PART I - SEM I**

Students are hereby informed that those who have taken admission after 20 July 2026 will not be permitted to appear for the Class Test Examination scheduled to be held in August 2026. This decision has been made to ensure that newly admitted students have sufficient time to prepare adequately for the examination and are not required to appear at short notice.

Such students will, however, be eligible to appear for an Additional Examination. A separate notice regarding the application procedure and form-filling dates for the Additional Examination will be released in due course.
