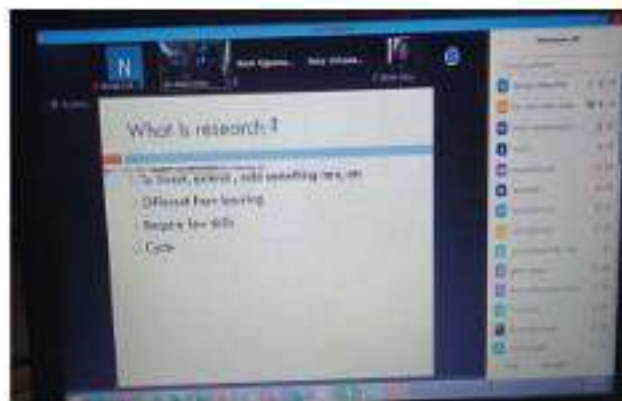

Mr. Kulkarni with his team also specified about a training program to be offered to the students with placement support.

At the end they distributed certain sheets mentioning about the various programs that they offer and asked the students to visit their branch for any support required.

The session ended with a positive note and students were satisfied with the presentation and also shared that they would like to attend such sessions in the future.

STRENGTHS AND BEST PRACTICES OF THE DEPARTMENT

- A department is defined not just by its curriculum, but by the energy it creates—and ours thrives on excellence.
- A team of passionate, experienced faculty who blend theory with real-world insights
- A dynamic, industry-aligned curriculum that keeps pace with changing business trends
- A strong culture of research, inquiry, and analytical thinking
- Regular seminars, workshops, and guest sessions that bring the corporate world into the classroom
- Focus on holistic development - communication, digital skills, and leadership
- Rich academic resources including library access, e-journals, and research databases

A SEMINAR IN COLLABORATION WITH PLACEMENT CELL

- A supportive environment that encourages creativity, participation, and innovation
- Strong coordination and teamwork among faculty foster a supportive and collaborative academic environment
- Hands-on learning through case studies, projects, and practical exposure
- Continuous mentoring for career growth, higher education, and competitive exams

NOTEWORTHY ACHIEVEMENTS OF THE DEPARTMENT

Success is not an endpoint—it is a reflection of consistent effort.

- Strong academic results year after year
- Research contributions by faculty and students with Research Project as subject
- Internship as a part of syllabus as on the job internals
- Alumni progressing into successful careers and higher studies

IGNITING MINDS, SHAPING FUTURES

"The future belongs to those who learn more skills and combine them in creative ways."

The M.Com programme is not just about earning a degree—it is about discovering potential, building confidence, and shaping a future filled with possibilities. With knowledge as the foundation and innovation as the driving force, the department continues to empower students to step into the world with clarity, competence, and courage.

Because here, education doesn't just inform—it transforms.

DR. VIJAYA JACQUILINE
M. Com. Co-ordinator

"The real success of education is seen in the journeys of its alumni."
– John Dewey

The institution has consistently fostered strong connections with its alumni by organizing insightful sessions, seminars, and activities aimed at bridging the gap between academic learning and industry expectations. During the academic year 2024–2025, several alumnus-led initiatives were conducted across departments, providing students with valuable exposure, practical knowledge, and career guidance.

ALUMNUS TALK ON DOCUMENTARY STORYTELLING

The Department of BAMMC organized a session titled *"Storytelling in Documentaries: Crafting Compelling Narratives"* on **24th July 2024** in the Mini Auditorium. The session was conducted by **Mr. Vatsal Nathvani**, a distinguished alumnus, documentary filmmaker, and Chief Editor of *Compassion India* magazine.

ACADEMICS VS ACTION NEEDED BRIDGING THE GAP BETWEEN STUDIES AND INDUSTRY REALITY

The seminar explored the nuances of documentary filmmaking, blending creative storytelling with technical expertise. The interactive session allowed students to engage directly with the speaker, gaining practical insights into the field.

Outcome: Enhanced understanding of documentary storytelling and creative expression.

SEMINAR ON INVESTMENT AWARENESS

The Department of Commerce conducted a seminar titled *"How, When and Where to Invest"* on **11th July 2024** for B.Com students. The session was led by alumnus **Mr. Anil Poste**.

The seminar provided students with foundational knowledge of financial planning and investment strategies, enabling them to make informed decisions at an early stage.

Outcome: Improved financial awareness and decision-making skills.

GUEST LECTURE ON BEING INDUSTRY READY

A seminar titled *"A Talk on Being Industry Ready"* was organized for BMS and BAF students on **11th July 2024**. The resource person, **Mr. Pinanshu Champaneri**, an alumnus and HR professional, shared valuable industry insights.

BAMMC A TALK ON STORYTELLING IN DOCUMENTARIES

The session covered resume building, interview techniques, skill development, and understanding industry expectations. Students actively participated in discussions and clarified their doubts.

Outcome: Students gained clarity on career preparation and industry requirements.

ALUMNI-LED CASE STUDY COMPETITION

The Department of BMS organized a competition titled *"Decode & Deliver: The Case Quest"* on **22nd January 2025**. The event was judged by alumna **Ms. Rupali Ekbote**.

Students demonstrated analytical and problem-solving skills through real-world case studies. Winners were awarded medals and certificates.

Outcome: Strengthened critical thinking, teamwork, and decision-making abilities.

BCOM A TALK ON INVESTMENT STRATEGIES

OUTDOOR MANAGEMENT TRAINING PROGRAMME

A one-day Outdoor Management Training Programme was conducted on **19th December 2024** at Sanjay Gandhi National Park for B.Com (MS) and SYBAF students. The session was facilitated by alumnus **Mr. Nikhil Velari**, a corporate trainer.

Through experiential learning activities and team-based exercises, students developed interpersonal skills, leadership qualities, and adaptability.

Outcome: Enhanced teamwork, communication, and leadership skills.

BMS A CASE STUDY ANALYSIS COMPETITION

ALUMNI SESSION ON CAREER IN TECHNOLOGY

The Department of B.Sc. (Computer Science) organized an online alumni session titled *"Experience Unpacked: Insights from Alumni"* on **20th September 2024** via Google Meet.

The speaker, **Mr. Lokesh Bharti**, a Full Stack Developer based in Toronto, shared his journey, discussed current technology trends, and guided students on skill development and networking.

Outcome: Students gained industry-relevant technical insights and career guidance.

SEMINAR ON BRIDGING ACADEMIA AND INDUSTRY

The Alumni Association conducted a seminar

titled *"Academics vs Action Needed: Bridging the Gap between Studies and Industry Reality"* on **29th January 2025**.

The session was led by **Mr. Vaibhav Agrawal**, an accomplished alumnus and industry expert. He provided practical insights into career chal-

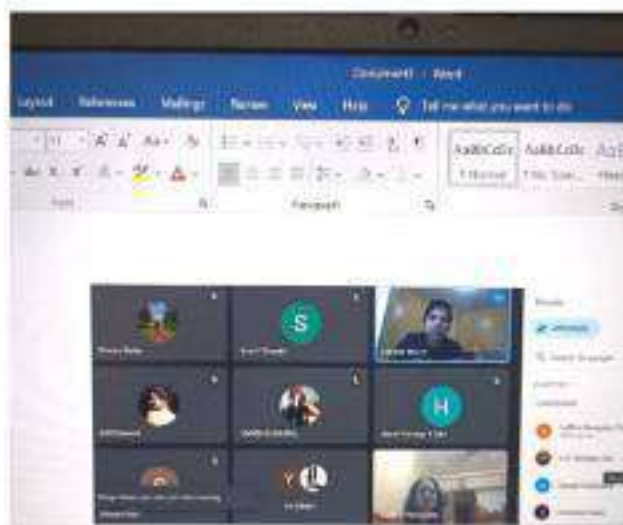

lenges, industry expectations, and personal growth strategies.

Outcome: Students developed a realistic understanding of industry dynamics and career pathways.

The alumni initiatives conducted throughout the academic year played a significant role in enriching students' academic experiences. These sessions not only provided practical exposure but also inspired students through real-life success stories of alumni. The continuous engagement with alumni strengthens the institution's academic ecosystem and prepares students to face real-world challenges with confidence.

BMS A TALK ON BEING INDUSTRY READY

BSCIT EXPERIENCE UNPACKED

BMS AND BAF OUTDOOR MANAGEMENT TRAINING PROGRAMME

COMMERCE & ACCOUNTANCY ASSOCIATION

*"An investment in knowledge pays the best interest."
– Benjamin Franklin*

The Internal Quality Assurance Cell and the Department of Accountancy at Nirmala Memorial Foundation College of Commerce and Science, in collaboration with the WIRC of ICAI, organized a National-Level Online Faculty Development Programme titled **"Unleashing Financial Insights: Deliberations Over Contemporary Issues"** from Monday, 3rd March to Saturday, 8th March from 11.30 a.m onwards. The aim was to upgrade the teaching, training and research skills of accountancy teachers. The FDP was designed to explore critical topics and analyse recent reforms, evaluate fiscal policies, and explore methodologies for detecting and preventing financial fraud.

The resource persons were Chartered Accountants and experts in their respective fields. Topics like Use of AI in Accounts and Finance, Forensic Audit, Budget Provision, etc. were covered which are very relevant to the current scenario. There was a Question-Answer round after each session and the participants enthusiastically asked their doubts. Each session concluded with a vote of thanks to the resource person, WIRC of ICAI and the management of the college. A total of 66 participants from various states like Maharashtra, Karnataka, Odisha, UP, Tamil Nadu, etc., benefitted from the programme.

HIGHLIGHTS OF EACH DAY

Day 1

The programme began with an inaugural session where the Convenor, CA. Diya Mukherjee emphasized on the purpose of conducting the FDP and introduced the dignitaries. The Principal addressed the participants followed by some words of wisdom imparted by the newly appointed Chairperson of WIRC of ICAI.

The Resource Person, CA. Virag Shah, spoke on the topic **Use of AI in Accounts and Finance** where he highlighted the impact of AI on accounting and changing roles and critical skills required by accountants. He showed the various tools that can

be used by accountants, researchers and faculties like ChatGPT, Gamma, etc. and the methods of using them effectively. He concluded the session with these words of wisdom, "AI won't replace accountants, but accountants who use AI will replace those who don't."

Day 2

CA. Henik Shah in his session on **Tally ERP and its Automation** provided insights into the software's advanced features, including automated accounting, GST compliance, and financial reporting. He demonstrated how automation in Tally streamlines business operations, reduces

manual errors, and enhances efficiency. The session also covered real-world applications, highlighting its significance for businesses in managing accounts seamlessly.

Day 3

CA. Nihar Dharod conducted a session on **Latest Developments in GST** where he introduced the participants to recent amendments in GST, compliance requirements, and their impact on businesses. He discussed key changes, including e-invoicing updates, ITC regulations, and sector-specific implications. The session highlighted the need for businesses to stay updated to ensure smooth operations and compliance.

Day 4

CA. Shardul Shah in his topic **Prevention of Money Laundering Act** raised awareness about legal provisions, compliance requirements, and recent amendments. He discussed the impact of money laundering on the economy and the role of financial institutions in curbing illicit transactions. The session emphasized stringent enforcement, penalties, and best practices for businesses to prevent financial crimes. The seminar concluded with a Q&A session, addressing participants' queries on regulatory compliance.

Day 5

The session on **Forensic Audit** by CA. Vishal Khade provided an insightful overview of its role in detecting financial fraud and ensuring corporate transparency. He discussed key techniques, legal frameworks, and case studies highlighting forensic accounting practices. The session emphasized the importance of forensic audits in corporate governance, fraud risk management, and regulatory compliance. Attendees gained practical knowledge on investigative methodologies and emerging challenges in forensic auditing.

Day 6

The seminar on the **Overview of Budget 2025-26** by CA. Chintan Vasani provided insights into key policy changes, economic priorities, and fiscal allocations. He discussed the government's focus on infrastructure, digital economy, and social welfare, highlighting tax reforms and growth projections. The session also addressed the various types of incomes, their exemptions and deductions. Overall, it was an informative discussion on the nation's financial roadmap.

Ms. Avis D'Cunha
(Convener)

"Culture is the arts elevated to a set of beliefs."
 – Thomas Wolfe

The Cultural Committee of our college played an instrumental role in shaping a vibrant and inclusive campus atmosphere throughout the academic year 2024–25. With a blend of creativity, celebration, and cultural awareness, a series of thoughtfully curated events brought students together, offering them a platform to express their talents and connect beyond classrooms.

CHOCOLATE DAY AND TWINNING DAY

Date: Saturday, 6th July, 2024

The year began on a delightful and sweet note as the college celebrated Chocolate Day. Students exchanged chocolates, shared smiles, and bonded over a common love for treats. Alongside, Twinning Day added a playful charm, with students turning heads by coordinating their outfits with friends, symbolizing the joy of friendship and unity.

**TALENT SPECTRUM:
 CELEBRATING DIVERSITY IN SKILLS**

Dates: Friday, 26th & Saturday, 27th July, 2024

This two-day talent hunt event turned the spotlight on the diverse and dynamic talents within our student body. From soulful singing and energetic dancing to stand-up comedy and artistic displays, "Talent Spectrum" was a celebration of individuality, creativity, and confidence. It not only encouraged performers but also inspired spectators to explore their own unique abilities.

FRIENDSHIP WITH MISMATCH DAY

Date: Tuesday, 30th July, 2024

A light-hearted and visually amusing celebration, Mismatch Day encouraged students to break fashion norms and embrace quirky, mismatched outfits. It served as a reminder that friendship is about embracing differences, and often, imperfection can be fun too!

HINDI DIWAS

Date: Saturday, 14th September, 2024

To promote linguistic pride and cultural heritage, Hindi Diwas was marked with literary events such as poetry recitations, elocution, and essay competitions. The activities highlighted the richness and expressive power of the Hindi language, inspiring students to appreciate and preserve their linguistic roots.

RETRO BOLLYWOOD DAY

Date: 5th December, 2024

Students and faculty took a nostalgic trip down memory lane by donning the iconic styles of retro Bollywood. With classic songs in the air and dramatic flair in attire, the campus sparkled with old-school Bollywood charm, offering a delightful blend of fashion and fun.

TRADITIONAL DAY

Date: 7th December, 2024

This event was a vibrant showcase of India's diverse cultural heritage. Students came dressed in colorful traditional attire, representing various regions and customs. It was a day of ethnic pride, complete with folk music, dance, and a sense of unity in diversity.

NIRVAAN 2024-25 – THE INTERCOLLEGIATE CULTURAL FEST

Dates: 9th & 10th December, 2024

Nirvaan, our flagship intercollegiate cultural fest, saw enthusiastic participation from colleges across the city. A grand platform for competition and collaboration, the fest featured events across performing arts, fine arts, literary arts, and more. The two days were packed with energy, creativity, and unforgettable performances that strengthened inter-college relations and celebrated the spirit of youth.

CHRISTMAS TREE DECORATION COMPETITION – “JINGLE ALL THE WAY: CHRISTMAS TREE DESIGN BATTLE”

Date: Thursday, 19th December, 2024

Spreading festive cheer, teams competed to design the most creative Christmas trees. With twinkling lights, handmade ornaments, and unique themes, the event transformed the

college into a winter wonderland, reminding everyone of the joy of celebration and teamwork.

WESTERN OUTFIT DAY

Date: Monday, 23rd December, 2024

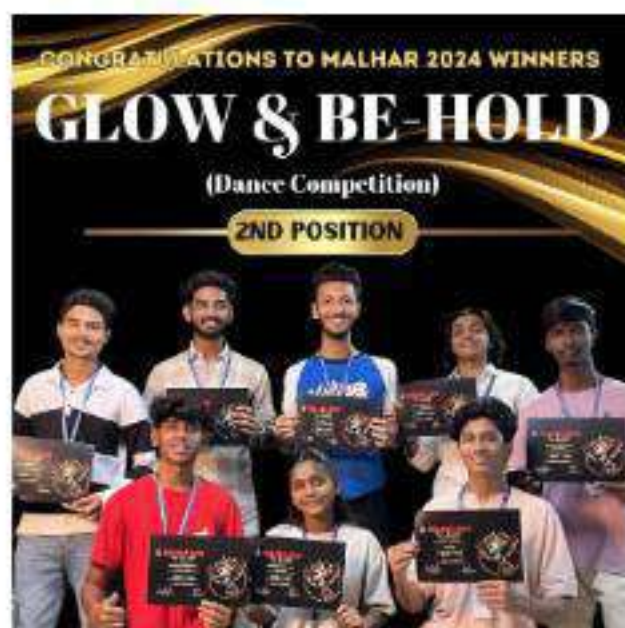

As the semester came to a close, students celebrated Western Outfit Day, bringing contemporary fashion to campus. From casual chic to classy formal, the event offered students a chance to express their personal style with flair.

ANNUAL DAY – BOLLYWOOD EXTRAVAGANZA

Date: 7th January, 2025

The cultural calendar concluded with our much-awaited Annual Day, themed "Bollywood Extravaganza." A grand showcase of student talent, the evening featured vibrant dance performances, soulful music, drama, and recognition of achievements across academic and co-curricular domains. It was a perfect celebration of the hard work, passion, and spirit that defined the year.

The Cultural Committee of 2024–25 successfully crafted a year filled with creativity, connection, and cultural richness. Each event was an opportunity for students to engage, express, and excel beyond academics. The consistent support from faculty, the leadership of the committee members, and the enthusiastic participation of students made this academic year truly memorable. The committee looks forward to building on this success and creating even more enriching experiences in the years to come.

CULTURAL INTERCOLLEGIATE EVENTS WINNERS

Intercollegiate Level	University Level	State Level	National Level	Total
56	02	-	04	62

SUMMARY OF CULTURAL INTERCOLLEGIATE WINNINGS

The academic year 2024–25 was a remarkable one for our students, who brought laurels to the college across various platforms. At the intercollegiate level, students secured an impressive 56 wins, showcasing their talent in a wide range

of cultural competitions. Additionally, they achieved 2 victories at the university level and 4 accolades at the national level, further affirming their excellence and dedication. With a total of 62 awards, the year stands as a proud testament to the hard work, creativity, and competitive spirit of our students.

DEPARTMENT OF LIFELONG LEARNING AND EXTENSION (DLLE) 'REACHED TO UNREACHED'

"Learning is a treasure that will follow its owner everywhere."

– Confucius

The Department of Lifelong Learning and Extension **DLLE Unit** serves as a vibrant platform where students can explore their potential, imbibe holistic skills and contribute to the society through participation in activities that truly enrich the learning experience. In pursuit of its objectives, the **DLLE Unit** organized and conducted a diverse range of activities during the **Academic Year 2024–25**, which are recounted below:

ORIENTATION PROGRAM

The DLLE Unit of the college commenced its activities with an Orientation Program on Monday, 29th July, 2024 inviting learners from all programs to enrol as DLLE members. The Orientation started at 11.00 a.m. DLLE Extension Incharge Ms. Neelam Patil and professor members Ms. Rhucha Patil and Mr. Akash Varma gave the learners relevant information about the gist, objectives and procedures of the Institution's DLLE Unit along with a glimpse into the activities carried out by the DLLE Unit in the preceding years. Updates about the new system and plans for the current academic year were also shared during the session. 60 learners were present in the Orientation Program.

NO WAR, NO VIOLENCE

NSS Unit organised a seminar, No War, No Violence- Third World March for Peace and Non-Violence on Monday, 12th August, 2024 in the college. The DLLE Unit marked active participation in the event and made a commitment to partake in related activities in the future. Rukaiya Joshi, Chief Functionary, Retired Professor and Chairperson of the Centre for

Education in Social Sector (CEdSS) at S.P Jain Institute of Management and Research, was the Resource person of the seminar.

She enlightened the attendees on the horrors of war and violence plaguing the world. She also spoke about the necessity of spreading awareness about shunning war and violence among the impressionable minds. 43 DLLE

NO WAR, NO VIOLENCE HELD ON 12/08/2024

Unit members alongside NSS members attended the programme.

JOY OF GIVING

The DLLE Unit joined hands with ICT (Indralok Core Team) Foundation and Making the Difference Charitable Trust for the Joy of Giving school kit distribution programme held on Sunday, 11th August, 2024 in Bhayandar. The ICT Foundation's core team forefronts a range of CSR initiatives like ICT Paathshaala which include service, community development programs, environment conservation and more. The Joy of Giving school kit distribution

programme was one such step taken towards facilitating basic means for education for the underprivileged kids. The programme, conducted at ERK Cricket Turf in Bhayandar, saw 26 DLLE members from NMFC participate in the programme.

ICT JOY OF GIVING KITS DISTRIBUTION

POSTER MAKING COMPETITION

The DLLE Unit of the college organized a poster making event for student members of the DLLE Unit on Wednesday, 14th August, 2024. The theme for poster making was global warming. Participants were asked to portray their own interpretations to bring out the critical relevance of this subject, which is a very sensitive topic in today's age. 14 participants took part in poster making. They showcased their creative brilliance as they conceptualized, drew, shaded and painted the topics chosen by them. It was an enlightening experience for all the participants to express their impressions of global warming.

POSTER MAKING AT SARAF COLLEGE

AWARENESS ON AUTISM SPECTRUM

The DLLE Unit organized a Workshop titled Awareness on Autism Spectrum on Saturday, 31st August, 2024. Certified teachers and volunteers present gave in-depth information and shared some startling facts about the condition. They gave vivid audio visual and live demonstrations to depict the actual experiences that people with autism have. They also dispelled common myths about children and adults who have autism. The speakers also urged the attendees to be empathetic towards people who have this condition, and gave guidelines for treating them with respect and value. 41 DLLE Unit members were present for the workshop.

AUTISM WORKSHOP

POSTER MAKING COMPETITION

The Students' Council of Ghanshyamdas Saraf College of Arts & Commerce, Malad West, organised a poster making competition at their campus on Monday, 02nd September, 2024.

POSTER MAKING COLLEGE

Four members of the DLLE Unit represented our college in the event. The topics for the competition included: "FESTIVAL" " SPORTS" " SOCIAL AWARENESS" " WOMEN AND CHILD SAFETY" The competition gave the students a promising platform to explore socially relevant issues and spread awareness about them in their own way.

OLD AGE HOME VISIT

The DLLE Unit of the college undertook visits to Shree Nityanand Ashram, an old age home established in Kashimira, Mira Road, in Thane to reach out to the senior citizens residing there and make a special difference on one day for them. The objectives of the visit were to reach out to the elderly residents in the old age home, , and also to sensitise youngsters about the hardships and pain they experience. Three separate batches of DLLE members eager to volunteer for the elderly were created on 14th September, 2024, 05th October, 2024 and 25th October, 2024.

OLD AGE HOME VISIT

The number of participants on all the three days are as under:

14th September, 2024	27 members
05th October, 2024	09 members
25th October, 2024	25 members

On all the three days, the DLLE members regaled the senior residents with delightful stories, reading sessions, which eventually turned into sharing life experiences and emotional moments for everyone.

SNEHA MILAN

Sneha Milan, the annual exhibition-cum-sale exclusively for the specially abled individuals was organised on 01 October, 2024 by DLLE where the specially abled entrepreneurs showcase and sell their handcrafted products at NMFC. The event commenced with a ribbon cutting ceremony at 9.00 a.m. at the hands of the esteemed dignitaries and representatives from the Lions Club of Mumbai, Mahavir Nagar.

SNEHA MILAN

This year, the emphasis was on enabling the participants and NGOs associated with them to cater to customers for the approaching festive season. The array of products this time included a special edition of stunning decorative items like toran, diyas, incense sticks, candles, aarti thalis, etc. Accessories, daily use household items, perfumes, bags, bedsheets, spices, pickles and more also featured adjacently to the products up for sale. A counter offering foot massage, stalls selling food items and snacks, and live musical performances by the talented artists with special needs were a part of the event. Each stall had a student as a volunteer from the DLLE, who assisted the entrepreneurs throughout the day, till their departure. The NSS Unit members also extended their support to the cause throughout the event. The entire proceeds of the event went to the participants.

ELECTION LITERACY CAMPAIGN

The DLLE Unit of the college organized an Election Literacy campaign to create awareness about the importance of voting on Thursday, 14th November, 2024 as per the directions of the University of Mumbai's DLLE Unit. The DLLE Unit members drew the attention of all the passersby and visitors to urge them to vote. The objective of the activity was to raise awareness about the importance of exercising their franchise. A signature campaign wherein each visitor took the Voters' Pledge and gave their signature was also conducted. Posters highlighting the importance of voting were also displayed at the venue. Over 300 signatories took the pledge and gave their signatures to make a commitment to cast their votes in every election in the future. 36 DLLE members participated in the activity.

INDIA'S CONSTITUTION DAY

The college observed India's Constitution Day on 26 November, 2024 to mark respect for the Constitution of India, symbol of our nation's sovereignty, justice, equality and fraternity. As per the guidelines of Mumbai University's DLLE Unit, the Preamble of the Constitution was to be read out in unison at the campus. The DLLE Unit of the college assembled at the venue and along with students from all programs, sol-

emnly read the Preamble. 16 DLLE students were present to oversee the activity, which was attended by 35 students. Celebrating India's Constitution Day has been a step enhancing awareness and upholding the sanctity of the Constitution among the youth, who are tomorrow's future.

ESSAY WRITING COMPETITION

The DLLE Unit organised an Essay Writing Competition for its registered members on Friday, 13 December, 2024 at the campus. The competition, which commenced at 11.00 a.m., served as a platform for the participants to express their insights on key factors impacting the society and individuals. Violence against Women, Water Harvesting, e-waste Management and Consumer Awareness were some of the topics stipulated for the event, in keeping with the official DLLE guidelines. 15 participants took part in the competition. The Judge for the competition was Ms. Khushali Arnde, Assistant Teacher, Department of English. Following participants were adjudged as winners of the competition:

Shamika Chavan	FYBAF Div. A	I Position
Jinal Dhanawade	FYBAF Div. A	II Position
Latika Bhandary	FYBAF Div. B	III Position

PPT PRESENTATION COMPETITION

The DLLE Unit held the PPT Presentation Competition for registered members on Thursday, 19th December, 2024 from 11.00 a.m. The participants came together to voice

PPT MAKING COMPETITION

their views on critical topics that included Consumer Awareness (Act 2019)- Need and Importance, Banking procedures, First Aid Awareness, Election Literacy, Laws Protecting Women and The Need for Gender Equality in India. Four groups of participants took part in the competition. Group 1, comprising was declared the winner. Following participants, part of Group 1, were adjudged as winners of the competition:

Shamika Chavan	FYBAF Div.A
Latika Bhandary	FYBAF Div.A
Swanandi Salunkhe	FYBAF Div.A

All the participants gave informative, engaging and well-researched presentations that showcased their understanding and insights.

SAIRAJ CHARITABLE TRUST FOOD KITS DISTRIBUTION

The DLLE Unit on Saturday, 28 December, 2024 joined forces with Sairaj Charitable Trust for a food ration and essentials kits distribution event in Dahisar to the specially abled and visually challenged individuals. 20 DLLE Unit members actively volunteered in the event where they helped the organization by serving breakfast to the beneficiaries and then distributing food ration and essentials kits along with

SAIRAJ CHARITABLE TRUST VOLUNTEERING

til gudd as sweet. The kit also comprised masks, head covers and gloves which come in handy for the recipients. 120 kits were distributed in the event.

TATA MUMBAI MARATHON

Tata Mumbai Marathon 2025 was held on Sunday, 19 January, 2025 this year with close to 65,000 participants. A number of seasoned runners from global level besides several prominent personalities and citizens from many walks of life also participated in the marathon. The DLLE Unit of NMFC, in collaboration with Making the Difference Charitable Trust, volunteered in the marathon with a view to creating awareness about health, fitness and relevant issues in the society. 26 members of the DLLE Unit volunteered for the Marathon this time. They supported various causes, like the necessity for banishing the stigma attached with menstruation, and the need for sensitising people about it. The volunteers

TATA MARATHON VOLUNTEERING

displayed placards and posters, and some even dressed for the occasion.

REPUBLIC DAY

The DLLE Unit, along with sister concern of the institution, observed Republic Day at the college campus on Sunday, 26th January, 2025. The Constitution of India came into effect way back on 26th January, 1950. It remains a glittering milestone in the history of our great nation. Members of the DLLE Unit, 25 in all, gathered at the campus before 7.30 a.m., brimming with great enthusiasm, happiness and pride for our country. They extended full support in the organization of the Republic Day programme, participated eagerly and also celebrated the festive spirit of the occasion. The tricolour was unfurled by the dignitaries during the ceremony. The customary Parade followed, along with cultural programmes that included speeches, patriotic songs and dance performances.

INDEPENDENCE DAY CELEBRATIONS

UDAAN

UDAAN the Flight of Extension, the zonal Annual Extension Work Festival organised by the DLLE Unit of Mumbai University, was held on Monday, 10 February, 2025 at KES, B. K. Shroff College of Arts & M. H. Shroff College of Commerce, (Autonomous), Kandivali this year.

As always, the DLLE Unit members of our college participated in the fest enthusiastically and brought laurels to the college, as Ms. Latika Bhandary from FYBAF Division B, secured the

UDAAN FESTIVAL

third prize in the Creative Writing Competition. UDAAN is the inspirational cultural and socially relevant manifestation of DLLE extension work conducted in a decentralised manner in Mumbai and surrounding areas annually. Competitions like street play, poster making, elocution, Powada singing and creative writing are conducted under its banner. It serves as a platform for the youth to explore their potential present thought-provoking messages about social issues and showcase their skills. Our college did its bit wholeheartedly by working hard and being a part of the fest.

WASTE MANAGEMENT PROGRAM

DLLE Unit members of Nirmala Memorial Foundation College of Commerce and Science took a step towards creating a cleaner and healthier surroundings in the society by joining hands with Making the Difference (MTD) for their upcoming Waste Management Program. MTD, the NGO with which the institution has an MoU, organised a grand inauguration function

on Tuesday, 18th February, 2025 in Mira Road from 8.30 a.m. under Project Shoonya for waste management in Mira Bhayander. The entire endeavour will comprise creating awareness and initiatives like door-to-door campaigns schools and youth engagement programs, installing public segregation bins, distribution of segregation bins and more. 12 DLLE Unit members attended the function, where they gathered relevant details about the project and gained in-depth knowledge about several waste management techniques.

HINDI DIWAS CELEBRATION

SURVEY ON ENVIRONMENT SUSTAINABILITY

The DLLE Unit of the college undertook a socially relevant initiative of conducting a survey on Environment Sustainability. 19 DLLE members took part in conducting the survey, which is one of the causes that DLLE is wholeheartedly dedicated to. The DLLE members met citizens across different categories in their vicinity as well as other locations. The topics in the survey helped the members record details

MAKAR SANKRANTI VOLUNTEERING

of what the interviewees do to conserve energy, how they travel and their views on aspects like packaging they prefer while purchasing things. 347 responses have been recorded in this survey activity. People were enthusiastic while responding to the survey, and it was an enlightening experience for the DLLE members also.

ECO-FRIENDLY GANESHA EXHIBITION AND AWARENESS DRIVE

The DLLE Unit members of our college extended their support to Making the Difference NGO, Mira Bhayandar Mahanagar Palika and Vihaan Foundation by volunteering for an Eco-friendly Ganesha Exhibition and Awareness Drive, Eco Mangalmurti Season 2, on Sunday, 02nd March, 2025.

The exhibition and awareness drive, held at a grand scale at Appasaheb Dharmadhikari Banquet Hall in Mira Road, comprised a host of initiatives like an exhibition, a documentary

ENTREPRENEURSHIP DEVELOPMENT CELL

"An entrepreneur is someone who jumps off a cliff and builds a plane on the way down."

– Reid Hoffman

To commemorate International Chocolate Day, Entrepreneurship Development Cell (EDC) organized **"Chocolate Fiesta: A Chocolate Creativity Competition"** on **Saturday, 6th July 2024** at the college basement to inculcate business skills among the students. The objective was to promote entrepreneurial skills among the students through the chocolate fiesta in which **23 stalls** were put up by students from FY, SY & TY from all the programmes to sell handmade chocolates and various delicacies of Chocolates, Cold coffee, Pastries, Brownies and a lot more.

Ms. Pooja Desai, a passionate connoisseur of fine chocolates was the judge for the event.

On account of National handloom day, a seminar on "Sustainable fashion: Business Start up ideas for students" was conducted on 14th August, 2024. The session helped the students to educate the students about sustainable fashion and to help them uncover the business opportunities in the field of fashion.

The Entrepreneurship Development Cell organised a captivating competition entitled 'Pitch Your Product: Leveraging the 4P's of

Marketing Mix', on 28th January, 2025. This dynamic challenge invited students to unleash their entrepreneurial spirit by crafting innovative product concepts, meticulously orchestrated around the cornerstone principles of the marketing mix: Product, Price, Place, and Promotion. The competition served as a vibrant platform for students to hone their entrepreneurial acumen, showcasing their unique product ideas and demonstrating their ability

to strategically leverage the 4Ps to achieve market dominance.

Entrepreneurship Development Cell under the MOU with CareerBeam Vigor Launchpad arranged workshop titled: Entrepreneurial Mindset and Startups: Insights into developing an entrepreneurial mindset and starting a business on 27th February 2025 at 11:00 am in Mini Auditorium.

The event was organized to provide participants with practical knowledge and inspiration to foster entrepreneurship. The event emphasized the importance of resilience, creativity, and networking. As an outcome, attendees were empowered with practical knowledge and resources to turn their business ideas into actionable plans, fostering a community of future entrepreneurs ready to contribute to economic growth and innovation. Total 34 students benefited from the seminar.

ENGLISH LITERARY ASSOCIATION

"Reading is to the mind what exercise is to the body."
– Joseph Addison

The **English Literary Association** organized a series of engaging activities during the academic year **2024–25** to encourage creativity, language skills, and self-expression among students.

On **03rd and 04th July 2024**, the English Literary Association organized **English Fest for First Year learners of all programmes**. The event was designed as an icebreaker to warmly welcome students to the degree college and encourage their participation in language-based activities. Over the span of two days,

students enthusiastically participated in engaging activities such as Unscramble the Words, Chinese Whispers, Translation of Sentences, and a Bonus Round that involved identifying Hindi cinema songs written in English. The event created an interactive learning environment and helped students develop their language skills while building confidence and camaraderie among peers.

On **12th August 2024**, the English Literary Association also organized an **Essay Writing Competition and Open Mic Competition in**

ENGLISH FEST

ENGLISH FEST

ENGLISH FEST

ENGLISH FEST

ENGLISH FEST

English, Hindi, and Marathi. The Essay Writing Competition was held in Block No. 706 on the theme "Youth Day," where participants were given 30 minutes to write an essay of 250 words. The judges were Mrs. Jyoti Lalwani, and Ms. Bhavana Singh. A total of 46 students participated, presenting diverse perspectives and ideas. The Open Mic Competition was conducted in Block No. 707. The judge for the event was Mrs. Sushma Lopes. The event provided students with a platform for self-expression through various forms of creativity, and **10 students** participated enthusiastically, making the event lively and engaging for the audience.

OUTCOME

The activities organized by the English Literary Association successfully encouraged students to actively participate in literary and language-based events. The programmes helped students enhance their communication skills, creativity, and confidence in expressing their ideas. They also provided a platform for students to showcase their writing, speaking, and creative talents in multiple languages. Overall, the events fostered teamwork, critical thinking, and enthusiasm for literary activities, while creating an engaging and interactive learning environment for the students.

GUJARATI ASSOCIATION

"Rooted in tradition, rising with pride — that is the spirit of Gujarat."
– Mahatma Gandhi

A Gujarati Association helps preserve and promote the Gujarati language, literature, and cultural heritage among students. Through activities such as elocution, debates, poetry recitation, Garba, and traditional art competitions, it encourages students to stay connected with their mother tongue and cultural identity. It also helps develop communication skills, creativity, leadership, and confidence. In a diverse campus environment, the association promotes cultural exchange and unity in diversity, contributing to the overall personality and cultural development of students.

VIBRANT GUJARAT: AARTI THALI, SALAD DECORATION & GARBA COMPETITIONS

The Gujarati Association celebrated cultural traditions through **"Vibrant Gujarat"** on 28 September 2024, featuring **Aarti Thali Decoration, Salad Decoration, and Garba competitions**. The competitions were judged by Mrs. Asmita Dabholkar (Fine Arts specialist) and Ms. Janvi Jagda (Garba trainer).

- Aarti Thali Winners: Kanishka Mandal (1st), Saumya Upadhyay (2nd), Vikas Yadav (3rd).
- Salad Decoration Winners: Karan Choudhary (1st), Jinal Dhanawade (2nd).
- Garba Awards: Best Costume – Kunal Mitalia & Shreya Yadav; Best Dancer – Krish Lalan & Durva Panchal.

LIBRARY ADVISORY COMMITTEE

TODAY A READER, TOMORROW A LEADER

Margaret Fuller — an American journalist, editor, critic, translator, and women's rights advocate.

The **Library Advisory Committee** plays a crucial role in supporting the effective functioning and development of the library. It acts as a bridge between the library administration and its users—students, faculty, and researchers—by identifying their academic and information needs. The committee helps in recommending policies, improving library services, and ensuring that the library resources remain relevant to the institution's teaching, learning, and research objectives.

Through regular meetings and suggestions, the committee assists in decisions related to the selection of books, journals, digital resources, and the modernization of library facilities. By promoting the optimum use of library resources and encouraging a reading and research culture, the Library Advisory Committee contributes significantly to enhancing the overall academic environment of the institution.

THE LIBRARY ADVISORY COMMITTEE ORGANISED THE FOLLOWING EVENTS IN THE COURSE OF THE ACADEMIC YEAR 2024-25:

NATIONAL READING DAY

The Library Advisory Committee celebrated National Reading Day on Wednesday, 19th June, 2024. It is a day that honours the life and work of P. N. Panicker, who is widely regarded as the Father of India's Library Movement. A book exhibition was organised showcasing a wide range of genres, including fiction, non-fiction, biographies, and academic texts. The exhibition featured books from various cultures and languages, promoting inclusivity and a

global perspective on literature. Students browsed through the books and shared their insights on them. The event saw enthusiastic participation from both students and teachers of various programmes. A total of 50 students benefited from the event.

TWO-DAY BOOK EXHIBITION EVENT

The Library Advisory Committee organised a two-day Book Exhibition event for learners of all programs on Monday, 08th July and Wednesday, 10th July, 2024.

The exhibition was declared open at 09.00 a.m. with the inauguration by Dr. Poonam Kakkad, Vice-Principal, Co-ordinator of the IQAC, BAF and BMS Departments. The attendees and visitors eagerly browsed through the books, journals, magazines and other publications on both the days.

Treasure Hunt, an ever-popular and stimulating activity that tests one's presence of mind, reasoning ability and agility, was conducted on Day 1. Participants were given clues hidden in secretive nooks and asked to unravel them in the library. 76 learners visited the book exhibition on Day 1.

On Wednesday, 10th July, 2024, an informative documentary on Augmented Reality was shown in the College Library as part of documentary screening. Two sessions of screening were held to accommodate all the learners. A total of 124 learners were present for the screening for both the sessions. A Total of 200 learners benefitted from all the programs.

CERTIFICATE DISTRIBUTION CEREMONY

The Library Advisory Committee organized a Certificate Distribution Ceremony on Saturday, 3rd May, 2025 to felicitate the Top Readers and Top Issuers for the academic year 2024-2025. Following faculties and students were awarded by the Principal:

TOP READERS

Ms. Chanchal Ray - T.Y.B.Sc.IT
Dr. Archana Shrivastava - Faculty

TOP ISSUERS

Ms. Krishna Joshi - T.Y.B.Com (A&F)
Ms. Khushbu Upadhyay - Faculty

KEY TAKEAWAYS FROM THE ACTIVITIES CONDUCTED BY THE LAC IN THE ACADEMIC YEAR 2024-25

- The various activities encouraged students to actively engage with books and develop a stronger interest in reading and learning.
- These initiatives created an interactive and enriching environment that motivated learners to explore knowledge beyond textbooks and appreciate the value of libraries in academic growth.
- The programmes also helped students become more aware of the diverse resources and services available in the library, including digital and online resources that support their academic and research needs.

MARATHI MOVIE SCREENING

Date: 18th February, 2025

The screening of "Pawankhind" served as a powerful reminder of Chatrapati Shivaji Maharaj's legacy and the sacrifices made by Maratha warriors. The screening aimed to pay tribute to Chatrapati Shivaji Maharaj, educate students about his life and times through the cinematic medium, and foster an appreciation for historical narratives. The event garnered enthusiastic participation from the students, with 81 attendees.

READ-O-METER ACTIVITY FOR MARATHI BHASHA DIN

Date: 27th February, 2025

The Read-O-Meter activity was an exciting classroom exercise that aimed to bring students closer to the Marathi language. Each participant was given a Marathi book and instructed to read a specific paragraph aloud continuously. The goal was to demonstrate fluency and proper pronunciation while reading. Class to class activity was conducted.

NATIONAL SERVICE SCHEME (NSS UNIT)

NSS MOTTO: "NOT ME, BUT YOU"

"The purpose of life is not to be happy. It is to be useful, to be honorable, to be compassionate."

– Ralph Waldo Emerson

The National Service Scheme (NSS) at Nirmala Memorial Foundation College of Commerce and Science has once again lived up to its motto – **Not Me, But You**. The year 2024–2025 was marked by impactful outreach, community development, environmental sustainability, health awareness, and value-driven engagements across four key area-based projects: Snehaadhar, Prakruti Mitra, Aarogya Seva, and Nirmal Sagar.

SNEHAADHAR – SPREADING CARE WITH PURPOSE

From assisting communities to empowering underprivileged children, Snehaadhar focused on spreading compassion and meaningful support.

- Shramdaan at Govardhan Eco Village (5th May 2024): 17 volunteers immersed themselves in service, helping prepare food for the community.
- Compost Donation (5th May 2024): 25 kg of compost, prepared by volunteers, was distributed to farmers to promote organic

farming.

- Teaching in Poisar (Regular Activity): A group of dedicated volunteers taught children in the adopted slum area, nurturing the future of our nation.
- Anti-Drug Abuse Session (19th July 2024): An awareness campaign in collaboration with Nashabandi Mandal impacted over 60 students.
- Raksha Bandhan with a Message (16th & 20th August 2024): Volunteers handcrafted rakhis and celebrated the festival with a drug-free India theme.
- Gender Sensitization Session (5th September 2024): A massive awareness session with Child Help Foundation was attended by over 1,000 people.
- Notebook Donation Drive (25th September 2024): Volunteers distributed notebooks and stationery at Samata Vidya Mandir.
- Sneh Milan & Compost Stall (1st October 2024): An exhibition for specially-abled individuals also featured a compost distribution stall.

- Cyber Awareness Workshop (7th October 2024): Educated 39 students about online safety and fraud prevention.
- Diwali Donation Drive (30th October 2024): Essentials and food grains were collected and donated to needy families.
- Republic Day with Tribal Community (26th January 2025): Volunteers celebrated with tribals at Kalmacha Pada village through activities and street plays.
- Share with Care: Volunteers distributed clothes and meals, fostering humanity and kindness.

PRAKRUTI MITRA – FOR A SUSTAINABLE TOMORROW

Focused on environmental preservation, this project brought together passionate volunteers working towards an eco-friendly society.

- Plastic Collection (Weekly, April onwards): Volunteers regularly collect plastic waste to promote responsible disposal.
- Organic Waste Management (Regular

- Activity): Four bins maintained for composting organic waste throughout the year.
- E-Waste Submission (Regular Activity): Disposed of electronic waste safely through certified recyclers.
- Fertilizer Distribution in Hamrapur (5th May 2024): Donated organic fertilizers to encourage sustainable agriculture.
- Cleanliness & Tree Plantation at Borivali Court (3rd-5th June 2024): 60 lemon trees planted after thorough cleanup.
- Cardboard & Plastic Recycling (7th June 2024 onwards): Weekly drives emphasized mindful recycling practices.
- Cleanup & Tree Plantation at SGNP (2nd

October 2024): A significant step toward conserving the national park's environment.

- E-Waste Collection Drive (Regular Activity): Raised awareness about electronic waste disposal.
- Paper Bag Making & Distribution (June–September 2024): Eco-friendly bags were made and distributed in the community.
- Eco-Friendly Ganpati Immersion (20–25th Sep 2024): Volunteers ensured environmentally safe idol immersions.
- Compost Packing : Compost prepared was packed for use by farmers and residents.

AAROGYA SEVA – FOR A HEALTHIER SOCIETY

Health and safety were at the forefront with Aarogya Seva initiatives, focusing on community well-being and emergency preparedness.

- Blood Donation Camps (31st July & 28th Jan 2025): A total of 456 blood bags collected, saving countless lives.
- Eye Check-Up Camp (4th–5th Nov 2024): Free vision screenings conducted for the community.

- CPR Training (30th Nov 2024): Volunteers and students were trained in life-saving emergency response techniques.
- Road Safety Programs (23rd–24th Jan 2025): Awareness sessions and street plays in collaboration with traffic police highlighted safe driving habits.

NIRMAL SAGAR – CLEANER COASTS, BETTER TOMORROW

With a focus on coastal conservation, NSS volunteers undertook multiple beach cleaning drives throughout the year.

- Beach Clean-Up Drives at Carter's Road, Aksa, and Marve Beaches:
- From April 2024 to February 2025, 30–70 volunteers participated in each drive, collecting trash and spreading environmental awareness across 11 clean-up events, including a mega drive on 21st September.

CAMP ACTIVITY

EMPOWERING CHANGE: NSS SPECIAL CAMP 2024-2025 AT HAMRAPUR VILLAGE

In alignment with its motto "Not Me, But You," the NSS Unit of Nirmala Memorial Foundation College of Commerce and Science organized a week-long Special Camp at Hamrapur Village, Wada, from **18th to 24th December 2024**. Programme Officer Mr. Rishabh Desai with **50 enthusiastic volunteers (39 boys and 11 girls)**, conducted a camp focused on rural development, environmental conservation, and social awareness.

The camp began with a **pre-camp survey and planning visit** to ensure smooth execution. Each day started with yoga and ended with prayers, promoting mindfulness and discipline. Volunteers took part in impactful activities such as **Swacchata Abhiyaan, Vanrai Bandhara**

construction for water conservation, and **soak pit development** to aid groundwater recharge.

Educational and awareness sessions on **cancer, anaemia, and leadership** were conducted by guest experts. Creative initiatives like **MIME performances, poster-making, folk dances**, and setting up a **toy and book library** made learning fun for the village children.

Through **team-building games**, community interaction, and hands-on service, students gained insights into leadership, empathy, and sustainability. The **Share with Care** donation drive further fostered a spirit of giving.

This Special Camp wasn't just a social outreach—it was a life-changing experience for the volunteers, leaving a meaningful impact on both the village and their own lives.

The NSS Unit of Nirmala Memorial Foundation College effectively combined regular activities and a Special Camp to promote social awareness, leadership, and community engagement. While regular initiatives built a foundation of

service and responsibility, the Hamrapur Camp offered hands-on experience in rural development and environmental sustainability. Together, these efforts nurtured empathy, teamwork, and civic responsibility among volunteers, reflecting the true spirit of NSS—"Not Me, But You."

7 DAYS COURSE WORK

SPORTS COMMITTEE

"Champions are not made overnight—they are built on the field with dedication and teamwork."

Sports and games play a vital role in shaping a student's personality by encouraging discipline, teamwork, leadership, and a healthy competitive spirit. At Nirmala Memorial Foundation College of Commerce and Science, the Sports Committee continuously strives to provide students with opportunities to showcase their athletic and strategic abilities through various sporting events conducted throughout the academic year. The year 2024–2025 witnessed enthusiastic participation from students across different courses, making the sporting events vibrant, competitive, and memorable.

The college successfully concluded its highly anticipated **Annual Sports Day 2024–2025** for students of BCOM, BCOM (M&S), BCOM (A&F), BMMMC, BSc IT, and BSc CS. The three-day sporting extravaganza was held from **16th December to 18th December 2024**, with more than **600 students** actively participating in various competitions. The event was organized as an **inter-class competition**, encouraging students from different classes to compete with passion and sportsmanship.

The competitions included a range of exciting team sports. For **women**, the events featured **Inter-class Cricket** and **Dodgeball Tournaments**, while the **men's category** included **Inter-class Cricket** and **Rink Football Tournaments**. The matches were filled with energy, determination, and remarkable performances from participants. The event turned out to be a grand success due to the enthusiastic participation of students and the dedicated efforts of the Sports Committee. The winners of the various competitions were congratulated and applauded for their outstanding performances.

Apart from the outdoor sports events, the college also organized several **indoor championships** that showcased students' strategic thinking and precision skills.

The **Chess Championship 2024** was conducted on **19th July 2024** at **Block 5II, Gymkhana, 5th Floor**. The tournament brought together some of the college's finest chess players who demonstrated exceptional skill,

patience, and strategic thinking. The competition was held in **boys' and girls' singles categories**, creating an intense yet healthy competitive environment. With a **total registration of 72 players**, the championship highlighted the growing interest in chess among students. The event not only celebrated the talents of experienced players but also provided a platform for emerging players to showcase their abilities, reflecting the increasing popularity of chess on a global stage.

Similarly, the **Carrom Championship 2024** was organized on **12th July 2024** at **Block 5II, Gymkhana, 5th Floor**. The tournament

brought together talented carrom players from across the college who displayed impressive accuracy, control, and tactical gameplay. The event featured **boys' and girls' singles categories**, making the competition both engaging and inclusive. The championship successfully highlighted the enthusiasm and dedication of students toward indoor sports. It also encouraged new participants to explore the game, contributing to the growing appreciation of carrom within the college community.

Overall, the sports events organized during the academic year 2024–2025 reflected the vibrant sporting culture of the college. From energetic outdoor tournaments to intellectually stimulating indoor championships, each event provided students with an opportunity to challenge themselves, develop sportsmanship, and build lasting memories. The Sports Committee deserves special appreciation for their dedication and efforts in successfully organizing these events and fostering a spirit of unity, competition, and excellence among students.

WOMEN DEVELOPMENT CELL

"I raise up my voice - not so that I can shout, but so that those without a voice can be heard"

- Malala Yousafzai

The Women Development Cell (WDC) continued its commitment towards empowering young women through a series of impactful initiatives during the academic year 2024-25. Focused on holistic development, awareness, and skill-building, the Cell organized various seminars and workshops addressing key aspects of personal growth, gender equality, and safety.

The year commenced with a seminar on "Holistic Wellness: Health, Hygiene and Personality Development", conducted on 28th June 2024 in collaboration with Procter & Gamble (P&G). The session aimed to equip students with essential grooming and personality development skills crucial for professional success. A total of 46 female students participated and benefitted from practical insights, along with receiving complimentary wellness kits.

Further strengthening its efforts towards awareness, the WDC, in association with the Inner Wheel Club of Bombay (Kandivali), organized a seminar titled "Empowering through Equality: A Talk on Women's Rights" on 18th July 2024. The session was delivered by Advocate Pradnya Dhule, who provided valuable legal insights and real-world perspectives.

The seminar witnessed active participation from 66 students, enhancing their understanding of women's rights and legal empowerment.

Promoting inclusivity and social awareness, the WDC collaborated with the NSS Unit and Child Help Foundation to conduct a large-scale session on "Break the Stereotype: Spreading Gender Sensitization" on 5th September 2024. Conducted across classrooms, the initiative

reached approximately 400 undergraduate learners. Resource persons Ms. Ria Noronha, Mrs. Chris Shenoy, and Mr. Ibrahim Khan facilitated engaging discussions to challenge societal stereotypes and promote gender equality.

In January 2025, under an MoU with Bharatiya Jain Sanghatan – Mumbai Chapter, the WDC organized a two-day "Smart Girls Training" Workshop. Conducted by Mr. Ratnakar Mahajan, the workshop focused on equipping

adolescent girls with essential life skills to confidently navigate personal and social challenges. A total of 42 participants benefitted from this intensive training program.

Marking the celebration of Women's Day, the WDC organized a self-defense workshop titled "Empower Yourself: Mastering the Art of Self-Defence" on 8th March 2025. Conducted by Mr. Umesh Murkar from Gurukul Kruti Foundation Trust, the session aimed to instill confidence and provide practical self-defense techniques. The highly interactive workshop saw enthusiastic participation from 56 students.

Through these diverse initiatives, the Women Development Cell has significantly contributed to fostering confidence, awareness, and empowerment among students. The Cell continues to play a vital role in nurturing socially responsible and self-reliant individuals.

MS. ZEAL KANANI
(CONVENER)

ANNUAL DAY 2025: A CELEBRATION OF TRADITION, TALENT, AND TOGETHERNESS THEME: BOLLYWOOD EXTRAVAGANZA

"Where tradition meets talent, and every moment shines like the silver screen."

The Annual Day Celebration 2025 was nothing short of spectacular, a memorable evening that beautifully blended tradition with glamour, talent with creativity, and unity with celebration. Held at the sprawling and elegant K. Divine Lawns, the event welcomed over 1300 enthusiastic students, faculty members, and esteemed guests, all ready to embark on a journey through the vibrant world of Indian cinema.

The theme for the year, "Bollywood Extravaganza", brought alive the glitz, drama, and magic of Bollywood, making the evening a colorful tapestry of song, dance, and heartfelt expression. The venue was transformed into a

grand Bollywood stage, complete with dazzling décor and cinematic charm, creating an electric atmosphere brimming with excitement.

The event commenced at 6:00 p.m. with a moving tribute to our beloved Dadaji, fondly remembered for his vision and invaluable contributions to the institution. His legacy continues to inspire and guide us. This was

followed by the felicitation of the esteemed members of the management, whose unwavering support, guidance, and encouragement have been instrumental in shaping the institu-

tion's journey and the success of the Annual Day.

The heart of the celebration, however, was the student performances—an enthralling line-up of 18 spectacular dance routines, soulful singing, live musical instrumentals, and engaging dramatics. Hosted by students with flair and poetic shayaris, the program paid homage to iconic Bollywood moments, capturing the essence of classic and contemporary cinema with great zeal.

Every performance showcased the exceptional talent, creativity, and hard work of our students. From energetic group dances to melodious duets and theatrical enactments, the stage was a canvas of youthful exuberance and artistic brilliance. The audience was left mesmerized, often breaking into spontaneous applause and cheers.

The Annual Day 2025 was not just an event; it was a celebration of spirit, unity, and the collective passion of our college community. It stood as a testament to the vibrant culture of our institution, reflecting the dedication of students, faculty, and management alike.

JAZBA 2024

INTERNATIONAL SHORT FILM FESTIVAL

“Celebrating Creativity, Stories and Global Cinema”

The Jazba 2024 – International Short Film Festival was organized by the Department of BAMMC, Nirmala Memorial Foundation College of Commerce and Science, on Tuesday, 10th December 2024, at the Mini Auditorium of the college. The event brought together students, filmmakers, and guests to celebrate creativity and cinematic storytelling through short films.

LIGHTS, CAMERA, JAZBA!

The Department of BAMMC proudly organized Jazba 2024 – International Short Film Festival, a vibrant celebration of creativity, storytelling, and cinematic expression. The festival provided a remarkable platform for budding filmmakers to showcase their talent, explore innovative narratives, and engage with diverse filmmaking styles from across the world.

The success of this event was made possible through the constant encouragement and support of the Management, Academic Director, In-charge Principal of the Degree College, Vice Principal, and Coordinators of various departments, who extended their wholehearted support to the BAMMC Department in achieving its vision.

THE VISION BEHIND JAZBA

Jazba 2024 was organized with the aim of encouraging young storytellers and promoting short films as a powerful medium of expression. The key objectives of the festival included:

- Promoting short films as an impactful form of storytelling.
- Encouraging budding filmmakers to explore innovative narratives and cinematic techniques.
- Creating a platform for cultural exchange and appreciation of global filmmaking styles.
- Teamwork Behind the Celebration

The festival was coordinated by the BAMMC Department with enthusiastic support from core faculty Ms. Minu Paul, event heads, volunteers, staff members, and students. The dedicated team worked tirelessly to create a dynamic platform where learners could present their creative work, interact with industry professionals, and learn from real-world experiences.

As a prelude to the festival, a grand pre-event activity was organized on 4th December 2024, which generated excitement and participation across the campus.

DISTINGUISHED GUESTS WHO INSPIRED THE AUDIENCE

The festival was honored by the presence of two eminent personalities from the world of cinema and theatre.

Ms. Sujata Mehta, a renowned Indian actress of Gujarati origin, has made significant contributions to theatre and Bollywood cinema. She is widely known for her lead role in Pratighaat and her performances in films such as Yateem and Gunaah. She also played the lead role in the

critically acclaimed and National Award-winning Malayalam film Purushartham.

Joining her was Mr. Latesh Shah, a talented actor, writer, and director known for his transformational theatre productions. His notable works include plays such as Chitkar, Ek Aham Ni Rani, Bhagidaar, Mahayatra, Tratak, and Aapnoo to Bhai Evun, which have been widely appreciated for their impactful storytelling.

CELEBRATING THE WINNERS

The festival recognized exceptional storytelling and filmmaking talent among participants.

- 1st Position: **T. Ravichandran**
Film: Kasadaru
- Runner-Up: **Mr. Dhruv Sanchala**
Film: Ti Pratyek Streechi Goshta

IMPACT OF THE FESTIVAL

Jazba 2024 created a valuable learning experience for students and aspiring filmmakers. The festival offered:

- A platform to showcase creative work and cinematic ideas.
- Opportunities to network with industry professionals.
- Constructive feedback and recognition that encouraged students to pursue filmmaking with confidence and passion.

LOOKING AHEAD

The Jazba International Short Film Festival 2024 successfully celebrated the spirit of cinema by nurturing creativity, innovation, and cross-cultural dialogue through storytelling. The Department of BAMMC looks forward to continuing this inspiring tradition and organizing an even larger and more impactful festival in the years to come.

NIRVAAN 2024 – THE FOLK CARNIVAL

A CELEBRATION OF CULTURAL SPLENDOUR

“A vibrant tapestry of heritage, talent, and timeless folk spirit.”

Nirmala Memorial Foundation College of Commerce and Science proudly hosted its much-awaited annual intercollegiate fest, Nirvaan, on the 9th and 10th of December, 2024. This year's edition was themed **“The Folk Carnival: A Celebration of Cultural Splendour,”** a vibrant tribute to India's rich and diverse cultural heritage. In consonance with the National Education Policy (NEP) 2020, which emphasizes the integration of Indian values and traditions into education, Nirvaan 2024 brought alive the folklore, customs, and vibrant legacies that define our nation's cultural identity.

The fest witnessed an overwhelming **participation of more than 800 students from 65 colleges across Mumbai.** Over the span of two days, the campus buzzed with energy as participants showcased their talent, creativity, and spirit through **23 events spread across 6 dynamic categories**—Literary Arts, Management Events, Fine Arts, Performing Arts, Informals, and Sports & E-Games. Each event served as a platform for students to not only

exhibit their prowess but also celebrate the essence of Indian folk culture.

To foster leadership and organizational skills among students, a core committee of student leaders was formed through a structured selection process involving interviews and assessments. This committee was entrusted with the planning, coordination, and management of the fest. A dedicated team of student volunteers also contributed tirelessly, making the event a collaborative and enriching experience for all involved.

The grand success of Nirvaan 2024 was made possible by the resolute support and guidance of the Management—Managing Trustee Madam Aruna Desai, Secretary Ms. Dhara Desai, and I/C Principal Ms. Swiddle D'Cunha—whose vision inspired every step of the journey.

At the helm of operations, Dr. Poonam Kakkad, Vice Principal and IQAC Coordinator, along with Convener Mr. Rishabh Desai and Co-convener

Ms. Nilam Goradiya, led with enthusiasm and precision. Their unwavering commitment, supported by faculty members, non-teaching staff, and the spirited student body, ensured the smooth execution of every event and activity.

Year after year, Nirvaan continues to raise the bar, not merely as a cultural fest, but as a vibrant confluence of tradition, talent, and teamwork. The 2024 edition was a testament to the unity in diversity that defines our country and our institution. It left an indelible impression on all who participated, witnessed, and celebrated this unforgettable cultural extravaganza.

TECHNOTSAV 2024-25

INTERCOLLEGIATE TECHNICAL FESTIVAL

"Where innovation met intellect and technology turned ideas into reality."

NIRMALA MEMORIAL FOUNDATION COLLEGE OF COMMERCE AND SCIENCE

The Departments of **B.Sc. Information Technology** and **B.Sc. Computer Science** at **Nirmala Memorial Foundation College of Commerce and Science** successfully organized the **9th edition of Technotsav**, an inter-collegiate technical festival, on **Saturday, 10th January 2025**. The festival aimed to provide students with a dynamic platform to showcase their **technical expertise, creativity, innovation, and problem-solving abilities**.

The event was inaugurated by **Mr. Amol Kharat from Infosys Pvt. Ltd.**, who shared valuable insights with the students about emerging technologies and career opportunities in the IT industry. The occasion was further graced by the **Guest of Honour, Mr. S. B. Patil**, who encouraged students to actively participate in such technical events that foster innovation, teamwork, and learning beyond the classroom.

Technotsav 2024-25 witnessed enthusiastic participation from **36 colleges** across the region. A total of **350 students actively competed in various technical events**, while the festival recorded an overall **footfall of around 600 participants and attendees** throughout the day. The event successfully brought together students from different institutions, promoting knowledge sharing and healthy competition.

The festival featured a variety of exciting and engaging technical events designed to test students' programming skills, creativity, technical knowledge, and problem-solving abilities. The events conducted during Technotsav 2024-25 included:

- **ROBOGRIP** – A robotics-based competition focusing on automation and mechanical design.

- **LOGIC UNLOCKED (Blind Coding)** – A coding challenge where participants solved programming problems without viewing the code output.
- **PIXAREL (Digital Poster Making)** – A creative design competition that tested participants' digital graphic and visual communication skills.
- **QUIZTRON (IT Quiz)** – A knowledge-based quiz competition focusing on information technology and current technological trends.
- **MECHNOVA (Hardware Project Presentation)** – A platform for students to present innovative hardware-based projects and prototypes.
- **DIGITAL DETOUR (Treasure Hunt)** – A fun and challenging treasure hunt event that required participants to solve technical clues and puzzles.

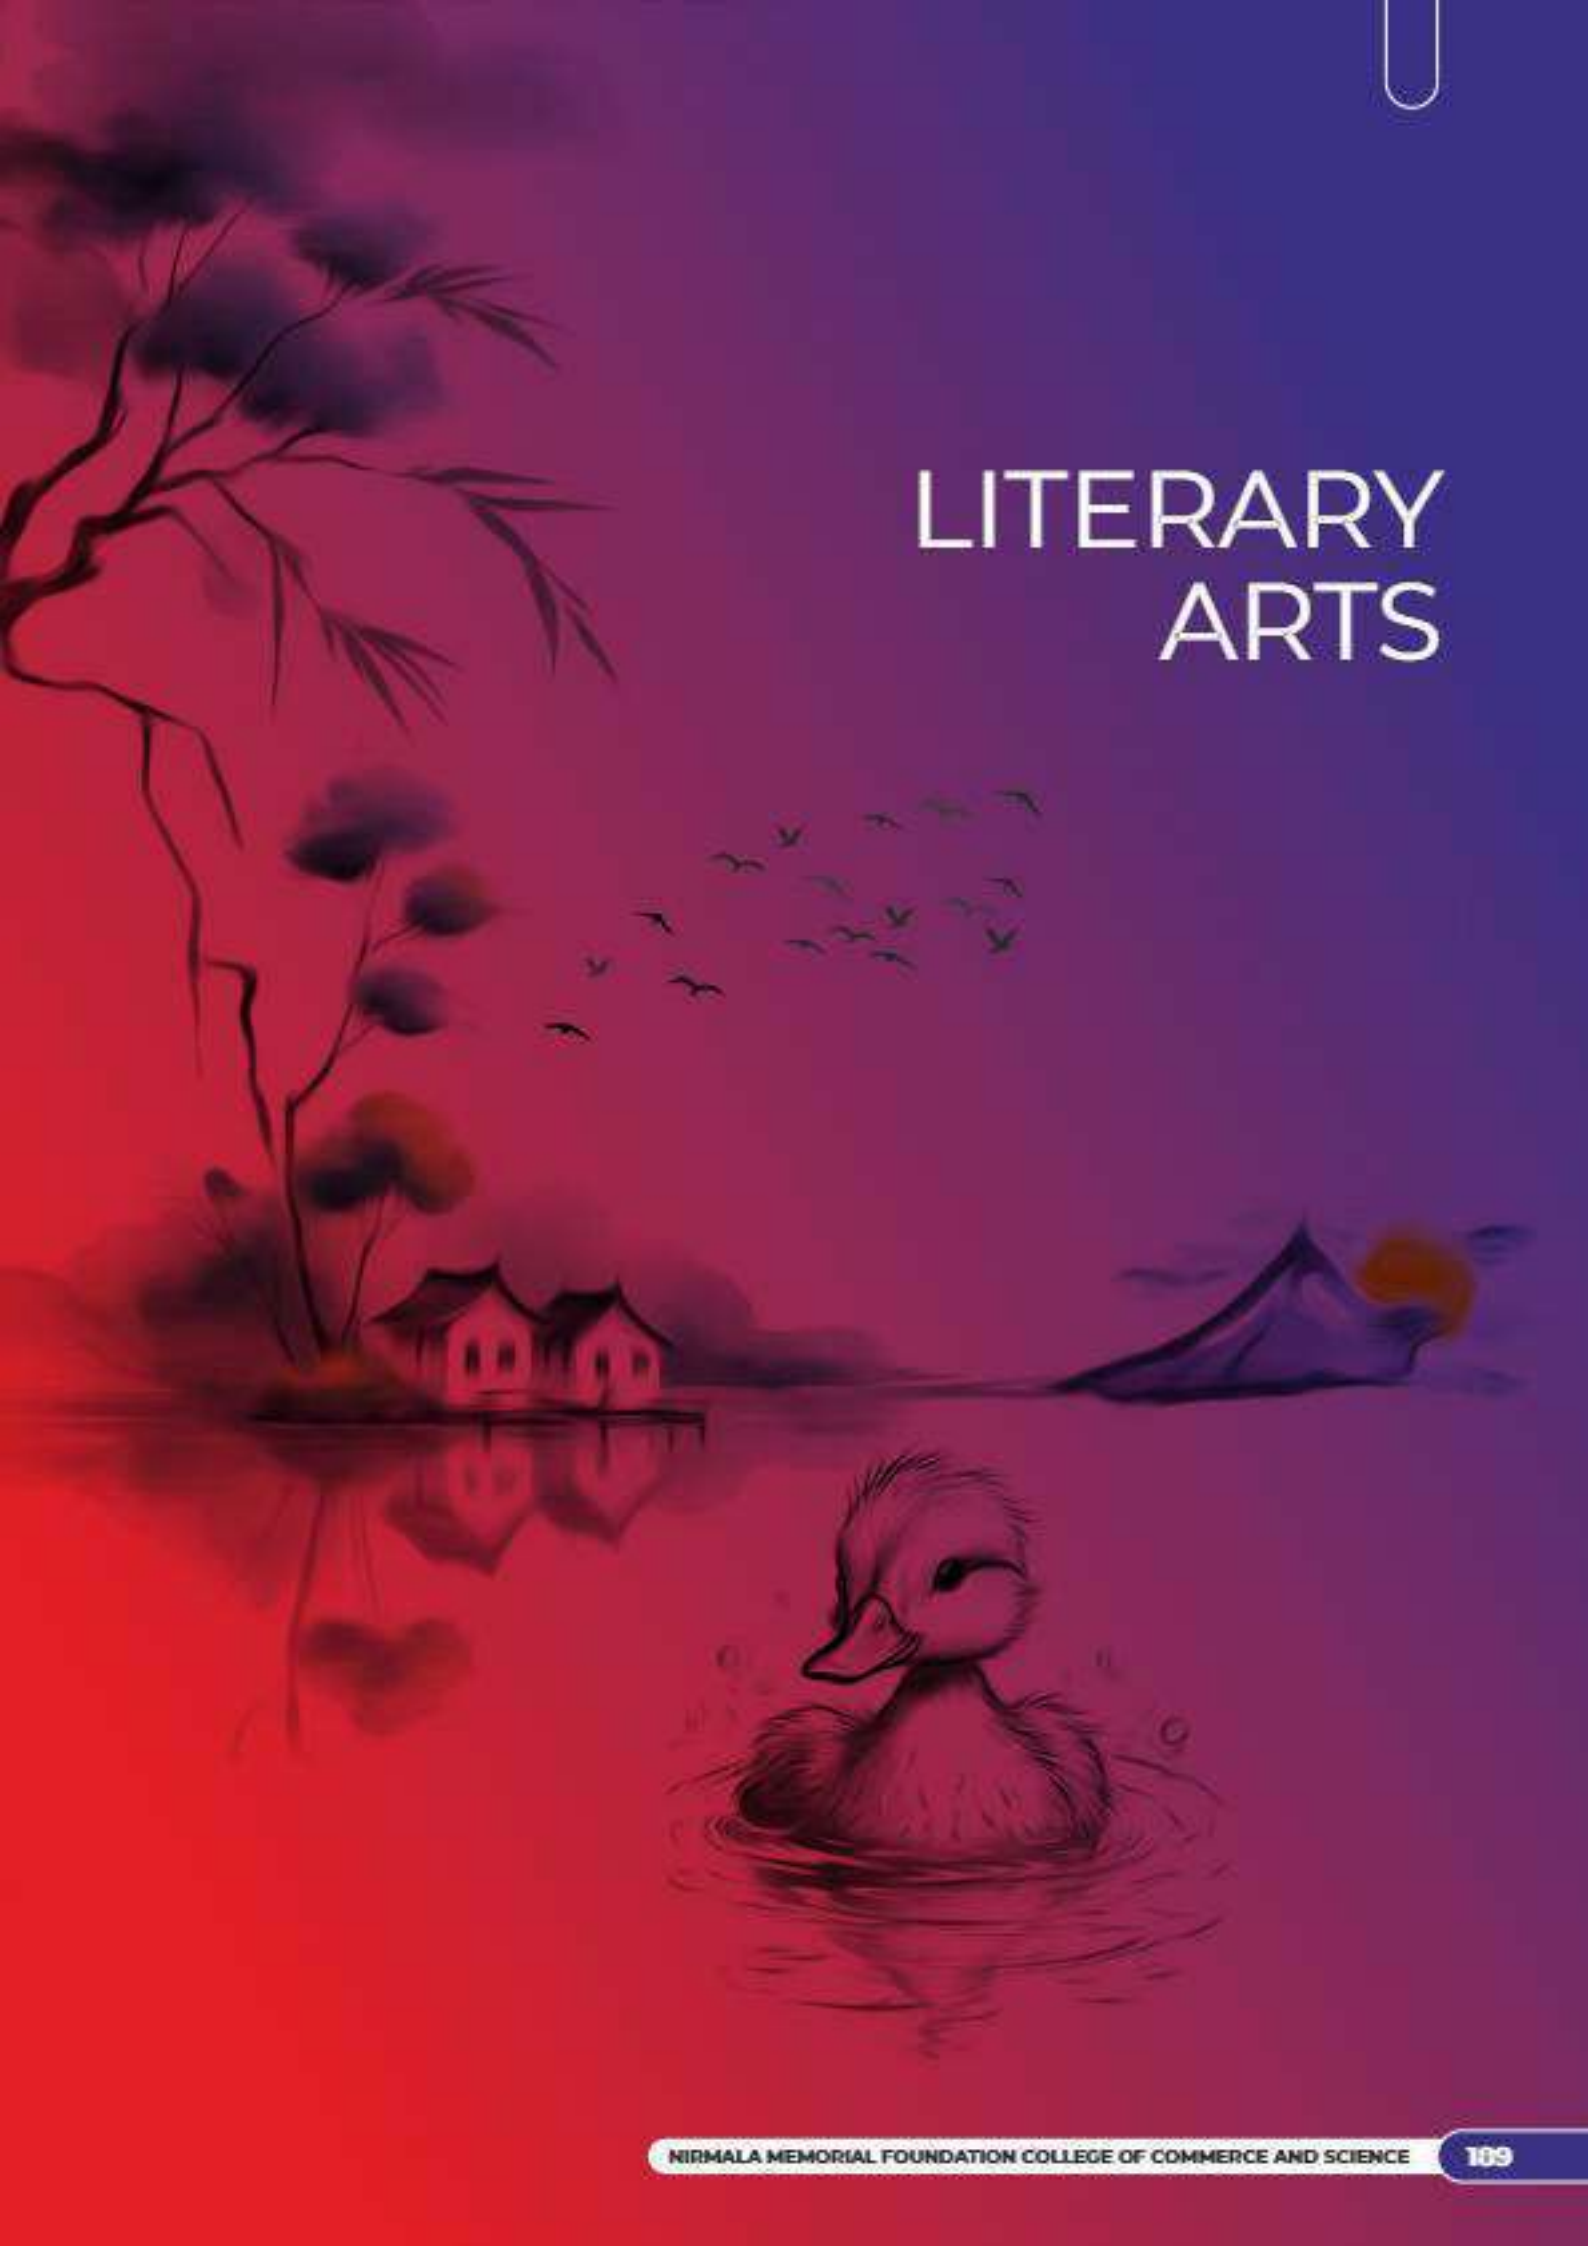

- **VIRTUAL BATTLE (BGMI and Stumble Guys)** – An exciting gaming competition that attracted enthusiastic participation from students.

Technotsav 2024–25 concluded with the **announcement of winners and prize distribution**, recognizing the outstanding performance of participants across various competitions. The festival served as an excellent platform for students to explore their talents, interact with peers from different colleges, and gain exposure to diverse technical activities.

Overall, **Technotsav 2024–25 was a grand success**, reflecting the commitment of the departments to promote **innovation, technical learning, and collaborative student engagement** through intercollegiate activities.

LITERARY ARTS

THE TEEN WORLD

Teen pressures, particularly academic pressure, are significant issues faced by adolescents today. The transition from childhood to adulthood brings various expectations, and for many teens, academic success is paramount. This pressure can stem from multiple sources, including parents, teachers, peers, and even society at large.

Understanding how teens handle academic pressure is crucial for fostering a supportive environment that promotes healthy coping mechanisms and overall well-being.

Academic pressure often begins in middle school and intensifies as students approach high school graduation. Teens are frequently bombarded with the message that their academic performance will dictate their future opportunities, including college admissions and career prospects. This creates a high-stakes environment where grades and test scores become the primary focus. The pressure can lead to stress, anxiety, and even burnout, affecting not only their academic performance but also their mental health.

One common way teens handle academic pressure is through time management and organization. Many students learn to prioritize their tasks, creating schedules and to-do lists to keep track of assignments and deadlines. This proactive approach helps them feel more in control and reduces feelings of overwhelm. Additionally, some teens find that breaking larger projects into smaller, manageable tasks makes the workload less daunting. By setting achievable goals, they can experience a sense of accomplishment along the way, which can alleviate stress.

Another coping mechanism is seeking support from peers and family. Many teens find comfort in discussing their academic challenges with friends who are experiencing similar pressures. This camaraderie can foster a sense of solidarity and reduce feelings of isolation. Furthermore, supportive family environments play a crucial role in helping teens navigate academic pressure. When parents encourage open communication and provide emotional support, teens are more likely to feel secure in expressing their concerns and seeking help when needed.

Extracurricular activities also serve as an important outlet for teens dealing with academic pressure. Participation in sports, music, or clubs allows students to explore their interests and develop skills outside of the classroom. These activities can provide a much-needed break from academic demands, allowing teens to recharge and refocus. Moreover, engaging in extracurriculars can enhance a teen's college applications, providing a dual benefit of stress relief and increased opportunities for future success.

Mindfulness and relaxation techniques have gained popularity as effective strategies for managing academic pressure. Practices such as meditation, yoga, and deep breathing exercises can help teens reduce anxiety and improve focus. By incorporating these techniques into their daily routines, students can cultivate a greater sense of calm and resilience in the face of

challenges. Schools are increasingly recognizing the value of teaching these skills, integrating mindfulness programs into their curricula to equip students with tools for managing stress.

However, not all teens cope with academic pressure in healthy ways. Some may resort to unhealthy habits, such as procrastination, substance abuse, or self-harm. Procrastination often stems from feelings of inadequacy or fear of failure, leading students to delay tasks until the last minute. This can create a vicious cycle of stress and poor performance. It is essential for parents, educators, and peers to recognize the signs of unhealthy coping mechanisms and provide support to help teens develop more constructive strategies.

The role of technology in academic pressure cannot be overlooked. While digital tools can aid in learning and organization, they can also contribute to stress. Social media, for instance, can amplify feelings of inadequacy as teens compare themselves to their peers. The constant influx of information and notifications can

lead to distractions, making it challenging to focus on studies. Encouraging responsible technology use and setting boundaries around screen time can help mitigate these negative effects.

In conclusion, academic pressure is a pervasive issue that many teens face today. Understanding how they handle this pressure is vital for creating supportive environments that promote healthy coping strategies. By fostering time management skills, encouraging open communication, and promoting extracurricular involvement, we can help teens navigate the challenges of academic life. Additionally, teaching mindfulness and recognizing unhealthy coping mechanisms are crucial steps in supporting their mental health. As we continue to address the complexities of academic pressure, it is essential to prioritize the well-being of our youth, ensuring they have the tools they need to thrive academically and personally.

AISHA VIREN THAKKAR

FYBCOM-A-64

AN ECHO OF A TEEN

In the teen world, where dreams intertwine,
Amidst academic stress, we search for a sign.

With late-night studies, and worries that creep,
We juggle our passions, but sometimes lose sleep.

The pressure is heavy, like clouds in the sky,
Expectations mount high, as days swiftly fly.

Yet in the chaos, we find our own way,
With laughter and friendship, we brighten the day.

Late-night cramming, coffee cups stacked,
The weight of the future, a heavy backpack.

Social media buzzing, distractions abound,
In the noise of it all, where peace can be found.

We learn to manage, to balance and grow,
Finding our rhythm, letting our true selves show.

Mindfulness whispers, "Take time to reflect,"
Amidst all the noise, we must learn to connect.

With hobbies and passions, we carve out our space,
In art, music, or sports, we find our own grace.

Support from our peers, a comforting hand,
Together we rise, together we stand.

Setting small goals, we tackle each task,
With patience and focus, it's okay to ask.

For help when we're struggling, it's part of the game,
In this teen world, we're all feeling the same.

So, here's to the chaos, the laughter, the tears,
In this vibrant teen world, we'll conquer our fears.

With dreams in our hearts and hope in our sight,
Together we'll shine, like stars in the night.

AISHA VIREN THAKKAR

FYBCOM-A-64

THOSE GOLDEN COLLEGE DAYS

In corridors wide and classrooms bright,
We lived our days in youthful light.

Books in hand, and dreams so high,
We chased the stars in every sky.

The ringing bell, the morning race,
Finding the last seat, saving a place.

Notes half-done and minds that roam,
Yet somehow, it all felt like home.

Lectures long we barely heard,
Lost in thoughts, not every word.

A glance, a laugh, a whispered name,
Those little things we never tame.

The chalk dust danced, the fans would spin,
With sleepy eyes and goofy grins.

From group assignments we used to dread,
To last-minute learning we all once read.

Canteen talks and coffee sips,
Gossip flowing from eager lips.

Friendships forged in simple ways,
Still warm our hearts in distant days.

Exams came like sudden rain,
Sleepless nights and shared brain pain.

Yet through the stress, we stood as one,
Until the final paper was done.

Farewell came like a quiet breeze,
With teary eyes and memories.

We hugged, we cried, we smiled through pain,
Promising we'd meet again.

Now life moves fast in grown-up shoes,
But some days bring the college blues.

I miss the faces, the carefree air,
The joy of simply being there.

So here's to halls where we once roamed,
To friends who made our hearts feel home.

To lessons learned and dreams we knew—
College, my soul still lives in you.

ISHIKA.R.MAKWANA
TYB.COM

BUILT BETWEEN MOMENTS

It began with a stage I almost feared,
A talent show, unsure, unclear,
But somewhere there, in lights so bright,
I found a spark, I chose to fight.

New faces came, strangers turned friends,
Late laughs that felt like they'd never end,
We lost some battles, missed the prize,
But gained a fire no loss denies.

From fest to fest, from crowd to crowd,
Each step louder, each voice more proud,
Intercollegiate wins came fast,
Like proof that I was built to last.

An Event HOD, I learned to lead,
To stand up tall when others need,
A contingent head, I took my place,
Not just to win—but to embrace.

Then second year raised up the stakes,
Bigger dreams and bigger breaks,
Some friends stayed, some walked away,
But I found strength in the price I pay.

Vice Chair came, a moment surreal,
From doubt to something strong and real,
Then TEDx called—I took that stage,
And spoke my truth, I owned my page.

Now chasing dreams beyond these walls,
An intern answering bigger calls,
Yet every step, every climb I see,
This college built the heart in me.

So to the ones just starting out,
With silent fears and hidden doubt—
Trust the fall, embrace the climb,
Your moment's coming... just give it time.

MENTAL HEALTH: THE FOUNDATION OF A BALANCED LIFE

In today's fast-moving world, success is often measured by achievements, grades, and productivity. However, one essential aspect of life that is frequently overlooked is mental health. Just like physical health, mental well-being plays a crucial role in shaping our thoughts, decisions, and overall quality of life.

Mental health is not simply the absence of illness; it is the ability to cope with stress, maintain relationships, and function effectively in daily life. For students, this becomes even more important as they navigate academic pressure, social expectations, and personal challenges. The constant need to perform and succeed can often lead to anxiety, stress, and emotional exhaustion.

As students, many of us are now stepping into the professional world through internships and entry-level jobs. This transition brings new challenges—tight deadlines, performance expectations, workplace dynamics, and sometimes even office politics. In such environments, it is common to feel that our mental peace is disturbed or constantly under pressure.

During these moments, it is important to pause and regain control. Finding ways to calm ourselves—whether through deep breathing, short breaks, or simply stepping away from stressful situations—can help maintain emotional balance. Not every situation requires a reaction; sometimes, composure is the strongest response.

Another key aspect of protecting mental health in the workplace is learning to avoid unnecessary conflicts and office politics. Staying focused on your work, maintaining professionalism, and keeping a composed mindset can help you navigate difficult situations without compromising your peace of mind. Being calm, respectful,

and self-aware not only protects your mental health but also builds a strong and positive professional image.

One of the biggest barriers to addressing mental health is the stigma surrounding it. Many individuals hesitate to speak about their struggles due to fear of judgment or misunderstanding. As a result, problems that could be managed early often grow into more serious issues. This silence creates a cycle where individuals feel isolated, even when help is available.

Maintaining good mental health requires conscious effort. Simple practices such as maintaining a healthy routine, engaging in physical activity, spending time with supportive people, and taking breaks from digital screens can make a significant difference. Additionally, seeking help from counselors or trusted individuals should be seen as a sign of strength, not weakness.

Educational institutions also have a responsibility to create a supportive environment. Workshops, awareness programs, and access to counselling services can encourage students to prioritize their mental well-being. When students feel safe and supported, they are more likely to perform better academically and grow personally.

In conclusion, mental health is not a luxury—it is a necessity. As we step into new phases of life and career, protecting our inner peace becomes just as important as achieving external success. By staying composed, avoiding negativity, and prioritizing self-care, we can build not only successful careers but also meaningful and balanced lives.

THE BEST DAYS

Late-night coffee and morning rush,
Exams we feared and a secret crush.

Laughing in the canteen, wasting time,
Sharing a snack and our last dime.

We came for a degree and a career goal,
But we found friends who touched our soul.

The classes end and the years fly past,
But these college memories are built to last.

PARTH JANI
FYBSCIT

FROM CLASSROOMS TO FUTURES

Not every lesson came from books,
Or lectures written on the board,
Some were found in silent tears,
Some in laughter we adored.

We learned to fail, we learned to rise,
To stand again when things went wrong,
To turn our fears into our strength,
And slowly learn where we belong.

College gave us more than marks,
It gave us stories, deep and true,
A version of ourselves we found,
A stronger, braver "me" and "you."
Assignments due? We'll do it later,
First, let's meet in the canteen,
One more chai, one more samosa,
That's our daily routine scene.

"Attendance low!" the teachers warn,
But still we laugh and take that risk,
Because these days won't come again,
Even if life moves too brisk.

From selfies to those random reels,
From group chats buzzing all night,
College life is less about marks,
And more about moments that feel right.
Assignments due? We'll do it later,
First, let's meet in the canteen,
One more chai, one more samosa,
That's our daily routine scene.

From "hello" strangers to "don't go,"
From first-day fear to bonds we know,
We carry pieces of these days,
In silent hearts, in countless ways.

Goodbyes are hard, but deep inside,
We know this isn't the end,
Because college didn't just give memories—
It gave us family in a friend.

એઆઈનો ઉદ્ભવ (The Rise of AI)

ફ્રિમ બુદ્ધિ (AI) હવે ફક્ત વિજ્ઞાન કથાઓ સુધી મર્યાદિત રહી નથી—તે આજકાલ આપણા દૈનિક જીવનનો મહત્વપૂર્ણ ભાગ બની ગઈ છે. મોબાઇલમાં વોઇસ આસિસ્ટન્ટથી લઈને ઓનલાઇન પ્લેટફોર્મ પર મળતી વ્યક્તિગત ભલામણો સુધી, AI શાંતિથી આપણું જીવન અને ટેકનોલોજી સાથેનો સંબંધ બદલાવી રહી છે.

AIનો ઝડપી વિકાસ ડેટા, કમ્પ્યુટિંગ શક્તિ અને મશીન લર્નિંગમાં થયેલા સુધારાઓના કારણે થયો છે. આજે AI સેક્ટોર્સમાં મોટી માત્રામાં માહિતીનું વિશ્લેષણ કરી શકે છે, જે આરોગ્ય, નાણાકીય અને શિક્ષણ જેવા ક્ષેત્રોમાં ઝડપી અને વધુ ચોક્કસ નિર્ણયો લેવામાં મદદ કરે છે. ઉદાહરણ તરીકે, ડૉક્ટરો AIની મદદથી બીમારીઓ વહેલી તકે ઓળખી શકે છે, જ્યારે બિઝનેસ ગ્રાહકોના વર્તનને સમજવા માટે તેનો ઉપયોગ કરે છે.

પરંતુ AIના ઉદ્ભવ સાથે કેટલીક ચિંતાઓ પણ જોડાયેલી છે. નોકરીઓ પર પડતો પ્રભાવ, ડેટા પ્રાઇવેસી અને નૈતિક ઉપયોગ જેવા મુદ્દાઓ મહત્વપૂર્ણ બની રહ્યા છે. જેમ જેમ મશીનો પુનરાવર્તિત કામ સંભાળે છે, તેમ માનવોએ સર્જનાત્મકતા, વિચારશક્તિ અને ભાવનાત્મક બુદ્ધિ જેવા કૌશલ્યો વિકસાવવા જરૂરી બનશે.

આ ચિંતાઓ હોવા છતાં, AIમાં જીવન સુધારવાની મોટી સંભાવનાઓ છે. જો જવાબદારીપૂર્વક તેનો ઉપયોગ કરવામાં આવે, તો તે જટિલ વૈશ્વિક સમસ્યાઓ ઉકેલી શકે છે, ઉત્પાદકતા વધારી શકે છે અને નવી તકો ઉભી કરી શકે છે.

અંતમાં, AIનો ઉદ્ભવ પ્રગતિના નવા યુગની શરૂઆત છે. આ ફક્ત સ્માર્ટ મશીનો વિશે નથી, પરંતુ આપણે કેવી રીતે એક વધુ સમજદાર ભવિષ્ય બનાવીએ છીએ તેના વિશે છે.

શિક્ષણનું મહત્વ

શિક્ષણ માત્ર પુસ્તક સુધી મર્યાદિત નથી, તે આપણને જીવન જીવવાની રીત શીખવે છે. તે આપણને સારા નિર્ણયો લેવામાં મદદ કરે છે. જ્યારે આપણે શીખીએ છીએ, ત્યારે આપણું આત્મવિશ્વાસ પણ વધે છે. દરેક વ્યક્તિને શિક્ષણ મળવું જોઈએ, કારણ કે તે જીવન બદલી શકે છે. સાચું શિક્ષણ માણસને સારો માણસ બનાવે છે.

विनम्रता और पुरस्कार

व्यक्ति की विनम्रता उसके सहृदय और प्रसन्न होने का लक्षण है। साथ ही, वह अहंकार जैसे विकार के लिए रोगप्रतिकारक का भी कार्य करती है।

दूसरी ओर, पुरस्कार और प्रशस्तियाँ अच्छे कार्य करने के लिए प्रेरणा का कार्य करती हैं; परंतु असावधान रहने पर इनसे वैयक्तिक अस्तित्व को महत्व प्राप्त होता है, जिसके परिणामस्वरूप मनुष्य में अहंकार-आगमन को प्रोत्साहन मिलता है।

जिस प्रकार स्वादिष्ट भोजन के ग्रहण से व्यक्ति आनंदित होता है, अन्यो की तुलना में गौरवान्वित हुआ नहीं महसूस करता; उसी प्रकार पुरस्कार प्रदत्त व्यक्ति को अपनी कृति की सफलता पर मात्र आनंदित होना चाहिए, न कि गौरवान्वित। गौरवान्वित होने अथवा गर्व करने से अहंकार मिटता नहीं, मात्र आच्छादित हो जाता है। अतः "जीत" और "हार" के बीच मित्रता तथा बंधुत्व का संबंध होना चाहिए।

स्थित-प्रज्ञ व्यक्ति स्थिति-परिस्थिति की विविधता से प्रभावित होकर कभी अहंकार, तो कभी हीनता का शिकार नहीं होता। यही स्थिति पुरस्कार पाने और पुरस्कार न पाने वाले व्यक्तियों की भी होनी चाहिए। इस अवस्था के लोग विनम्रता से समृद्ध होते हैं।

दीपोत्सव

राम सद्भाव, विश्वबंधुत्व और देवत्व से समृद्ध पुरुषोत्तम थे। उनके अयोध्या-आगमन पर उनके स्वागत और अभिनंदन में वैयक्तिक एवं सामूहिक हर्षोल्लास के साथ घर-घर दिये प्रज्वलित किए गए। व्यक्ति और समाज, दोनों राममय थे। सबके हृदय में प्रेम, सद्भाव और बंधुत्व का संचार था।

आज की बदली परिस्थिति में अपने-अपने घरों में दिये जलाकर और पास-पड़ोस के लोगों से गले मिलकर यदि हम यह संकल्प लें, अर्थात् हमेशा मन और हृदय में यह भाव रखें कि मैं सबका हूँ और सब मेरे हैं; हम सहिष्णुता के सहारे आपसी विवादों को हल करके एक-दूसरे का सहयोग करेंगे; तो निश्चित रूप से प्रत्येक व्यक्ति के अंतस् में प्रेम के रूप में राम अवतरित होंगे।

पारस्परिक प्रेम, सहयोग और बंधुत्व में ही मानवता का वास्तविक संरक्षण है। यही दीपोत्सव का संदेश और उद्देश्य है।

मराठी भाषेचे संवर्धन : काळाची गरज 600

"ज्या समाजाला स्वतःची भाषा जपता येत नाही, ती समाज स्वतःची ओळखही जपू शकत नाही." ही केवळ उक्ती नसून सामाजिक वर्तमानाची रस्तू स्थिती आहे. मराठी ही केवळ एक भाषा नसून संस्कृती अभिजात ठेवणारी, इतिहासाची सास्तीदार आणि विचारांची वाहक आहे परंतु, आज जागतिकीकरणाच्या बुगात तीचे अस्तित्व धूसर होत चालते आहे

मराठी भाषेचा महिमा अपरंपार आहे माझ्या भाषेची श्रीमती अमूल्य आहे. संत तुकाराम, नामदेव ज्ञानेश्वर महाराज व संत रामदास हयांचे हयांचे अभंग, ओव्या भारुडे मराठी भाषेतून रचले गेले अहित बत्रपती शिवाजी मस महाराज आणि छत्रपती संभाजी महाराज ध्यांसारख्या क्षेत्रिय महान व्यक्तींचे ग्रंथ, महाबंश देखील मराठी भाषेतून लिहिले बोल अहित मराठी भाषा त्यांच्या मुखातून बोलली गेली आहे. मराठी भाषा ही ऐतिहासिक घडामोडींची, सामाजिक कुयांची एकमेव साक्षीदार महि

लोकमान्य टिळक, वीर सावरकर, महात्मा ज्योतिबा फुले यांसारख्या महान क्रांतिकारकांच्या कथा मराठीतून अजरामर झाल्या अहित. अशा प्रकृति, अनेक उठविषींमध्ये मराठी भाषेचा सिंहाचा वाटा आहे. प्रत्येक देवाची मराठी आरती, पूजा, मंत्र आणि अष्टके मनारसा आणि कानाला मंत्रमुग्ध आणि समृद्ध करून जातात

आज मराठी मवियुटील संकट मीठे जरी वाटत नमले तरी वामीर आहे मराठी घरांतील पालक मुलाशी जाणीवपूर्वक मराठीतून संमाद टाळतात, कारण इंग्ली हे प्रतिष्ठेचे प्रतीक मानले जति मराठी शाळां मध्ये विद्याध्याची पट संख्या कमी होत चालली माह शासकीय कार्यालयांमध्ये केवळ मराठी बोलण्याची अंमलबजावणी केली आहे, परंतु तो नियम नेहमी मुखादा इंग्रजी शब्दू मिश्रित करून तोडला जातो. मराठीवन संवाद करणे, आज मराठी माणसासाच कमी दर्जाचे वाटू लागले आहे

सामाजिक माध्यमांवर रोमन लिपीतूनच लेखून केले जात, मराठीचा उपयोग क्वचित बोला जातो. यामुळे, शुद्धलेखन लेगा ह्याचा अभाव होत चालला आहे. शाळेत देखील मराठी हा केवळ गुणांचा विषय म्हणून शिकवला जातो, भषिचा जिव्हाळा, प्रेम किंवा अभिमान म्हणून शिकवला जात नाही.

मराठी भाषेचे संवर्धन हे केवळ भाषणबाजी नव्हे; तर प्रत्येक मराठी नागरिकाच्या मनात, ध्यानात आणि स्वाभात जपून ठेवणे होय. प्रत्येक नागरिकाने दैनंदिन जीवनात शुदय मराठी बोलली पाहिजे. शासकीय कामात इंगजी सब्द आढळल्यास त्यांस सकत कारवाई व दंड आकारावा, बंधालये ओसाड पडली सहित, तिथे माणसाने रेलचेल वाढवावी, तरच त्याला मातृभाषिन्ची ओळख पटेल आणि ओठी निर्माण होडील.

कादंबरी, कथा, ओव्या, कविता, चशिळी हे प्यारे भाषितून निर्माण झालेले मराठी भाषिन्चे अलंकार आहेत; ते जपले गेले तरच आपली संस्कृती जपली जाईल. मराठी ही फक्त

एक राज्य भाषा नसून ती आपल्या अस्तित्वाची जाण, मातीचा सुगन्ध माणि अस्मितेचा आवाज आहे. तो आवाज आत्मरामर करण्या राष्ट्री आपणच प्रयत्नांती पराकाष्ठा करावी लागेल.

चला, तर मग, एकत्र येऊन आपल्या मराठी भषिचा सन्मान करू, आदर करू आणि रक्षण करू !!!

धन्यवाद

मराठी भाषेची समृद्ध परंपरा

परंपरा म्हणजे पक मराठी भाषेचा इतिहास अमूल्य गोष्ट आहे जी आपल्या पूर्वजांनी तयार केली आणि त्याच गोष्टीचे आज आपण वाहक आहोत. 'समृद्ध परंपरा' म्हणजेच भरपूर, विस्तृत आणि मूल्यवान म्हणजेच आज जे काही आपल्याकडे आहे तेच.

मराठी भाषा ही अत्यंत प्राचीन आणि समृद्ध भाषा आहे. साधारणतः हजारो वर्षांपूर्वी काळाचा जीवा इतिहास आहे. महाराष्ट्राची राजभाषा असलेली ही मराठी जगभरात सुमारे नऊ कोटींहून अधिक लोकांची मातृभाषा आहे इंडो- आर्यन भाषा कुटुंबातील ही भाषा संस्कृत आणि प्राकृत भाषांच्या परंपरेतून विकसित झाली आहे. महाभारत, आणि पुराणे यांच्या गोष्टी मराठीत सांगितल्या रामायण जातात. आजही संस्कृत आणि प्राकृत भाषांचा मोठ्या प्रमाणात वापर केला जातो. मराठी लिपी देवनागरी असून ती अत्यंत शास्त्रशुद्ध आणि सुंदर आहे.

मराठी भाषेची सर्वाधिक समृद्धी म्हणजे 'भक्तिकाव्य' सुमारे १३ वी आणि १८ वी शतक मध्ये ती फुलत आली. मराठी साहित्याची परंपरा अत्यंत वैभवशाली आहे. संत ज्ञानेश्वरांनी लिहिलेली ज्ञानेश्वरी ही अवघ्या त्यांच्या सोळाव्या वयातली होती. ही मराठी साहित्यातील एक अजरामर कृती आहे. त्यांनी भगवद्गीतेचा अर्थ सोप्या मराठीत सांगून सामान्य माणसांपर्यंत ज्ञान पोहोचविले. संत तुकाराम यांचे अभंग हे मराठी भाषेचे खरे वैभव आहे. त्यांच्या अभंगांमध्ये जीवनाचे तत्वज्ञान सोप्या भाषेत मांडलेले आहे.

तसेच संत नामदेव, संत एकनाथ, संत मुक्ताबाई यांनी मराठी साहित्याला एक विशेष उंची प्राप्त करून दिली. या संतांनी केवळ उंचीच नव्हे तर समाजप्रबोधनाचेही महान कार्य केले. जातीभेद आणि अंधश्रद्धा यांसारख्या विषयांवर आवाज उठविला आणि माणुसकीचा संदेश दिला.

छत्रपती शिवाजी महाराजांच्या काळात मराठी भाषेला राजाश्रय मिळाला. त्यांनी राज्यव्यवहारात मराठी भाषेचा उपयोग करण्यास प्राधान्य दिले. छत्रपती शिवाजी महाराजांनी राज्यव्यवहारात फारसी शब्दांऐवजी मराठी शब्दांचा वापर करण्यासाठी राज्यव्यवहारकोश तयार करवला. हे मराठी भाषेच्या उत्थानातील एक महत्त्वाचे

पाऊल होते. पुढे पेशवाईच्या काळातही मराठी साहित्याची भरभराट झाली. पोवाडे, शाहिरी काव्य आणि बखरी यांच्याद्वारे मराठी साहित्याने एक वेगळे रूप धारण केले. शाहिर रामजोशी आणि अनंतफंदी यांनी मराठी लोकसाहित्याला समृद्ध केले.

मराठी रंगभूमीला एक मोठी परंपरा आहे. लावणी, तमाशा, किर्तन आणि भारूड अश्या लोककलांनी मराठी रंगभूमीला जागतिक ओळख मिळवून दिली. तसेच दशावतार, नमन, गोंधळ, आकडी आणि पोवाडे या लोककलांनी मराठी रंगभूमीला एक विशेष रंग दिला. तसेच भीमसेन जोशी, लता मंगेशकर आणि आशा भोसले यांसारख्या गायकांनी मराठी संगीताला एका उंच पातळीवर नेले.

मराठी संस्कृतीत नाटकाचा अनन्यसाधारण असे महत्त्व आहे. किलेस्किर गडकरी आणि खाडिलकर यांनी मराठी नाटकाचा विशेष उंची प्राप्त करून दिली. विष्णुदास भावे यांनी पहिले नाटक 'सीता स्वयंवर' लिहिले. आधुनिक काळात विजय तेंडुलकर यांनी शांतता! कोर्ट चालू आहे, घाशीराम कोतवाल यांसारख्या नाटकांनी मराठी नाटक साहित्याला एक विशेष दर्जा दिला.

आजच्या डिजिटल युगातही मराठी भाषा आपले अस्तित्व चांगल्या प्रकारे टिकवून आहे. आजकल मराठी ब्लॉग्स, मराठी युट्युव चॅनेल्स खूप कमी प्रमाणात बघायला मिळतात पण मराठी चित्रपटसृष्टी खूप सशक्त होत चालली आहे. सैराट, फॅंडी आणि नरंग अशा चित्रपटांनी मराठी भाषेला खूप वर नेऊन पोहोचवले.

थोडक्यात मराठी भाषेचा आदर करणे, तिची परंपरा पुढच्या पिढीपर्यंत नेऊन पोहोचवणे, तिचा चांगल्या प्रकारे उपयोग करणे हे आपलेच कर्तव्य आहे. 'मराठी आपली मायबोली' हे फक्त म्हणण्यापेक्षा तिचा आदर केला तर, तिची परंपरा चालवली तर खूप बरं होईल. मराठी भवेची किंमत ही आपल्यालाच जागायला हवी. मला ही मला मी मराठी असल्याचा खूप अभिमान आहे.

माझी मातृ भाषा: मराठी

माझी मातृ भाषा मराठी, माला माझ्या मातृ भाषेचा खूप अभिमान आहे. माझ्या मातृ भाषेचा माझ्या आयुष्यात खूप म्हत्वाचा व अभिमास्पद दजी आहे. माझी मातृ भाषा अगदी आईच्या अंगाईगीतातून ते रोजच्या दैनंदीक जीवनातल्या संभाशनातून ते पहिल्या शाळेच्या प्रथम शिकवणीतून त्याने मला माझ्या आयुष्याच्या विचाराना व वागणूकीला आकार दिला व चांगली शिकवण दिली आपली मातृ भाषा फक्त संवादाचे साधन नाही तर आपल्या संस्कृतीचे, परंपरेचे, उत्सवाचे व संबीचे ओळख करून देते. प्रत्येक सुख आणि दुःखाच्या प्रसंगात नेहमी आपल्या मुखातून आपली मातृभाषेचा वापर आपण नेहमी करतो. मराठी भाषा माझ्या

मातीची, संस्कृतीची, परंपरेची व अभिमानाच्या आणि इतिहासाच्या जाणिवेचे घडे सांगून जाते आपल्या मातृभाषेतून आपल्याला खूप कही शिकता येते व सोप्या पध्दतीत ते आपल्याला कळते. मला माझ्या मातृ भाषाचे खूप अभिमान व गवे आहे. आपल्या भाषेला आताच अभिजात भाषेचा दजी मिळाला आहे तो आपल्याला जमता आला पाहिजे.

प्रत्येक मराठी माणसाणे आपल्या भाषेचे जतन व संबंधन केले पाहिजे आजच्या या आधुनिक व तंत्रज्ञानाच्या युगात आपल्या भाषेचा वापर कमी होत चालला आहे. आता सर्वे ठीकाणी इंग्रजी सारख्या परभाषांचा वापर केला जातो या मुळे आपल्या भाषेला अजिवत खाली दजी नाही मिळाला

पाहिजे. आपली भाषा आपल्याला जपता आली पाहिजे जास्ती जास्त आपल्या भाषेचा वापर आपण केला पाहिजे. आपण आपली भाषा जपण्या करीता आपण मराठी पुस्तक, मराठी वृत्तपत्रे, मराठी अभंग ओल्या यांचे वाचन केली पाहिजे नेहमी मराठी भाषेचे शुद्ध लेखन व वाचन केले पाहिजे या मुळे आपली भाषा टीकुन राहिल व आपल्या भाषेचा जागतीक स्थरावर दजी वाढेल. आत्ताच्या पाटीला आपल्या भाषेचे महत्व पटवून दिले पाहिजे जेने करून व्याना आपल्या भाषेचा अभिमा वाढेल व ते ही अभिमानाने आपल्या भाषेचा प्रचार व प्रसार करतील आपण आपल्या भाषेला जास्ती जास्त वर उंच स्थरावर होयुन जाते येथील व्याचा प्रयन केला पाहिजे व ती जोपास्ता आली पाहिजे.

आपल्या मराठी भाषेला वैभवशाली व संस्कृतीक आणि महत्वाचा वारसा लाभला आहे. आपल्या माहराष्ट्र येते संत परंपला लाभली आहे आपली भूमी संतांच्या येण्याने पुण्या पावन झाली आहे त्यांच्या अभंगा, ओव्या, कथा, कादंबऱ्या यांन मुळे आपल्या भाषेला उंच दजी मिळवून दिला आहे व त्यांच्या अभंग आपल्याला खुप कही शीकवून जातात. संत नामदेव, संत ज्ञानेश्वर, संत तुकाराम आणि संत रामदास यांस सारख्या संतानी आपल्या भाषेला खुप मानाचा दजी या जगात दिला आहे त्यांचा सर्वता जास्त मोलाचा वाटा मराठी भाषेला व मराठी भाषेचा प्रचार व प्रसार करण्यात आहे. छत्रपती शीवाजी महाराजांच्या काळात आपल्या भाषेला राज्या भाषा याचा दर्ज व मान मिळाला. मराठी एक भाषा

नही तार व्या मारी मराठी भाषेतच विविध प्रकार व्या भाषा आहेत जसे की मालवणी, खांदेशी, कोळी, घाटी, नागपुरी आणि विविध प्रकार च्या भाषा आहे आपल्या राजाचा प्रत्येक वेग वेगळ्या प्रांतात वेग वेगळ्या भाषा व बोली बोल्या जातात व त्या नपल्या ही जातात. आपल्या भुमीतल्या महान आत्याम्यानी आतम्यानी आपल्या भाषेसाठी सबे काही करून अधिच ठेवले आहे ते फक्त आपल्याला जपायचे आहे व त्यांचा प्रचार व प्रसार करायचा आहे

जागतीक व परप्रांतातही आपल्या भाषेने उंच शीखर गाठले आहे. आजच्या हया डीजीटल च्या युगात आपली ही भाषा साता समुद्रापार गेली आहे. आपल्या मापासोनी जे विदेशात आहेत त्यानी आपील भाषा जपती व व्याचा प्रचार व प्रसार केली आहे वीवीध माध्यमातुन जसकी नाटक, चित्रपट, संस्कृतीक परंपरा आणि खुप काही आपली भाषा जगाच्या कुडे गेली आहे. तीला आजून कीती जयता येधीत आणि कीती प्रचार करता येधी ते आपल्याला आल पाहिजे. शेवटी मला माझ्या भाषेचा ग्रुप खुप अभिमान आहे आणि खुप गवे आहे. मला

माझी भाषा ग्रुप प्रिय आहे. मराठी बोला, मराठी वाचा, मराठी वागा आणि मराठी रही.
