THOUGHTS AND REFLECTIONS

Dear Students,

As we welcome you, the future leaders and productive citizens of the world, I would like to stress on our mission statement of engaging learners through holistic education which inspires critical thinking and innovation. As an established and highly esteemed institution, we maintain an utmost academic standard, incorporated with the conduct of discipline, thereby achieving a remarkable and excellent percentage of results. We firmly believe that education is the key to a nation's progress with this; we will take it as our bound duty to provide the best academic training a student can possibly get.

As we embark on yet another academic year at Nirmala Memorial Foundation College, I find myself filled with immense pride and optimism, knowing that each of you holds the potential to shape not only your own future but also the world around you. College life is a remarkable journey, much like sailing on uncharted waters. It's a time of self-discovery, intellectual growth, and forging lifelong friendships. The pages of the college magazine you hold in your hands today reflect the tapestry of experiences, insights, and accomplishments that define our vibrant community.

Every journey has its share of challenges, and your academic voyage is no exception. The NEP

has set the stage for a transformation that goes beyond traditional boundaries. It places the learner at the center, emphasizing holistic education that fosters critical thinking, creativity, and lifelong learning. This resonates deeply with our college's commitment to nurturing well-rounded individuals who can thrive in an ever-changing world. Remember that resilience is born from adversity, and your ability to navigate these challenges will define your character and fortify your spirit. Our college is a microcosm of the world at large, encompassing diverse backgrounds, cultures, and perspectives. Let this diversity be a source of strength, fostering a spirit of understanding and empathy. Through meaningful interactions with your peers, you have the chance to broaden your horizons and enrich your own worldview.

I extend my heartfelt gratitude to the faculty, staff, and students who have made our college a beacon of learning and innovation. As you continue to write your stories, remember that the pen is in your hands; script a narrative that echoes the brilliance of your potential.

I wish you all success, enlightenment, and a profound sense of purpose in the chapters that await.

Dr. Denis Desai

DIRECTOR'S NOTE

PIONEERING THE PATH OF KNOWLEDGE

Dear Aspiring Minds,

As the pages of this magazine turn, they reveal not just stories and achievements, but a testament to the vibrant spirit of our Nirmala Parivar. It is with great pride and enthusiasm that I address you, reflecting on the journey we have undertaken and the path that lies ahead.

At the heart of Nirmala Memorial Foundation is a commitment to academic rigor and innovation. Our comprehensive range of programs, spanning across disciplines, is designed to equip students with a strong foundation while fostering critical thinking and creativity. From the arts to sciences, humanities to technology, we offer a myriad of paths for you to explore, each guided by passionate faculty who are experts in their fields. Our college community, comprising dedicated faculty, diligent staff, and motivated students, is a collective force that strives for nothing less than the best. Let this commitment to excellence be your guiding star as you venture into new academic horizons and beyond.

In an era marked by constant evolution, we embrace the National Education Policy (NEP) which is a collective journey towards educational excellence and societal progress. Armed with knowledge, values, and a global perspective, you have the potential to create positive ripples in society. Embrace this responsibility with enthusiasm, recognizing that even small actions can lead to significant impact. As we implement the NEP's principles, I invite all stakeholders to actively engage in this transformative process. Let us work together to shape a learning environment that not only imparts knowledge but also instills values, skills and a sense of purpose in our students.

In closing, I express my gratitude to all who contribute to the vibrant legacy of our college. Faculty, staff, parents, and most importantly, you – the students – form the foundation of our success. As you step into the world armed with knowledge, values, and dreams, know that you carry the essence of our institution with you.

Ms. Aruna Desai

Director, Nirmala Memorial Foundation

SECRETARY'S CORNER

IGNITING PASSION, ENRICHING MINDS

Dear Future Leaders,

It is my privilege to extend warm greetings to all of you through the pages of our cherished college magazine "Nirmalite". As the College Secretary, I am honored to play a part in the journey of an institution that prides itself on nurturing dreams and sculpting futures.

Nirmala Memorial Foundation has consistently stood as a hub where aspirations take flight and knowledge is a guiding light. Our commitment to academic excellence, combined with a dynamic environment, encourages students to think beyond boundaries and transcend limitations. The integration of technology in education, as envisioned by the NEP, echoes our pursuit of staying at the forefront of educational advancements. Our investment in digital infrastructure aligns seamlessly with this future-oriented approach. Our institution offers a transformative experience that extends beyond classrooms and textbooks. It's about instilling values, fostering leadership, and honing skills that will serve you well on your journey ahead. As you engage with your peers, faculty, and

staff, remember that you are part of a network that extends far beyond your time here. These connections will serve as lifelong resources and friendships that endure.

The college magazine you hold in your hands today is a reflection of the countless hours of dedication, hard work, and passion put forth by our students, faculty, and staff. It is a testament to your creative spirit and the remarkable achievements that shape our college's narrative. Let these stories inspire you to set your own goals and work diligently to achieve them.

May your journey at Nirmala Memorial Foundation be filled with learning, growth, and cherished memories. Let's continue to work together to create a legacy that echoes through generations.

Ms. Dhara Desai

Secretary, Nirmala Memorial Foundation

ACADEMIC DIRECTOR A NOTE OF INSPIRATION

Dear Learners,

The world of business is changing fast. Perhaps it is changing faster than ever before. World economy is transforming more rapidly than we could ever imagine. Opportunities are emerging in areas untapped by traditional commerce and industry. They will bear fruit, only if future professionals recognize them early and bring them to maturity. Nirmala Memorial Foundation College recognizes the necessity for developing leaders who are well prepared to meet the challenges of the twenty first century.

Our college has always been a hub of innovation and curiosity, and this year's event lineup is a testament to that spirit. From thought-provoking lectures by distinguished scholars to hands-on workshops that encourage the practical application of knowledge, we have meticulously curated a range of experiences that cater to diverse interests and academic pursuits. Beyond the lecture halls and laboratories, we have lined up cultural festivals that celebrate the rich tapestry of talents within our college. These events not only entertain but also foster a sense of unity and cultural appreciation among our students, who come from various backgrounds and corners of the globe. Let's not forget the importance of wellness and personal growth. Our wellness seminars and mindfulness workshops are

designed to provide you with tools to navigate the challenges of academic life while maintaining a healthy work-life balance. To the faculty and staff, I extend my heartfelt gratitude for your dedication in organizing these events and creating an environment where our students can thrive academically, socially, and emotionally.

As the academic director, I am proud to be a part of a community that values critical thinking, rigorous inquiry, and the pursuit of knowledge for the betterment of all. The NEP's recognition of the importance of a global outlook in education resonates with our efforts to foster cultural diversity, international collaborations, and a cosmopolitan worldview. I extend my gratitude to our contributors, reviewers, and editorial team for their dedication in making this issue a reality.

Thank you for joining us on this intellectual journey. May the pages that follow inspire you, challenge you, and broaden your horizons.

INSIGHTS FROM THE PRINCIPAL

HONORING EXCELLENCE, SHAPING FUTURES

Dear Aspiring Scholars,

Stepping ahead of all odds is what makes a diligent person. I feel delighted to see the spirit of the students, who have synergized and focused on the path that will lead them to their desired dreams and a college is a place where these students can take a right turn in their precious and promising life.

Our avow, adherence and dedication to soaring academic standards and quality has placed Nirmal Memorial Foundation College as one of the prominent colleges of Mumbai.

Our college stands as a beacon of knowledge, fostering an environment where minds are nurtured, talents are honed, and dreams take flight. I am privileged to share my thoughts on the significant paradigm shift that the National Education Policy (NEP) has brought to the forefront of our educational landscape. Our faculty members have continued to inspire with their dedication to the new principles of NEP, while our students have embraced new modes of learning with an admirable zest for discovery.

In the following pages, you will find a variety of accomplishments, insights, and reflections that showcase the vibrancy of our academic ecosystem. From groundbreaking research initiatives to artistic endeavours that captivate the imagination, our magazine encapsulates the essence of our diverse pursuits. I encourage

each of you to immerse yourselves in the articles, artwork, and stories that grace these pages. Let them serve as a reminder of the collective brilliance that thrives within our walls and as an inspiration to push the boundaries of what we can achieve together.

Our college is not merely a physical institution; it is a community of thinkers, innovators, and change-makers. It is a place where ideas are born, passions are ignited, and lives are transformed. I extend my heartfelt gratitude to the editorial team, the contributors, and everyone who has poured their heart and soul into making this magazine a reality. Your dedication and creativity are the threads that weave the fabric of our intellectual heritage.

In closing, I want to reaffirm our commitment to the pursuit of excellence, the spirit of inquiry, and the nurturing of each individual's potential. Let us continue to stand as beacons of knowledge and compassion, carrying our college's legacy forward into a future brimming with possibilities.

May your academic journey be marked by boundless enlightenment.

OUR GUIDING FORCES

Welcome to Nirmala Memorial Foundation College of Science and Commerce. As the Vice-Principal of the reputable institution, I consider it my privilege to pen down my message for our new magazine edition Nirmalite 2022-23.

At Nirmala Memorial Foundation College we consistently review the curriculum and practices to ensure that we are following the most updated best practices, meeting all regulations, and addressing the future needs of our students. Our staff consistently follows current trends and, in collaboration with the administration, creates a plan of action to incorporate those trends into our classrooms. One of the largest areas of growth is the increased use of technology in our classrooms. Students work with Google Docs, Google Classroom, Educreations and many other online programs. Some of our teachers also utilize the Flipped Classroom method as part of their class instruction. The students at Nirmala Memorial Foundation College are offered many opportunities to explore their interests and investigate new ideas. We offer many clubs, activities, sports and a large variety of cultural ventures that our students can participate in. Many of our students are involved in a variety of extracurricular activities that allow them the opportunity to grow at their own pace in a safe, nurturing environment. Our list of clubs, activities and other extracurricular offerings are

broadened each year in hopes of including something that interests each student.

As we look into the future, our commitment to innovation remains unwavering. Our state-of-the-art facilities and access to cutting-edge technologies create an atmosphere conducive to groundbreaking research and collaborative endeavours. We forge partnerships with industry leaders, enabling our students to gain real-world experiences that bridge the gap between theory and practice. At Nirmala Memorial Foundation College, we understand that the journey towards greatness is not a solitary one. Our tight-knit community of students, faculty, and staff create a supportive network that propels individuals towards their goals. We believe in fostering lifelong connections and providing a supportive environment that nurtures personal growth and well-being.

Ours is an institution where dreams take flight, ideas find their voice, and a world of endless possibilities awaits. Come, be a part of our vibrant community and embark on a transformative educational journey that will shape your future and leave an indelible mark on the world.

Dr. Jignesh Dalal
Vice-Principal
B.Com and M.Com Co-ordinator

The IQAC plays a pivotal role in ensuring the quality and continuous improvement of our academic and administrative processes. It is heartening to witness the collaborative efforts of our team and the entire college community in upholding our commitment to excellence.

Our college magazine is a reflection of the creativity, knowledge, and passion that flow through our campus. It captures the diverse achievements, innovative projects, and insightful thoughts of our students and faculty. This platform not only showcases our collective accomplishments but also serves as an inspiration for others to strive for greatness.

The NEP 2020 places a strong emphasis on a comprehensive approach to education that aspires to foster not only academic talents but also creativity, critical thinking, and life skills. The college starts this by providing students with a platform by including them in the creation of college magazines.

I would like to extend my heartfelt appreciation to the editorial team, especially the students and contributors who have contributed to making this magazine. Your dedication and hard work have undoubtedly created a masterpiece we can all be proud of.

As we turn the pages of this magazine, let us remember that each story represents a journey, each article embodies knowledge, and each photograph freezes a moment in time. May the pages of this magazine continue to remind us of our shared values, our pursuit of knowledge, and our commitment to making a positive impact on society.

I encourage all of you to take a moment to absorb the stories within these pages and let them inspire you to reach new heights. Let's continue to learn, innovate, and collaborate, keeping the flame of excellence alive in everything we do.

Thank you, and I look forward to another year of achievements and growth.

Dr. Poonam Kakkad
IQAC Co-ordinator

It is with great pleasure that we present to you the latest edition of our college magazine, a true testament to the vibrant spirit and diverse talents that thrive within our teacher and student community. This annual publication stands as a reflection of the relentless pursuit of excellence that defines our institution.

Over the past year, we have witnessed numerous accomplishments, both academically and extra curricular. From ground breaking research and innovative projects to captivating cultural performances and impactful community initiatives, our students have consistently demonstrated their dedication and enthusiasm. Our faculty members have continued to inspire and guide, fostering an environment of intellectual curiosity and growth.

This magazine not only celebrates our achievements but also serves as a platform to voice our ideas, share our stories, and ignite conversations on a wide range of subjects. Each article, artwork, and photograph featured here is a product of the collective efforts of our students and staff. The institution supports NEP 2020, which emphasises the growth of students' aptitude, creative potential, basic skills, critical thinking, and problem-solving abilities. Participating in the magazine's creation will help students to develop these talents.

As we delve into the pages of this magazine, let us be reminded of the power of collaboration, the importance of embracing diversity, and the boundless potential that lies within us. May it inspire us all to reach greater heights and strive for excellence in every endeavor we undertake.

I extend my heartfelt gratitude to the editorial team, contributors, and everyone who played a part in bringing this magazine to life. Your hard work and dedication shine brightly within these pages.

Wishing you all an engaging and inspiring experience as you explore the contents of our college magazine. Let it be a source of motivation and a reminder of the incredible journey we are all a part of.

Dr. Poonam Kakkad
BMS and BAF Co-ordinator

As we embrace the future, we remain committed to excellence and innovation. Our goal is to continue providing an unparalleled learning experience, fostering a spirit of curiosity and inquiry, and producing well-rounded graduates who are not only proficient in IT skills but also ethical and responsible contributors to society.

I extend my heartfelt gratitude to our management for the best technical infrastructure, updated Labs, air-conditioned classrooms with projector and wi-fi facility. I am also thankful to the expert faculties, students, parents, staff, and the entire college community for their unwavering support and dedication. Management has distributed Laptops to the needy students for the practicing and project

work. We have organised Industry visits, Workshops, Seminars and online certification courses in collaboration with IIT Mumbai. Internships provided to the students in Cyber Security, Python Programming etc. Technical festival of the department is organised by students and it was a great success. Together, we will continue to shape the future of technology education and contribute to the ever-evolving landscape of information technology.

The NEP 2020 aims to provide a holistic and flexible learning experience to students by minimizing the school curriculum content and focusing on 21st-century skills such as analytical and critical thinking, experiential learning, and creativity.

Ms. Vaishali Mishra
B.Sc.IT and B.Sc.CS Co-ordinator

In the last twenty-three years the name of Nirmala Memorial Foundation College has become synonymous with distinction, innovation, reliability and exceptional eminence. I deem it my honor to serve as the Registrar of the college which is embedded with humanitarian mission and philanthropic fervor to inspire the youth to achieve brilliance in their chosen fields. The pledge to follow the path of achievements and accomplishments is leading us toward imposing apexes.

We at NMFC are committed to provide our students with outstanding education, practical training and facilities in the career they have chosen to pursue. To touch this pedestal we constantly update our curriculum, so that good quality professionals come up to fulfill the emerging needs of industries and social landscape. Recognizing the interdisciplinary nature of modern challenges, the NEP encourages a multidisciplinary approach to education. It promotes the integration of subjects to foster creative thinking and problem-solving across diverse domains.

Not just for a decent career, we prepare a student for life. Endowing them with the best of facilities, we emphasize on imparting excellent education to our students in an encouraging environment; we pay equal attention to the overall development of our students. We provide opportunities for students to develop their personalities in terms of sports and cultural activities so that they become good human beings. We firmly believe in knowledge dissemination and knowledge creation through our highly qualified and experienced faculty members.

We invite you to join hands with us and work in unison to build up your blooming career. I wish you the very best and hope to see you make your career choice with NMFC and join the mounting family of emerging cultural, care and virtuous professionals.

Ms. Swati Desai
Registrar, NMFC

WORDS OF WISDOM

In our rapidly evolving world, technology has become more crucial than ever before. As the MSC IT Coordinator, I am delighted to emphasize the indispensable role that technology plays in our lives, both personally and professionally. It's not just a tool; it's a driving force that propels us forward in countless ways.

In our MSC IT curriculum, we emphasize innovation and expertise. With advanced subjects like data science, cloud computing, big data analytics, and image processing, we equip our students with the tools to excel in a technology-driven world. Our specializations in AI, Cloud Technology, Security, and Image Processing further empower them to specialize in key areas, fostering their mastery of the latest technological trends.

Yet, our commitment to technology goes beyond the classroom. We are embracing the NEP's multidisciplinary approach, breaking down traditional subject silos to encourage cross-disciplinary learning. Our college boasts six high-configuration labs that provide students with hands-on learning experiences. These labs are not just spaces; they're innovation hubs where ideas come to life. We encourage our postgraduate students to actively explore and implement new technology concepts, transforming theoretical knowledge into practical solutions.

Our expansive library complements this spirit of innovation. With e-learning facilities, students can access a wealth of digital resources, enhancing their research capabilities. This allows them to delve deeper into technological concepts, inspiring innovative projects and research initiatives.

By encouraging our students to experiment with new technology concepts, we provide them with the opportunity to test their ideas, iterate on solutions, and contribute to the evolution of technology within our institution. This initiative not only benefits our students but also enriches the college environment. Their innovative projects have the potential to enhance operational efficiency, streamline processes, and contribute to the growth of our institution.

In conclusion, I urge each of you to support and nurture this culture of innovation. Let's continue harnessing technology's power to shape a brighter future for our organization, the world, and ourselves.

Ms. Bhakti Chaudhari
MSC IT Co-ordinator

INTERSTATE FACULTY AND STUDENT EXCHANGE PROGRAM

“Student Exchange Program between Nirmala Memorial Foundation College of Commerce and Science (NMFC) & Andhra Loyola Institute of Engineering and Technology (ALIET)”

ABOUT MOU BETWEEN NMFC & ALIET

Nirmala Memorial Foundation College of Commerce and Science, Kandivali East, Mumbai - 400101 and Andhra Loyola Institute of Engineering and Technology (ALIET), Vijayawada, Andhra Pradesh - 520008 signed an Inter-state Memorandum of Understanding (MoU).

ABOUT ALIET

ALIET has been accredited by NAAC with a Grade “A+ 3.3 CGPA” & is an ISO 9001:2015 Certified Institution. ALIET is a sister institution of Andhra Loyola College (ALC), Vijayawada, a well-reputed autonomous college started in 1953 and awarded the status 'College with Potential for Excellence' (CPE) by the UGC. Both these institutions, situated in the same 98-acre campus, are registered under the Loyola College Society, Guntur-Vijayawada.

As a part of NMFC & ALIET Inter-state MoU, The Internal Quality Assurance Cell (IQAC) in association with Department of B.Sc. IT and B.Sc. CS, M.Sc. IT of Nirmala Memorial Foundation College of Commerce and Science organised the student exchange program. The three-day program took place from 27th April 2023 to 29th April 2023. In this program, six student delegates, two teaching staff members, and the Assistant Director of ALIET graced our college with their presence. They participated in various learning activities such as conferences, Industrial Visits, workshops and others.

A special team constituting MSc. IT Coordinator Ms. Bhakti Chaudhari, Assistant Professor Ms. Aparna Panigrahy and Program Guide Mr. Shivkumar Chandey, led by the College Management, I/C Principal and IQAC Coordinator Dr. Poonam Kakkad, worked relentlessly round the clock to execute the student exchange program to perfection.

AIM

ENGLISH LITERARY ASSOCIATION

Knowledge of languages is the doorway to wisdom.

- Roger Bacon, English Philosopher

The English Literary Association (ELA) of the college is unswervingly committed to enhancing the communication skills of learners, with a special focus on the English language.

From the outset, the ELA has crafted unique and vibrant platforms to help learners explore their skills and cultivate confidence and finesse in their use of the English language.

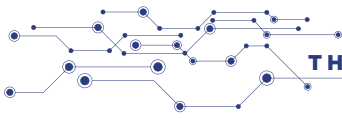

An eclectic mix of activities, competitions and initiatives has been undertaken by the ELA to further this cause. Over the years, the ELA has organised various programmes, competitions, events, seminars, webinars and more for learners in pursuit of the acquisition of skills in the English language.

Apart from experienced, able teacher members, outside experts are also invited and involved as resource persons, judges and guiding forces for the learners. The objective is to lend a fresh touch and a glimpse into the current industry requirements and trends to the learners.

THE FOLLOWING ACTIVITIES WERE UNDERTAKEN BY THE ENGLISH LITERARY ASSOCIATION IN THE ACADEMIC YEAR 2022-23:

- On **19th September, 2022** the English Literary Association organised a seminar on **“What is Content Writing? The Art of Telling Stories”**. Ms. Sonali Kelapure, Director, Ka Kha Ga, a creative content studio, conducted the highly engaging and interactive session. She made the participants discover the art of story-telling skills by getting them to weave a story on the spot. The participants, a total of 34 in number, enjoyed the session thoroughly and gained new insights into the craft of building a great story.
- On **28th September, 2022** the English Literary Association organised **“Speak Up!”** an open mic challenge, with a view to providing participants with a platform to express their thoughts confidently and discover their potential in the use of the English language. Ms. Mona Punjabi was the judge who presided over the competition. Nine participants took part in the

competition, which helped them showcase their articulateness and ability to express themselves confidently on the open mic.

- On **23rd January, 2023** the English Literary Association organised “**English Fiesta**”, a language fest, in the college. A host of English-language-based games, competitions, and activities were held during the program. Students delved deep into the sphere of English language-based games, tested their flair for the language, and discovered new insights by participating in a series of games. 22 participants surpassed the minimum score set at the start and were rewarded with a token gift.

Key takeaways from the activities conducted by ELA:

- Learners learned the art of storytelling through creative tips and techniques.
- The art of voicing one’s opinion on an open-air mic was made available for the learners to master.
- Learners were familiarised with interesting, vibrant activities and games to enhance their English language skills.
- It became easier for learners to develop confidence in expressing themselves in English.

KEY TAKEAWAYS FROM THE ACTIVITIES CONDUCTED BY NSS UNIT

National Service Scheme (NSS) activities are designed to provide students with valuable learning experiences that go beyond traditional classroom education. The learning outcomes of NSS activities can vary depending on the specific projects and activities undertaken, but generally, they aim to achieve the following educational goals:

1. **Community Engagement and Empathy:** NSS activities help students connect with the community and gain a better understanding of the challenges and needs of society. They develop empathy and a sense of responsibility towards the less privileged.
2. **Leadership and Teamwork:** Participation in NSS activities often involves working in teams and taking on leadership roles. Students learn to collaborate effectively, manage projects, and make decisions as part of a team.
3. **Problem-Solving Skills:** NSS projects often require students to address real-world problems. This experience fosters critical thinking and problem-solving skills as they find creative solutions to community issues.
4. **Communication Skills:** Interacting with diverse groups of people in the community helps students improve their communication skills, including listening, speaking, and conveying ideas effectively.
5. **Social Awareness:** NSS activities raise students' awareness of social, cultural, and environmental issues. They gain insight into the root causes of these problems and develop a sense of social responsibility.

6. **Cultural Sensitivity and Inclusivity:** Engaging with diverse communities promotes cultural sensitivity and inclusivity. Students learn to respect and appreciate different cultures, traditions, and perspectives.
7. **Self-Confidence and Self-Esteem:** NSS provides opportunities for personal growth and self-discovery. Students often gain confidence in their abilities and develop a sense of self-worth through their service experiences.
8. **Civic Responsibility:** NSS instills a sense of civic duty and encourages active participation in democratic processes. Students learn about their rights and responsibilities as citizens.

9. **Time Management and Organizational Skills:** Balancing NSS activities with academic commitments teaches students time management and organizational skills, which are essential for success in any field.
10. **Environmental Awareness:** Some NSS projects focus on environmental conservation and sustainability. Students learn about the importance of protecting the environment and sustainable practices.
11. **Health and Wellness:** NSS activities can promote health and wellness among participants and the community through activities such as health camps, awareness campaigns, and fitness initiatives.
12. **Networking and Social Connections:** NSS provides opportunities to build a network of contacts in the community and develop meaningful social connections that can be beneficial in the future.
13. **Character Development:** Engaging in NSS can contribute to the development of strong character traits such as responsibility, integrity, and a sense of justice.
14. **Career Skills:** Depending on the nature of NSS activities, students may also acquire career-related skills, such as project management, data collection, and analysis, which can be valuable in their professional lives.
15. **Global Perspective:** Some NSS activities may have an international dimension, promoting a global perspective and an understanding of global issues.

Mr. Pakhare's son is currently studying at our institute. Having Mr. Pakhare as a judge has given us an opportunity to become more inclusive in our approach. Parents are our valued stakeholders, and collaborating with them is definitely a positive step.

CHIEF GUEST OF THE VALEDICTORY OF NIRVAAN 2023:

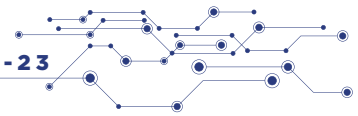

Mr Nilesh Sawe- An eminent personality with great skills, he is the Cultural Coordinator at the University of Mumbai. He is also a theatre artist and has appeared in serials and films. He has also won prestigious awards in the course of his career.

GUESTS OF HONOR

Mr Kunal Naik, an Alumnus of 2021 batch

He has rich experience as an Assistant Talent Producer at Sa Re Ga Ma Pa Li'l Champs. He has also been seen in Superstar Singer Season 2.

Zee TV's Dance with Me and also for Sony Entertainment's Ke Liye Kuch Bhi Karega. He is judging the event, Face Off.

Mr. Vaibhav Agrawal

Mr. Vaibhav Agrawal is a Defence Correspondent at Frontier India and Mission Victory India.

He has worked as a journalist with various online platforms. He is also talented as a professional musician.

Mr. Sohil Vora, an Alumnus of the 2011 batch

Mr. Sohil Vora is a Deputy Manager at Vistara Airlines.

The Guests of honor were invited to the inaugural function of Nirvaan 2023.

After a grand inauguration ceremony, the events commenced in full swing and lasted throughout the evening on both the days.

ABOUT NIRVAAN

Nirvaan is Nirmala Memorial Foundation College of Commerce and Science's mega intercollegiate festival, organised and managed predominantly by the students of the college.

Besides honing the key skills of the participants, the college aims to impart holistic healing to the participants by making them industry-ready and efficient.

JUDGES AT NIRVAAN 2023

A panel of distinctive experts, renowned in their areas, presided as judges over the competitions on both days.

Some of the personalities who graced our event as judges are

- Mr. Vivek Sawant- A Bollywood choreographer with twelve years of experience in choreography and events. He has also worked with many big brands

and corporate companies. He has been awarded with Dada Saheb Phalke Puraskar, and MTV Fanta Fun Dance, the You TV Bindass Street Dance, and the Dance Mumbai Dance. He is also an emerging director.

- Ms. Prachi Gadkari- An author, orator, poetess, and, among other accomplishments, a speaker on All India Radio's Aakashwani, where she gives discourses on Upanishads and Vedas. She is the winner of several awards at the national level too.
- Mr. Pradip Gogate, winner of Maharashtra Kala Sanman Puraskar
- Mr. Mahesh Shukla- Renowned stage artist, director and writer. He's also appeared in independent films initially as a child actor and followed it up with more films.

- Mr. Hemang Jangla- An alumnus of IIM Ahmedabad, Mr. Jangla is an ace businessman with keen acumen in business broking. He's also co-authored a book titled Insurance for All. He also writes poetry besides taking a keen interest in diverse fields.

SOCIAL RESPONSIBILITY- A KEY OBJECTIVE MET SUCCESSFULLY

Every year, the theme of Nirvaan is unique, and a social responsibility activity is also carried out with it. This year, Sneha Milan, was an exhibition-cum-sale in which the specially-abled individuals participated. They displayed their products and set up stalls of food articles too. The entire proceeds of the sale went to all the participants. Our institute strived to give wide publicity to the event to ensure maximum visitors.

SPLASH 2.0 INTRA-COLLEGIATE FEST

Nirmala Memorial Foundation College of Commerce and Science organised Splash 2.0, an Intra-collegiate event under the leadership of the Management, Academic Director, Principal of the degree college, Coordinators, teachers, and non-teaching staff on 30th January 2023 and 1st February 2023. As the name suggests, Splash 2.0 is the second edition of this Intra-collegiate competition. This year too, it encompassed a wide array of activities, competitions, and an opportunity for learners to experience entrepreneurship and apply it in real time.

Held over two days, Splash 2.0 commenced with a grand inauguration ceremony at 12:00 noon on January 30th, 2023, and then proceeded with a range of talent competitions.

THE FOLLOWING COMPETITIONS WERE HELD ON

DAY 1:

- Singing (Theme: Open) Judged by Ms. Sujata Banerjee and Ms. Preeti Shedge
- Solo Dance (Theme: Western) Judged by Ms. Swati Sharma and Ms. Rita Roy
- Group Dance (Theme: Retro) Judged by Ms. Anjana Tawani and Ms. Richa Kharwar
- Fashion Show Judged by Ms. Sweety Singh and Ms. Tejal Dhodia

- Jewellery Making (Bio Vintage) Judged by Ms. Jyoti Lalwani and Ms. Meena Pawar
- Chitrakala (Theme: Mandala Art) Judged by Ms. Usha Iyer and Ms. Manjisha Malakar
- Wall Painting (Theme: Flora and Fauna) Judged by Ms. Mrunali Pawar and Ms. Sanyogeeta Dubey.

DAY 2

Competitions, Food Stalls and Gaming Corners- an Initiative to Inculcate Entrepreneurship amongst Learners

On Day 2, i.e., February 1st, 2023, learners, under the guidance and encouragement of professors for days in advance, set up stalls of food and games on the campus as part of Splash 2.0.

Every division across all programs participated in the activity. Learners who set up food stalls offered a wide variety of cuisine, consisting of snacks and beverages. All the food articles were priced at Rs. 20 or below, which made it possible for everyone to relish the mouth-watering varieties to their heart's content.

In addition, the games were also priced up to Rs. 20, which made for pocket-friendly entertainment and fun.

THE COMPETITIONS THAT TOOK PLACE ON DAY 2 ARE AS FOLLOWS:

- Solo Dance, Duet Dance, Group Dance and Fashion Show.
- They were held for all the programs in separate segments. The learners depicted a variety of concepts through the themes set for each competition.
- Some teachers also participated in the fashion show along with the students. Winners of competitions on both days were awarded certificates and cash prizes.
- A finale act was performed, and a valedictory was also duly conducted as the culmination of the event.

OBJECTIVE

The objective was to encourage the learners to experience trading, persuasion, and earning

profits at a micro level. It also included inducing the customer to buy products/ services to hone business skills.

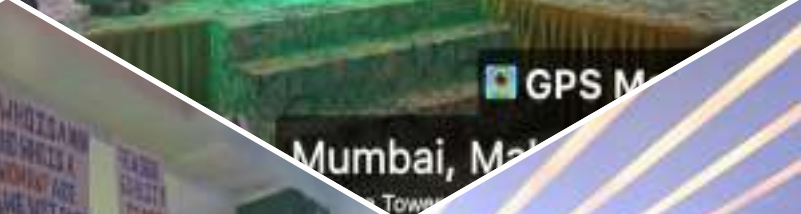

Prizes for the best stall were also given to learners who displayed the best product, quality, and arrangements.

Since all the food, beverages, and games were affordable at Rs. 20, it was possible for everyone to try out a lot of the things on offer. The learners, who set up their stalls, earned brisk profits and gained experience sure to benefit them in the future.

The institute has undertaken wide-ranging efforts to give practical exposure to learners throughout the year. Splash 2.0 is one such initiative that met with an enthusiastic response from every stakeholder, apart from the learners, teachers, and non-teaching staff who were a part of this fete.

**NATION'S CULTURE RESIDES IN THE HEARTS
AND IN THE SOUL OF ITS PEOPLE.**

I STARTED MY JOURNEY AS A GIRL AND ENDED UP BEING A QUEEN

I started a day,
 Searching for a way,
 I asked the question why?
 I saw the bright sky,
 Until I met a guy.
 He proposed to me, and I said yes.
 Morning messages, night texts,
 He treated me like a shoe without lace.
 He send his photo but I wouldn't
 He said you should, but I wouldn't
 There were restrictions that I know,
 Oh God, I was an unholy child
 that no one knows.
 We have started together,
 We didn't knew each other.
 You have crossed the way,
 I was just a slave.
 You never saw back
 there was a proposal that lacks.
 I told you I have someone,
 You kept asking for the name,
 You changed my name,
 I had to leave my fame.
 Suddenly the brightest of light,
 Turned into the darkest of nights.
 You leave me in such a way,
 Like there is no way for a day.
 A long night full of fear,
 Inner fight full of tears.
 We didn't break up,
 One fortune just ends up.
 Dark shadows around me,
 Shouting, eating, haunting me,
 I started to hate myself,
 Till I met to myself.

When there was no way for daylight,
 I found myself being guided by an inner guide,
 The day goes on,
 Finally, I move on.
 I started learning new things,
 In thought that I'm achieving my own wings.
 You should know your journey,
 If you want to reach the destiny.
 Past cannot be changed,
 But can bury and forgotten.
 My past was a few minutes last,
 He gave me tension,
 Which is now my lesson.
 How weaker my past made me,
 The stronger my future wants me.
 The universe played a major role,
 Introduced me to my major goal.
 I was so busy with my schedule that,
 I don't need any person to stay beside me.
 Morning workout, afternoon meetings,
 Evenings routine,
 the night is for sleeping.
 New idea invention,
 Life of perfection.
 They prefer to be silver but I stay gold,
 First I was running beside the diamond,
 Now I own my crown.
 I'm living with who knows my existence,
 And I know his extince.
 Cuz Queen's heart is not fragile.

Efficiency Made Easy: The Best Time-Saving Tips for a Productive Lifestyle

In today's fast-paced world, time is a precious commodity. Maximizing productivity and efficiency can help us achieve our goals while still finding time for the things we enjoy. In this article, we will explore some of the most effective time-saving tips that can streamline our daily routines, enhance productivity, and create a more balanced lifestyle.

1. **Prioritize and Plan:**

Start your day by identifying the most important tasks or goals. Create a to-do list and allocate specific time slots for each task. Prioritizing helps you stay focused and ensures that vital tasks are accomplished first.

2. **Embrace Technology:**

Leverage efficient technology tools to automate repetitive tasks. Use productivity apps, time-tracking software, and project management tools to streamline your workflow and optimize your time management.

3. **Avoid Multitasking:**

Contrary to popular belief, multitasking can actually hinder productivity. Instead, practice focused work by dedicating your attention to one task at a time. This approach enables you to maintain quality and efficiency in your work.

4. **Delegate and Outsource:**

Recognize that you can't do everything yourself. Delegate tasks to capable individuals or consider outsourcing tasks that are not your core strengths. This allows you to focus on more important responsibilities while freeing up time for other activities.

5. **Set Realistic Deadlines:**

Stay realistic when setting deadlines for yourself and others. Avoid overcommitting and create buffer time to account for unexpected delays or challenges that may arise. This approach reduces stress and ensures a more balanced workload.

6. **Minimize Distractions:**

Identify and minimize distractions that hamper productivity. Create a designated workspace, silence unnecessary notifications on your devices, and establish boundaries to avoid interruptions from colleagues or family members.

7. **Optimize Commute and Waiting Time:**

Make the most of commute and waiting time by utilizing it for productive tasks. Listen to audiobooks, podcasts, or educational materials, or use speech-to-text apps to jot down ideas, make notes, or respond to emails.

8. **Group Similar Tasks:**

Batch similar tasks together to avoid context-switching. Answering emails, making phone calls, or completing administrative work in dedicated time blocks reduces overall time wastage and helps maintain focus.

9. **Take Regular Breaks:**

While it may sound counterintuitive, taking short breaks helps to recharge your energy levels and maintain focus. Incorporate regular intervals into your schedule to prevent burnout and maintain a higher level of productivity.

10. **Practice Self-Care:**

Investing time in self-care activities, such as exercise, meditation, and sufficient sleep, enhances overall well-being and increases productivity. Taking care of yourself ensures that you have the energy and mental clarity to tackle tasks efficiently.

Time is a valuable resource, and with effective time-saving strategies, we can make the most of it. By prioritizing, planning, embracing technology, reducing distractions, and optimizing our routines, we can achieve a greater level of productivity and create a more balanced and fulfilling lifestyle. Incorporate these time-saving tips into your daily routine and unlock the potential for increased efficiency and personal success.

The Power of Compassion: Nurturing Empathy in Today's World

In a world filled with constant changes, challenges, and diverse perspectives, compassion remains a timeless virtue that can bridge gaps and create understanding. In this blog, we will explore the significance of compassion, its benefits, and how we can cultivate and embrace empathy in our day-to-day lives.

Understanding Compassion:

Compassion can be defined as the ability to understand and empathize with the suffering of others, accompanied by the desire to alleviate their pain. It serves as a powerful catalyst for positive change, fostering kindness, connection, and harmonious coexistence.

The Benefits of Compassion:

1. **Enhancing Relationships:** Compassion strengthens relationships by promoting better communication, empathy, and mutual understanding. It nurtures healthy connections and helps resolve conflicts with sensitivity and respect.
2. **Emotional Well-being:** Practicing compassion has a direct impact on our own well-being. It generates positive emotions, reduces stress, and increases our overall sense of happiness and contentment.
3. **Creating a Positive Ripple Effect:** Compassion can inspire others to show kindness and consider the welfare of others. Even a single act of compassion has the potential to create a ripple effect, leading to a more compassionate and harmonious society.
4. **Building Resilience:** Empathy and compassion enable individuals to navigate challenging situations with greater resilience. It helps us better understand diverse perspectives and find constructive solutions.

Cultivating Compassion:

1. **Self-Compassion:** Begin by showing kindness and understanding to yourself. Treat yourself with the same empathy you extend to others, recognizing your own struggles and nurturing self-care practices.

2. **Cultivating Empathy:** Practice active listening and put yourself in others' shoes to better understand their experiences, emotions, and needs. Genuine curiosity and open-mindedness can facilitate greater empathy.
3. **Acts of Kindness:** Small acts of kindness can have a profound impact. Engage in simple gestures like random acts of kindness, volunteering, or supporting social causes.
4. **Mindfulness:** Cultivating mindfulness can enhance compassion. Being fully present and attentive allows us to notice and respond to the suffering of others with empathy and care.
5. **Seek Connection:** Actively seek out communities or organizations that promote compassion and provide opportunities for collaboration and learning.

Embracing a Compassionate World:

By prioritizing compassion in our lives, we contribute to a more compassionate world. Together, let's foster understanding, empathy, and kindness in our interactions, relationships, and communities. In doing so, we can bring about positive change and create a more harmonious and compassionate society for all.

Compassion is a fundamental human trait that has the power to transform lives and bring people closer together. By embracing and cultivating empathy in our daily lives, we can positively impact our well-being, relationships, and the world around us. Let's make compassion a guiding principle and embark on a journey towards a more empathetic and compassionate world.

Navigating the Complex World of the Share Market

The share market, often referred to as the stock market, is a dynamic and complex financial ecosystem that plays a vital role in the global economy. It serves as a platform where individuals and institutions can buy and sell shares or ownership stakes in publicly traded companies. This exchange of ownership represents a fascinating blend of economics, psychology, and strategy, making the share market a captivating and potentially rewarding arena for investors. In this article, we'll explore some key aspects of the share market and provide insights for those looking to enter this realm.

Understanding the Basics:

At its core, the share market involves the buying and selling of shares, which represent ownership in a company. When you buy shares, you become a shareholder, which means you have a stake in the company's future performance. If the company does well, the value of its shares may increase, allowing you to sell them at a profit. Conversely, if the company performs poorly, the value of its shares might decline.

Types of Markets:

There are two primary types of share markets: primary markets and secondary markets. The primary market is where companies issue new shares to raise capital. This is typically done through initial public offerings (IPOs). In contrast, the secondary market is where investors trade existing shares among themselves. The most well-known secondary market is the stock exchange, such as the New York Stock Exchange (NYSE) or the Nasdaq.

Factors Influencing Share Prices:

Share prices are influenced by a multitude of factors, including the company's financial performance, industry trends, economic conditions, geopolitical events, and even investor sentiment. Economic indicators like GDP growth, inflation rates, and unemployment numbers can impact market sentiment and subsequently affect share prices.

Investment Strategies:

Several investment strategies exist in the share market, each catering to different risk appetites and goals. Some investors prefer a passive

approach, investing in index funds or exchange-traded funds (ETFs) that track the performance of a specific market index. Others opt for a more active approach, researching individual companies and attempting to identify undervalued stocks with growth potential.

Risks and Rewards:

Investing in the share market offers the potential for substantial financial gains, but it also carries inherent risks. Share prices can be volatile, influenced by both company-specific factors and broader market conditions. It's crucial for investors to conduct thorough research, diversify their portfolios, and be prepared for market fluctuations.

Long-Term vs. Short-Term:

Investors often categorize themselves as either long-term or short-term investors. Long-term investors, also known as "buy and hold" investors, aim to build wealth over an extended period by staying invested in well-performing companies. Short-term investors, on the other hand, seek to capitalize on short-lived market movements, potentially making quick profits through trades.

Staying Informed:

Staying informed about market trends, financial news, and the performance of individual companies is essential for successful investing. Online financial news outlets, market analysis platforms, and official company reports are valuable resources for staying updated.

The share market is a captivating world where financial opportunities and challenges intersect. It's a space where investors can allocate their capital, support companies' growth, and potentially achieve significant financial goals. However, it's important to remember that investing in the share market requires careful consideration, thorough research, and an understanding of the risks involved. Whether you're a novice investor looking to dip your toes or a seasoned trader navigating market dynamics, the share market offers a fascinating journey filled with learning and growth.

Why are friends important in our life?

Friends are important in our lives for various reasons. They provide emotional support, companionship, and a sense of belonging. Friends offer a listening ear, empathy, and a safe space to share our thoughts and feelings. They can help us navigate challenges, provide different perspectives, and offer advice when needed. Additionally, friendships contribute to our overall well-being by reducing stress, improving our mental health, and enhancing our happiness. Friends also create opportunities for shared experiences, laughter, and the creation of lasting memories. Certainly, here are some more reasons why friends are important in our lives:

1. **Social Support:** Friends offer a strong social support network that can help us cope with life's ups and downs. Having someone to lean on during difficult times can lessen feelings of loneliness and isolation.
2. **Personal Growth:** Friends encourage personal growth by exposing us to new ideas, experiences, and perspectives. They challenge our beliefs and help us become more open-minded individuals.
3. **Stress Relief:** Spending time with friends can be a great way to unwind and relax. Engaging in enjoyable activities together can reduce stress and promote a sense of well-being.
4. **Fun and Enjoyment:** Friends add joy and excitement to our lives. Engaging in hobbies, outings, and adventures with friends can make life more fulfilling and memorable.
5. **Healthy Habits:** Friends can influence us positively, encouraging healthy behaviours like exercising, eating well, and taking care of our mental health.
6. **Boosting Confidence:** Supportive friends can boost our self-esteem and confidence. They remind us of our strengths and qualities, helping us feel better about ourselves.
7. **Networking:** Friends provide opportunities for networking and professional connections. They can introduce us to new people and opportunities that might benefit our careers or personal interests.
8. **Longevity and Well-being:** Studies suggest that having strong social connections, including friendships, is linked to a longer life and improved overall health. Social interactions can help reduce the risk of depression and cognitive decline.
9. **Shared Memories:** Friends contribute to our collection of shared memories, forming a bond that can withstand the test of time. These memories become a source of comfort and nostalgia.
10. **Unconditional Support:** True friends accept us for who we are, flaws and all. They offer unconditional support and love, creating a sense of security in our relationships.
11. **Celebrating Achievements:** Friends celebrate our successes and milestones with genuine happiness. Having friends to share accomplishments with makes the joy even more meaningful.

In summary, friends play a vital role in our lives by providing emotional support, personal growth opportunities, stress relief, enjoyment, and more. They contribute to our well-being and enrich our experiences in numerous ways.

Embracing Equality: The Journey of LGBTQ+ Rights

LGBTQ+ rights have come a long way over the years, marking a significant shift in societal perceptions, policies, and attitudes. This blog explores the evolution of LGBTQ+ rights, highlighting key milestones, challenges, and the ongoing pursuit of equality and acceptance.

The struggle for LGBTQ+ rights is deeply rooted in history, with movements dating back to the Stonewall riots of 1969. These events ignited the modern fight for equality, challenging the oppressive norms that had marginalized the LGBTQ+ community for decades. Over the years, legal victories have been instrumental in advancing LGBTQ+ rights. Landmark decisions, such as the legalization of same-sex marriage in several countries, have reshaped the legal landscape and granted equal rights to LGBTQ+ couples. Media representation and visibility play a pivotal role in challenging stereotypes and fostering understanding. The rise of openly LGBTQ+ celebrities, characters in TV shows and movies, and Pride parades have helped shift public perceptions and promote acceptance. Despite progress, challenges persist. LGBTQ+ individuals continue to face discrimination in various aspects of life, including employment, healthcare, and housing. Transgender rights, in particular, remain a focal point, with ongoing debates about access to healthcare, legal recognition, and protection from violence.

LGBTQ+ rights vary widely across the globe. While some countries have made significant strides, others still criminalize same-sex

relationships and transgender identities. Advocacy on the international stage aims to address these disparities and promote a more inclusive world. The struggle for LGBTQ+ rights is closely tied to mental health and well-being. Discrimination and rejection can lead to higher rates of mental health challenges among LGBTQ+ individuals. Creating safe spaces and providing support is essential for fostering a healthier community.

Recognizing the intersections of LGBTQ+ identities with race, gender, and socioeconomic factors is crucial. The fight for LGBTQ+ rights must address the unique challenges faced by individuals who belong to multiple marginalized groups. Education plays a pivotal role in dispelling myths and prejudices surrounding LGBTQ+ issues. Schools and communities must promote inclusivity and provide accurate information to foster understanding and acceptance among all members of society.

The journey of LGBTQ+ rights reflects the broader evolution of societal norms and values. While progress has been made, the fight for equality and acceptance is far from over. By understanding the history, celebrating victories, and acknowledging the ongoing challenges, we can collectively work towards a world that embraces the diversity of LGBTQ+ individuals and upholds their fundamental rights.

Adapting to AI in the Job Market: A Guide for Upcoming Students

In today's rapidly evolving job market, the integration of Artificial Intelligence (AI) is transforming industries and creating new opportunities. As students prepare to enter this dynamic landscape, it's crucial to understand how to adapt and thrive alongside AI

technologies. This blog post provides essential insights and strategies for upcoming students to effectively navigate the AI-powered job market.

1. **Embrace Lifelong Learning:**

The first step in preparing for an AI-driven job market is to cultivate a mindset of continuous learning. AI technologies are constantly evolving and staying updated is essential. Engage in online courses, workshops and webinars to learn about AI concepts, applications and developments. Platforms like Coursera, edX and Khan Academy offer numerous AI-related courses that can enhance your skills and knowledge.

2. **Develop Soft Skills:**

While AI can handle various tasks, it still lacks essential human qualities like empathy, creativity and critical thinking. Focus on honing these soft skills that set you apart from AI. Cultivating effective communication, teamwork, adaptability and problem-solving skills will make you invaluable in any AI-augmented workplace.

3. **Understand AI Applications:**

Familiarize yourself with the applications of AI in various industries. Whether it's healthcare, finance, marketing or manufacturing, AI is being integrated to streamline processes, analyze data and make informed decisions. Explore case studies and success stories to gain insights into how AI is revolutionizing different sectors.

4. **Choose Complementary Skills:**

Instead of fearing AI as a job replacement, view it as a tool that complements your skills. Identify areas where AI can enhance your abilities and improve efficiency. For instance, if you're interested in marketing, learn how to leverage AI for data analysis, customer insights and personalized campaigns.

5. **Cultivate Data Literacy:**

Data is the fuel that powers AI systems. Developing a strong understanding of data analysis, interpretation and visualization is essential. Learn how to work with data tools and software, as this skill will be valuable across various roles and industries.

6. **Seek Interdisciplinary Knowledge:**

AI intersects with numerous fields like ethics, law, psychology, and economics. Understanding these intersections can

provide you with a broader perspective on AI's impact and implications. Interdisciplinary knowledge can help you navigate ethical challenges and contribute to shaping AI policies.

7. **Embrace Entrepreneurial Mindset:**

The rapid advancement of AI technology often leads to the creation of new markets and opportunities. Consider developing an entrepreneurial mindset by identifying gaps that AI can address. This could involve creating AI-powered solutions or startups that cater to specific needs.

8. **Adaptability is Key:**

The job market will continue to change as AI evolves. Be prepared to adapt and pivot your career path when necessary. The ability to learn quickly, embrace change, and switch roles will be crucial in staying relevant and competitive.

9. **Network and Connect:**

Building a strong professional network is invaluable. Attend AI conferences, workshops and seminars to connect with experts, practitioners, and like-minded individuals. Networking can open doors to collaborations, mentorship and job opportunities in the AI field.

10. **Emphasize Ethical Considerations:**

As AI becomes more integrated into society, ethical considerations gain prominence. Understand the ethical implications of AI, including bias, privacy, and transparency. Being well-versed in these matters will position you as an informed advocate for responsible AI usage.

In conclusion, the AI-driven job market offers a multitude of opportunities for upcoming students. By embracing continuous learning, developing soft skills, understanding AI applications, and maintaining an adaptable mindset, you can thrive alongside AI technologies. Remember, the goal is not to compete with AI, but to leverage its capabilities to enhance your own potential and contribute meaningfully to the workforce of the future.

The Promise of AI in Education: Shaping Tomorrow's Learning Today

Artificial Intelligence (AI) is making its mark on education, promising to transform traditional classrooms into dynamic learning environments. Imagine a virtual tutor that understands each student's strengths and challenges, helping them excel at their own pace. AI-powered educational tools are making this a reality. These tools adapt to individual learning styles, offering personalized exercises and real-time feedback that cater to each student's needs.

As AI continues to advance, it holds the potential to revolutionize the way we teach and learn, empowering educators to focus on creativity and critical thinking and preparing students for a future where adaptability and technological literacy are key.

Why Volunteer?

Volunteering is more than just a resume booster; it's an opportunity to make a genuine difference. Whether it's spending time with underprivileged children, assisting the elderly, participating in environmental clean-ups or contributing to local nonprofits, the act of giving back to the community fosters a sense of empathy and connection that transcends our individual lives. It's a chance to step outside our comfort zones, learn about diverse perspectives and develop skills that are not typically taught in classrooms.

Making a Difference: The Power of Volunteer and Community Service

In a world that often seems fast-paced and self-centered, the impact of volunteerism and community service cannot be overstated. These acts of selflessness have the power to transform not only the lives of those in need but also the volunteers themselves. As college students, we have a unique opportunity to engage in volunteer and community service initiatives that can shape our perspectives, enrich our experiences and leave a lasting mark on the world around us.

Impact on Personal Growth

Engaging in volunteer and community service activities can lead to profound personal growth. It helps us develop skills like communication, teamwork, leadership, and problem-solving, all of which are invaluable in the real world. When we interact with people from different walks of life, we broaden our horizons and become more culturally aware. These experiences build character, boost self-confidence and prepare us to be responsible citizens who contribute positively to society.

Building Connections and Networks

Volunteer work provides a unique platform for building meaningful relationships. It brings together individuals who share a common goal: making the world a better place. The connections formed during volunteer activities can lead to lifelong friendships, mentorship opportunities, and even professional connections. Through collaboration on service projects, we learn to work harmoniously with others, fostering a sense of unity that can extend beyond the volunteer experience.

Creating Lasting Change

Every act of service, no matter how small, contributes to the greater good. Whether you're planting trees to combat deforestation, organizing food drives to fight hunger, or tutoring disadvantaged students, your efforts can create a ripple effect that extends far beyond your immediate involvement. The positive changes you initiate can inspire others to take action, creating a domino effect of compassion and positive change.

National Service Scheme राष्ट्रीय सेवा योजना

Getting Involved on Campus

Colleges are often hubs of volunteer and community service opportunities. From campus-led initiatives to partnerships with local nonprofits, there are numerous ways to get involved. Join student clubs (NSS and DLLE) or organisations dedicated to service, participate in community outreach events, and attend workshops that educate on the importance of giving back. These experiences not only enhance your college journey but also equip you with the tools to be an engaged and socially responsible global citizen.

In conclusion, volunteer and community service go beyond the act of giving time; they cultivate a sense of purpose, empathy, and responsibility within us. By investing our time and energy in the betterment of our communities, we contribute to a brighter future for all. So, as college students, let's embrace the opportunity to make a difference and create positive change through our actions. Remember, it's not just about what we achieve academically, but also about the positive impact we leave on the world around us.

Engulf The Dark

In night or in day, when you close your eyes you fade away
As the darkness embraces you, you feel lightweight, you want to stay
Soon the darkness disappears, saying it's goodbye
As you open your eyes, your smiles fade into the skies
You wish for night to come, to close your eyes
To take you to dreams, to escape your life
You are bound by it, your soulless body lies in it
In the embrace of darkness, you feel delighted
You want to stay, you want this night
To come again and again, for darkness is something you can't fight
The dreams you see, are the fantasies you believe
The reality is something, you wish you could perceive
For dreams don't lie, neither are they corrupt
They are the beautiful truth, which is to be crushed
So I hope that at the end of my life, I lie in the fantasies of my dreams
Happy as I could be, smitten by its seams.

Nature beauty

In fields of gold, the sun does rise, Painting the sky with vibrant dyes. Whispers of wind through leaves so green, Nature's beauty, a wondrous scene.

Rippling waters, a tranquil stream, reflecting stars in a moonlit dream. Mountains are tall, their peaks touch the sky, Majestic guardians, standing high.

Love's gentle touch, a fleeting glance, Two souls entwined in a graceful dance. Laughter echoes, friendships bloom,

A tapestry was woven in life's grand room. Through trials faced and challenges met, Resilient spirits never forget.

You Can

If you think you're beaten, you are...
If you think you dare not, you don't...
If you like to win...but think you can't...
It's almost a cinch, YOU WON'T !!

If you think you'll lose, you're lost...
For out in the world you'll find...
Success begins with a fellow's will...
It's all in a state of mind.

If you think you're outclassed, you are...
You've got to think high to rise...
You've got to be sure of yourself before...
You can never win the prize.

Life's battles don't always go...
To the stronger or faster man...
But sooner or later the one who wins...
IS THE ONE WHO THINKS HE CAN !!!

Plastic Ban: India Free From Choking Plastic

Prime Minister of India Narendra Modi announced an ambitious pledge to eliminate single-use plastic in the country by 2022. He also states that the choices we make today will define our collective future. Though these choices may not be easy but with a global partnership we can accomplish this together. The plastic ban in India has caused a stir in the lives of the people. People have become accustomed to using plastic bags in every possible way, from buying vegetables from the grocery store to discarding the same vegetable waste in the dustbin. Plastic bags have been useful to us since God knows when, but it was always us who misused them and it was found in the gutters blocking away the flow of sewage during monsoons. Currently, in India, there is only one law that is in place- No manufacturer or vendor can use a

plastic bag. The usage of plastic bags is still high but the ban is not implemented on all kinds of plastic bags. The government has exempted the use of plastic bags for packages available in supermarkets. "The ban imposed by Maharashtra government has hit the industry very hard and the plastic industry is staring at a loss of Rs.15000 crore, leaving nearly 3lakh people jobless overnight", said Plastic Bags Manufacturer Association of India general secretary Neemit Punamiya. "As citizens, we know that plastic ban will give us good results, only when we all co-ordinate and co-operate and accept this huge change", said Esha, a college student. Student and college-going students have also been taking this initiative seriously, and are trying their best to control the use of plastic bags in everyday use. Also, another good that will be coming our way, is that the cows who are stated as sacred won't be chewing down the garbage and plastic from the dustbins in our neighbourhood. Many of the cows who go strolling by on the roads, quite seldom are found consuming the waste, resulting in bad health and later on death. With this initiative taken by the government, the problem of cows chewing on garbage will come to an end and will result in good health, instead of finding tons of waste in their systems. Besides, the problem of water blocking in the gutters, there's another dilemma we are

currently facing, i.e. garbage in the oceans. Tons of plastic found in the depths of the water bodies is no new news for us, and we have been neglecting it for as long as the problem existed.

Many of the aquatic beings have been dying due to the hazardous and poisonous chemicals and not to forget that plastic, is the major element in the disaster. Whales have been found dead on the shores and the reason is tons of plastic inside their system. These facts are enough for us to take the plastic ban seriously and think about the water bodies and the aquatic animals living within them. Not only is the ocean a victim of loads of chemicals and remnants of plastic but rivers and lakes take the blow too. Leaving the lakes and rivers of the world, Indian rivers and lakes alone carry waste material weighing in tons. The sacred Ganga river is one best examples that shows how religious we are, and how clean our holy river is. We only attempt to make our lives beautiful but do we care about creating our so-called holy river clean and beautiful? The question is still unanswered, and we aren't making any effort to ponder over it and come to a conclusion. When things become personal, only then do we come up with some ideas- like finding an alternative in place of our very beloved plastic bags. There's this thought lingering in the minds of people around us, well especially housewives. They are finding it difficult to deal without plastic bags as they can't place them in dustbins to discard waste. This problem is probably happening in every household now, and there is no denying the fact that people are finding it difficult to cope with it. An alternative to this problem is the use of cotton bags. Trivial problems like carrying a wet umbrella or a drenched raincoat, and so yes, it's causing inconvenience for common people like us. A paper bag for discarding the dry waste in a dustbin seems like a good idea, but what about the wet garbage? How are we going to deal with this?

We need to use our brains to come up with a plan to deal with this huge change together. We need to help each other try and come up with solutions amongst ourselves.

ફિટનેસ: તમારા સ્વાસ્થ્ય માટે એક જરૂરી આદત

ફિટનેસ એ એક શબ્દ છે જે આજેના સમયમાં આપણે સારી રીતે વાચો છે. કંઈ કંઈ જણાવે છે કે તમારા શરીર સંપૂર્ણ દેશાંતર કે નેપાળમાં પણ ઊડે છે, તો કેમ તમને શરીરમાં પ્રમાણે ફિટનેસ બહાર કાઢવું પડે છે?

ફિટનેસ વધુ કેવી રીતે તમારા શરીરને જોડે છે. તે તમને નાપાશી કે કેટલાં તમારા શરીરને આનંદ આપતા છે જે તે સાબિત કરે છે તમે સ્વસ્થ અને સુંદર રહેવું માટે કરેલી કામો નોંધપાત્ર થાય. તમારી ફિટનેસ ને બાળકોની શિક્ષણને પોતાના ઉજવણીની દેખરેખ ના કર્યા ના જવા માટે પણ બહુ મહત્વનું હોય છે.

ફિટનેસ પરવાનગી પ્રાપ્ત કરવા માટે, ફિટનેસ પ્રોગ્રામ પાલન કરીને, આપણી ખોરાક જ્ઞાન ઊભા કરી છે, અને તમારી માનસિક તંદુરસ્તી પર ધ્યાન આપી રહું છું. યોગા, વ્યાયામ, ધ્યાન અને રેસ્ટનું સમય દૂર્ભાગ્યની જીવનશૈલીમાં એક અદ્યતન આદત બની શકે છે.

ફિટનેસ સંપાદનના તંદુરસ્તી હેતુ હોય છે, જે આપને સમય અને ધંધાકો બનાવવા માટે મદદ કરે છે. આપણે અંદરના સમયને એક વક્તા વાટ સાથે આપીએ છીએ, જેથી તમને માનસિક મંદતા થઈ નહીં. ફિટનેસ આદત વાચી તમને શક્તિ, ઊર્જા અને સ્વાસ્થ્યને સાબિત કરી શકે છે.

પડાવાની પ્રોસેસ પ્રમાણે ફિટનેસ પ્રયાસનું અંગ બની શકે છે. ટ્રેડમિલ પર ચાલવાની વખતે અહીંના શૌર્ય કોનોમી અપનાવો છે, ઉચ્ચ બન્ને એનર્જી ઝહાપી, તેલ આપાત્રકા પર અંગ્રેજી શબ્દકોશ પ્રયોગ કરો.

भारतीय संगीत

भारतीय संगीत एक समृद्ध और विविध परंपरा है जो हजारों वर्षों से विकसित हो रही है। यह संगीत का एक अद्वितीय रूप है जो विभिन्न संस्कृतियों और परंपराओं से प्रभावित है। भारतीय संगीत को मुख्य रूप से दो प्रकारों में बांटा गया है: **शास्त्रीय संगीत और लोक संगीत।**

शास्त्रीय संगीत

शास्त्रीय संगीत भारतीय संगीत का सबसे पुराना और सबसे प्रतिष्ठित रूप है। यह संगीत का एक परिष्कृत और तकनीकी रूप है जो शास्त्रीय नृत्य और कला के साथ निकटता से जुड़ा हुआ है। शास्त्रीय संगीत को दो मुख्य विधाओं में बांटा गया है: **हिंदुस्तानी संगीत और कर्नाटक संगीत।**

हिंदुस्तानी संगीत उत्तर भारत में विकसित हुआ है और इसे मुख्य रूप से सितार, सरोद, तबला और गायक द्वारा किया जाता है।

कर्नाटक संगीत दक्षिण भारत में विकसित हुआ है और इसे मुख्य रूप से वायलिन, वीणा, मृदंगम और गायक द्वारा किया जाता है।

लोक संगीत -

लोक संगीत भारतीय संगीत का अधिक लोकप्रिय और सरल रूप है। यह संगीत का एक प्राकृतिक और सहज रूप है जो विभिन्न क्षेत्रों और समुदायों की संस्कृति और परंपराओं को दर्शाता है। लोक संगीत को विभिन्न वाद्ययंत्रों द्वारा किया जाता है, जैसे कि बांसुरी, ढोलक, हारमोनियम और गायक।

भारतीय संगीत के कुछ लोकप्रिय वाद्ययंत्र -

सितार: एक तार वाला वाद्ययंत्र जिसकी लंबी गर्दन और नाशपाती के आकार का शरीर होता है। यह हिंदुस्तानी शास्त्रीय संगीत में सबसे लोकप्रिय वाद्ययंत्रों में से एक है।

सरोद: एक तार वाला वाद्ययंत्र जिसकी लंबी गर्दन और नाशपाती के आकार का शरीर होता है। यह सितार के समान है, लेकिन इसकी आवाज़ अधिक तीखी होती है।

तबला: एक जोड़ी ड्रम जो हाथों से बजाए जाते हैं। यह हिंदुस्तानी शास्त्रीय संगीत में सबसे महत्वपूर्ण वाद्ययंत्रों में से एक है।

वीणा: एक तार वाला वाद्ययंत्र जिसकी लंबी गर्दन और नाशपाती के आकार का शरीर होता है। यह कर्नाटक शास्त्रीय संगीत में सबसे लोकप्रिय वाद्ययंत्रों में से एक है।

मृदंगम: एक बैरल के आकार का ड्रम जो हाथों से बजाया जाता है। यह कर्नाटक शास्त्रीय संगीत में सबसे महत्वपूर्ण वाद्ययंत्रों में से एक है।

बांसुरी: एक वायु वाद्ययंत्र जो बांस से बना होता है। यह हिंदुस्तानी और कर्नाटक दोनों शास्त्रीय संगीत में सबसे लोकप्रिय वाद्ययंत्रों में से एक है।

ढोलक: एक बैरल के आकार का ड्रम जो हाथों से बजाया जाता है। यह भारत के कई हिस्सों में बजाया जाने वाला एक लोकप्रिय लोक वाद्ययंत्र है।

हारमोनियम: एक कीबोर्ड वाद्ययंत्र जो हाथों से बजाया जाता है। यह हिंदुस्तानी और कर्नाटक दोनों शास्त्रीय संगीत के साथ-साथ कई लोक शैलियों में एक लोकप्रिय वाद्ययंत्र है।

भारतीय संगीत एक अद्भुत और बहुआयामी कला रूप है जो दुनिया भर में लोगों को मंत्रमुग्ध करता है। यह संगीत का एक रूप है जो समय के साथ विकसित हुआ है और विभिन्न संस्कृतियों और परंपराओं से प्रभावित हुआ है। भारतीय संगीत एक समृद्ध और विविध विरासत है जो हमें हमारे अतीत से जोड़ती है और हमें हमारे भविष्य का निर्माण करने के लिए प्रेरित करती है।

Social Media

आजकालची पिढी Social media वर जास्त ऑनलाईन दिसतात. सतत ऑनलाईन व्हिडीओ बघणे, ऑनलाईन गेम खेळणे, यामुळे माणसांचे मानसिक स्वास्थ्य बिघडले. ही मोठी माणसे आपल्यासोबत लहान मुलांना सुद्धा मोबाईलचे व्यसन लावताना दिसतात लहान मुले रडली की मोबाईल वरील व्हिडीओ दाखवायचे त्याप्रमाणे जेवताना सुद्धा मुलांच्या बाजूला मोबाईल असतो यामुळे लहान मुलांच्या बौद्धिक क्षमतेवर परिणाम होतो. त्याच - प्रमाणे ही मुले एकलकोंडी आणि चिडचिडी होतात. सतत मोबाईलवर राहिल्याने ग्रोप कमी होते. मुलांचे मानसिक स्वास्थ्य बिघडते

आजकाल तर सोशल मिडिया वर धमकी देणे, पैसे मागणे असे प्रकार सुद्धा होतात तसेच हॅकिंग करणे, अश्लील व्हिडीओ बघणे, फसवणूक करणे अशा प्रकार सुद्धा सोशल मिडिया चा वापर केला जातो कोरोनाच्या काळात मात्र या सोशल मिडिया ने मुलांची तसेच संकटात असलेल्या व्यक्तींची मदत केली होती. ऑनलाईन शिक्षणामुळे अनेक मुलांची शिक्षणाची सोय झाली होती.

अशा प्रकारे सोशल मिडिया चा कसा वापर करावा हे आपल्या हातात आहे. याचा योग्य प्रकारे वापर करणाऱ्यांसाठी ते वरदान तसेच गैरवापर करणाऱ्यांसाठी सोशल मिडिया हे शाप आहे

काळूनदीचा थरार

साधारण दहा वर्षांपूर्वी माळशेज घाटात बाईक राईड केली होती. पावसाच्या दिवसात माळशेज घाट धुक्याने व धबधब्याने न्हाऊन निघालेला होता. दूर लांबवर एक मोठा प्रचंड धबधबा कोसळताना दिसला गावातील लोकांकडून तिकडे जाणे शक्य नाही म्हणून सांगितले परंतु तो धबधबा मनात जागा करून राहिला.

मुद्रा ट्रेकर्सच्या मीटिंगमध्ये जानेवारीमध्ये काळूनदी रॅपलिंगचा कार्यक्रम ठरला होता. काही कारणाने तो फेब्रुवारीमध्ये पुढे केला माझे काही जायचे पक्के नव्हते. सहजच यू ट्यूबवर सर्च करताना युरेका सापडला हाच तो दहा वर्षांपूर्वी पाहिलेला धबधबा. जायचे मन होते पण तारीख होती 23 आणि 24 फेब्रुवारी त्यातच बारावीची परीक्षा. आठवडाभर दिवसभर क्लास घेऊन ती अडचण दूर केली.

काळूनदी महाराष्ट्रातील ठाणे जिल्ह्यात आहे. माळशेज घाटाच्यावर पिंपळगाव येथील जोग धरणाच्या जवळ असलेल्या टोलार खिंडीत हिचा उगम होतो. माळशेज घाटातील सावरणे गावाजवळ जवळपास 1200फूट उंचीवरून 5 टप्प्यात हा धबधबा पडतो. याला थिटबी धबधबा असे देखील बोलतात. रॅपलिंगला अतिशय कठीण पातळीमध्ये मोडणाऱ्या याचे व्हिडिओ देखील उपलब्ध नव्हते व फारशी माहिती देखील नव्हती. आमचे मार्गदर्शक दत्ता चाळके व इतरांकडून माहिती घेतली 25 मेबर आणि 7 सभासद अशी 32 जणांची टीम तयार झाली.

22 तारखेला रात्री नेहमीप्रमाणे ठाणे पश्चिम येते सिडको बस स्टॉपवर सगळे जमा झाले. मुरबाड मार्गे माळशेज व खिरेश्वर असा प्रवास सुरु झाला. मी प्रशांत व तुलसी आम्ही मागे बसलो होतो. दोन दिवस त्रासाचे होते म्हणून आराम करायचे ठरवले. DKने आणलेले मॅट बसच्या मध्ये टाकून

आराम केला.सकाळी खिरेश्वर जवळ नाष्टा करून आम्ही साधणार 8:30वा. आम्ही गाववाल्याचा मदतीने काळूनदीच्या टोकावर पोहोचलो. वरून खाली पाहिले असता हे काही सोपे काम नाही असे वाटू लागले. तीनही बाजूला राकट अजस्त कडे आणि मधून जाणारी काळूनदी अतिशय मनात धडकी भरवणारे दृश्य होते.अविनाश दादाचा वाढदिवस साजरा करून व केकने तोंड गोड करून टीम मुद्राने रोप बांधायला सुरवात केली. लीडला प्रतीक व नयनने जायचे ठरवले. तयारी झाली हर हर महादेवच्या घोषणेने प्रतीक व नयनने सुरुवात केली. एक बिले सागर व एक दत्ताने पकडून त्यांना सपोर्ट केला. प्रतीकने नेहमीप्रमाणे आश्वासक सुरवात करून जवळपास 350 फुटांचा पहिला टप्पा पार करून खाली पोहोचला. नयनला त्यामानाने जास्त वेळ लागला. नयन नंतर प्रशांत व अनुभवी तुलसीदास खाली उतरले.

आता माझा नंबर आला नागफणी, तैलबैला, सांधण दरीचा अनुभव असल्याने प्रथम भरपुर पाणी पिऊन घेतले व घश्याला कोरड पडू नये म्हणून लिंबाच्या गोळी घेतल्या. जातानाच थोडा अडखळलो दत्ता बोलला तूच असे करायला लागलास तर बाकीच्यांचे काय? परंतु अनुभव कामी आला छोटे छोटे स्टेप घेत मी उतरू लागलो. साधारण 150 फुटांवर ओव्हरहॅंग लागला 2 ते 3 वेळा गोल फिरून सगळा नजरा साठवून मी अतिशय वेगाने खाली उतरायला लागलो प्रतीकने बिले घट्ट पडकून माझ्या वेगावर नियंत्रण मिळवलं.

आता दोनही रोप फ्री झाल्या होत्या दोनही रोप वरून इतर सभासद रॅपलिंग करत खाली येऊ लागले. एक एकाचे चेहरे तर बघण्यासारखे होते. आमचा फोटोग्राफर अमित तर खाली उतरून तिथेच झोपून गेला .dk तर कधी एकदा खाली येतो या वेगाने आला. बाजूला सुकलेल्या झाडाची लाकडे होती. दुसऱ्या टप्प्यावर आम्हाला जेवण बनवण्यासाठी त्याची सरपण म्हणून गरज लागणार होती. त्यामुळे ते झाडाचे तुकडे खाली दुसऱ्या टप्प्यावर फेकले.एका बाजूने रोप वर अविनाश दादा सगळ्या बॅग खाली पाठवत होता dkत्या सगळ्या बॅग अनलॉक करून ठेवत होता.

साधारणपणे 3 वाजेपर्यंत बहुतेक सभासद खाली आले होते. दुसऱ्या टप्प्यासाठी रोप बांधायला महेश शिंपी आला. दुसऱ्या टप्पापण साधारणपणे 300 फूट होता.प्रथम नयन

मग प्रशांत गेला परंतु तो रोप खाली पोहोचला का ते माहीत नसल्याने ते दोघे एका ठिकाणी थांबून राहिले त्या रोपवर महेश खाली गेला व रोप खाली पोहोचल्याची खात्री केली. मग प्रतीक आणि मी खाली गेलो हा टप्पा जरा धोकादायक होता कारण लुज रॉक खूप होते त्यामुळे जपुन पाय टाकावे लागत होते. आम्ही दुसऱ्या टप्प्यावर जाऊन पोहोचेपर्यंत 5:30 झाले होते. खाली आलेल्या सभासदांनी टेंट बांधायला सुरवात केली. मी व प्रतीक लाकडे जमा करायला लागलो . काळोख पडायला सुरुवात झाली होती एकाच वेळी तीन रोपने आम्ही रॅपलिंग चालू केली. प्रतीक ,मी,महेश, प्रशांत आम्ही बिलेला थांबलो.काळोखातचबॅटरीच्या मदतीने सभासदांना रॅपलिंग करत खाली उतरवत होतो. तुलसीदासने मस्तपैकी सूप बनवले होते ते पिऊन पुन्हा कामाला लागलो पण अडचणीत भर म्हणून काही बॅग वर राहिल्या त्या मुळे जेवण बनवता येत नव्हते. अजून एक रोप झाडाला बांधून त्या रोप वर बॅग खाली घेतल्या. जेवणाची तयारी चालू झाली. सगळ्यात शेवटी सागर व दत्ता राहिले होते. सागर रॅपलिंग करून खाली आल्यानंतर सर्वात शेवटी दत्ता रोप सोडत आला. रात्र झाली होती प्रचंड भूक लागली होती खिचडी वर ताव मारला. शहरापासून दूर त्या रात्री वर आकाश आणि खाली जमीन खूप सुंदर वाटतं होते. तुलसीदास ने विविध नक्षत्राची माहिती दिली.आम्हीआता 750फूट अंतर व 2 टप्पे पार केले होते. आमच्या टेंट मध्ये मी,प्रशांत,विराज आणि दीपेश होतो. सकाळी लवकर उठायचे होते म्हणून आम्ही झोपी गेलो.

सकाळी लवकर उठून आम्ही सगळे सोपस्कार पार पाडून चहा प्यायला गेलो. धन्य कोण तो ज्याने चहा बनवली होती सकाळच्या अंधारात पाणी समजुन चहात तेल टाकले होते. तसेच मीठ संपल्याने शेजवान पोहे असे नवीन प्रकारचे मास्टर शेफ आम्हाला लाभले. नाष्टा करून व फोटोसेशन करून आम्ही तिसऱ्या टप्प्याकडे वळलो. सकाळचे 9 वाजले प्रथम प्रतीक निघाला मग तुलसी आणि मी आम्ही हा टप्पा पार केला व खाली जाऊन तीन रोप वर रॅपलिंग चालू केले. दत्ताने सांगितले होते की पुढचा रोप फिक्स्ड करा म्हणुन तुलसीदास रोप फिक्स केला पण रोप चौथ्या टप्प्यावर पाण्यात जात होता म्हणून तिकडून काढून पुन्हा नवीन ठिकाणी बोलटिंग केले होते तिकडे फिक्स्ड केला. आता आम्ही दोघेच पुढे होतो आणि तिसऱ्या टप्प्यावर सभासद उतरत होते. खाली जाऊन जेवणाची सोय करायची

होती म्हणून दत्ता ने मला व तुलसीदासला पाहिले खाली जायला सांगितले होते. इथे तुलसीदासने चौथा व पाचवा टप्पा एकत्र रॅपलिंग करता येईल असे पाहिले.

प्रथम तुलसीदास रॅपलिंग करत चौथ्या टप्प्यावर पोहोचला त्याच्या मागोमाग मी देखील पोहोचलो. इथे पाण्याचे मोठे तळे होते तिथे पाणी पिऊन मला पुढे जायला सांगितले. शेवटचा टप्पा अंदाजे 75 फूट पण इथे बिले देणार कोणी नव्हते त्या मुळे सेल्फ बिले वरच मला खाली जायचे होते. मी लगेचच निघालो व पहिला टच डाउन झालो. माझ्या आनंदाला पारावार राहिला नाही जवळपास दहा वर्षाने स्वप्न पूर्ण झाले होते. माझ्यानंतर तुलसीदास आला. आम्ही दोन रोप घेऊन इतरांना बिले दिले. साधारण आठ सभासद खाली आल्यानंतर आम्ही 3 वाजता गावच्या दिशेने निघालो गावातील लोकांनी तुलसीदासच्या ओळखीमुळे जेवणाची तयारी केली होती. 4 वाजता आम्ही फॉरेस्ट कॅम्पच्या ठिकाणी पोहोचलो जेवण करून तुलसीदास काही काम असल्याने तो मुंबईच्या दिशेने निघाला.

आता आमची बस लांब उभी होती त्या ड्रायव्हरला सांगून ती बस अजून जरा गावात घेतली कारण रस्ता खराब व लहान असल्याने बस जास्त कॅम्प जवळ येत नव्हती. ड्रायव्हरला जेवण देऊन मी पुन्हा अर्ध्या वाटेवर गेलो. काळोखपडत आला होता संध्याकाळचे 6:30 होत आले होते आता बाकीचे सभासद यायला लागले. त्यांना वाट दाखवत आम्ही कॅम्प जवळ आलो. सगळ्यांच्या पोटात कावळे ओरडत होते. व्हेज व नॉनव्हेज जेवायला बसले गावकऱ्यांच्या मदतीने सगळ्यांना जेवण वाढले. दोन दिवस 1200 फुटांचे रॅपलिंग प्रचंड दमछाक यामुळे जेवणावर आडवा हात मारला गेला. नॉनव्हेज सभासदांनी काहीच शिल्लक ठेवले नाही. जेवून बॅग पॅक करून आम्ही ग्रुप फोटो काढून आम्ही परतीच्या प्रवासाला लागलो. या काळूनदीच्या थरारक रॅपलिंगला दत्ता चाळके, सागर मेस्त्री, महेश शिंपी, अविनाश जाधव, तुलसीदास मांजरेकर आणि मुद्राचे सभासद याचे अनमोल सहकार्य लाभले.

मी एक कष्टाळू शेतकरी

मी एक छोटा शेतकरी आहे. माझ्याकडे खूप कमी शेती आहे. ही जमीन मला माझ्या वाडवडिलांकडून मिळाली आहे. माझे माझ्या जमिनीवर प्रेम आहे. मी आणि माझी बायको आमच्या जमिनीची खूप काळजी घेतो. आम्ही मशागत करतो. त्यामुळे आमची 'काळी आई' आम्हांला उपाशी ठेवत नाही.

मात्र कितीही कष्ट केले, तरी संकटे चुकत नाहीत. मध्ये दोन वर्षे पाऊसच पडला नाही. पीक आले नाही. तेव्हा सरकारने सुरू केलेल्या दुष्काळी कामांवर आम्ही जात होतो. एका वर्षी बी-बियाण्यांत भेसळ निघाली. लावलेले पीक आलेच नाही. कष्ट वाया गेले! कितीही कठीण वेळ आली, तरी मी सावकाराचे कर्ज काढत नाही. मला दारूचे व्यसन नाही. मला विडी-तंबाखूचेही व्यसन नाही. मी वारेमाप खर्च करत नाही. मी शेताच्या कडेला बांबू, बोरीबाभळी लावल्या आहेत. मी शेतात चिंचेची झाडे लावली आहेत. मला चिंचेचे थोडे पैसे मिळतात. शेतातील काही भागात मी फुलशेती करतो. पाण्याचा प्रत्येक थेंब जपून वापरतो. कष्टाला घाबरत नाही. त्यामुळे आमची उपासमार होत नाही.
