# 1. ISO Audits

Institution conducts ISO audits to ensure sustained institutional growth by upholding compliance, improving processes, and aligning with ISO standards. Since 2021, organizations have been conducting several internal audits and surveillance audits with an increased focus on compliance, technology integration, and remote work, among other areas. These audits have evolved to address emerging challenges and risks.

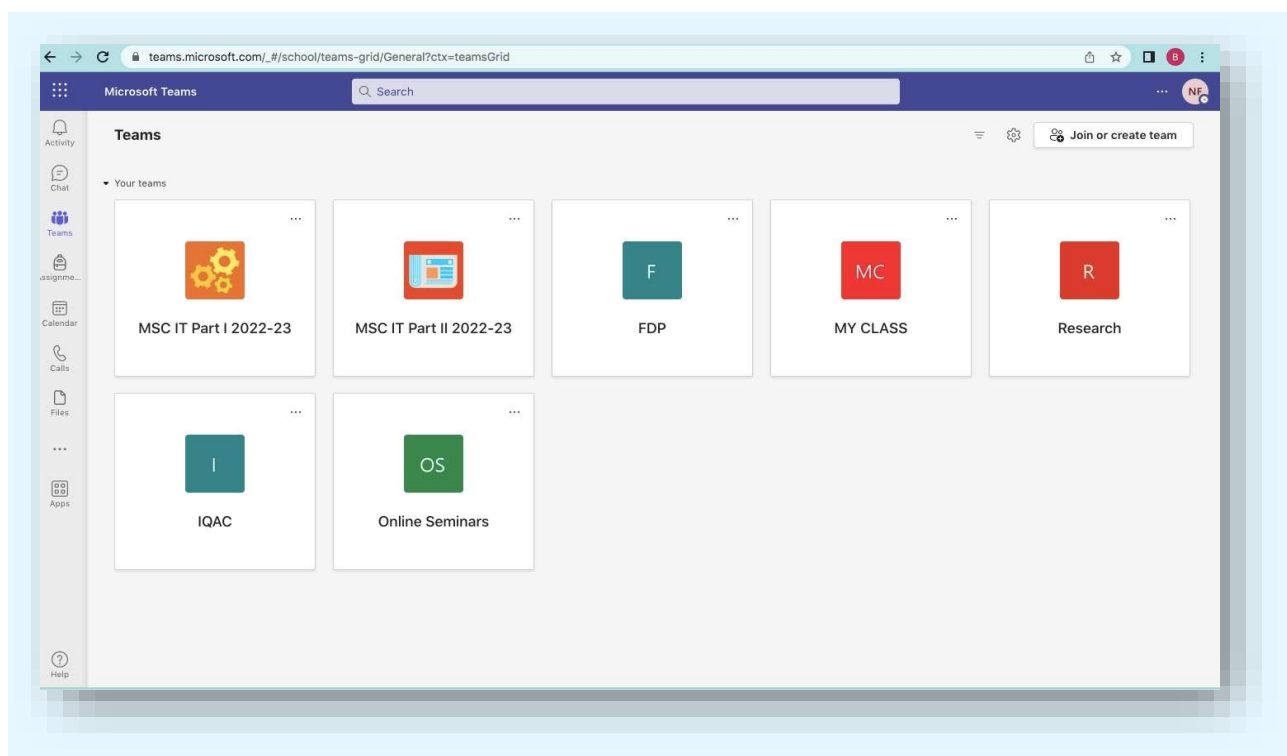

## 2. Modern Teaching Aids

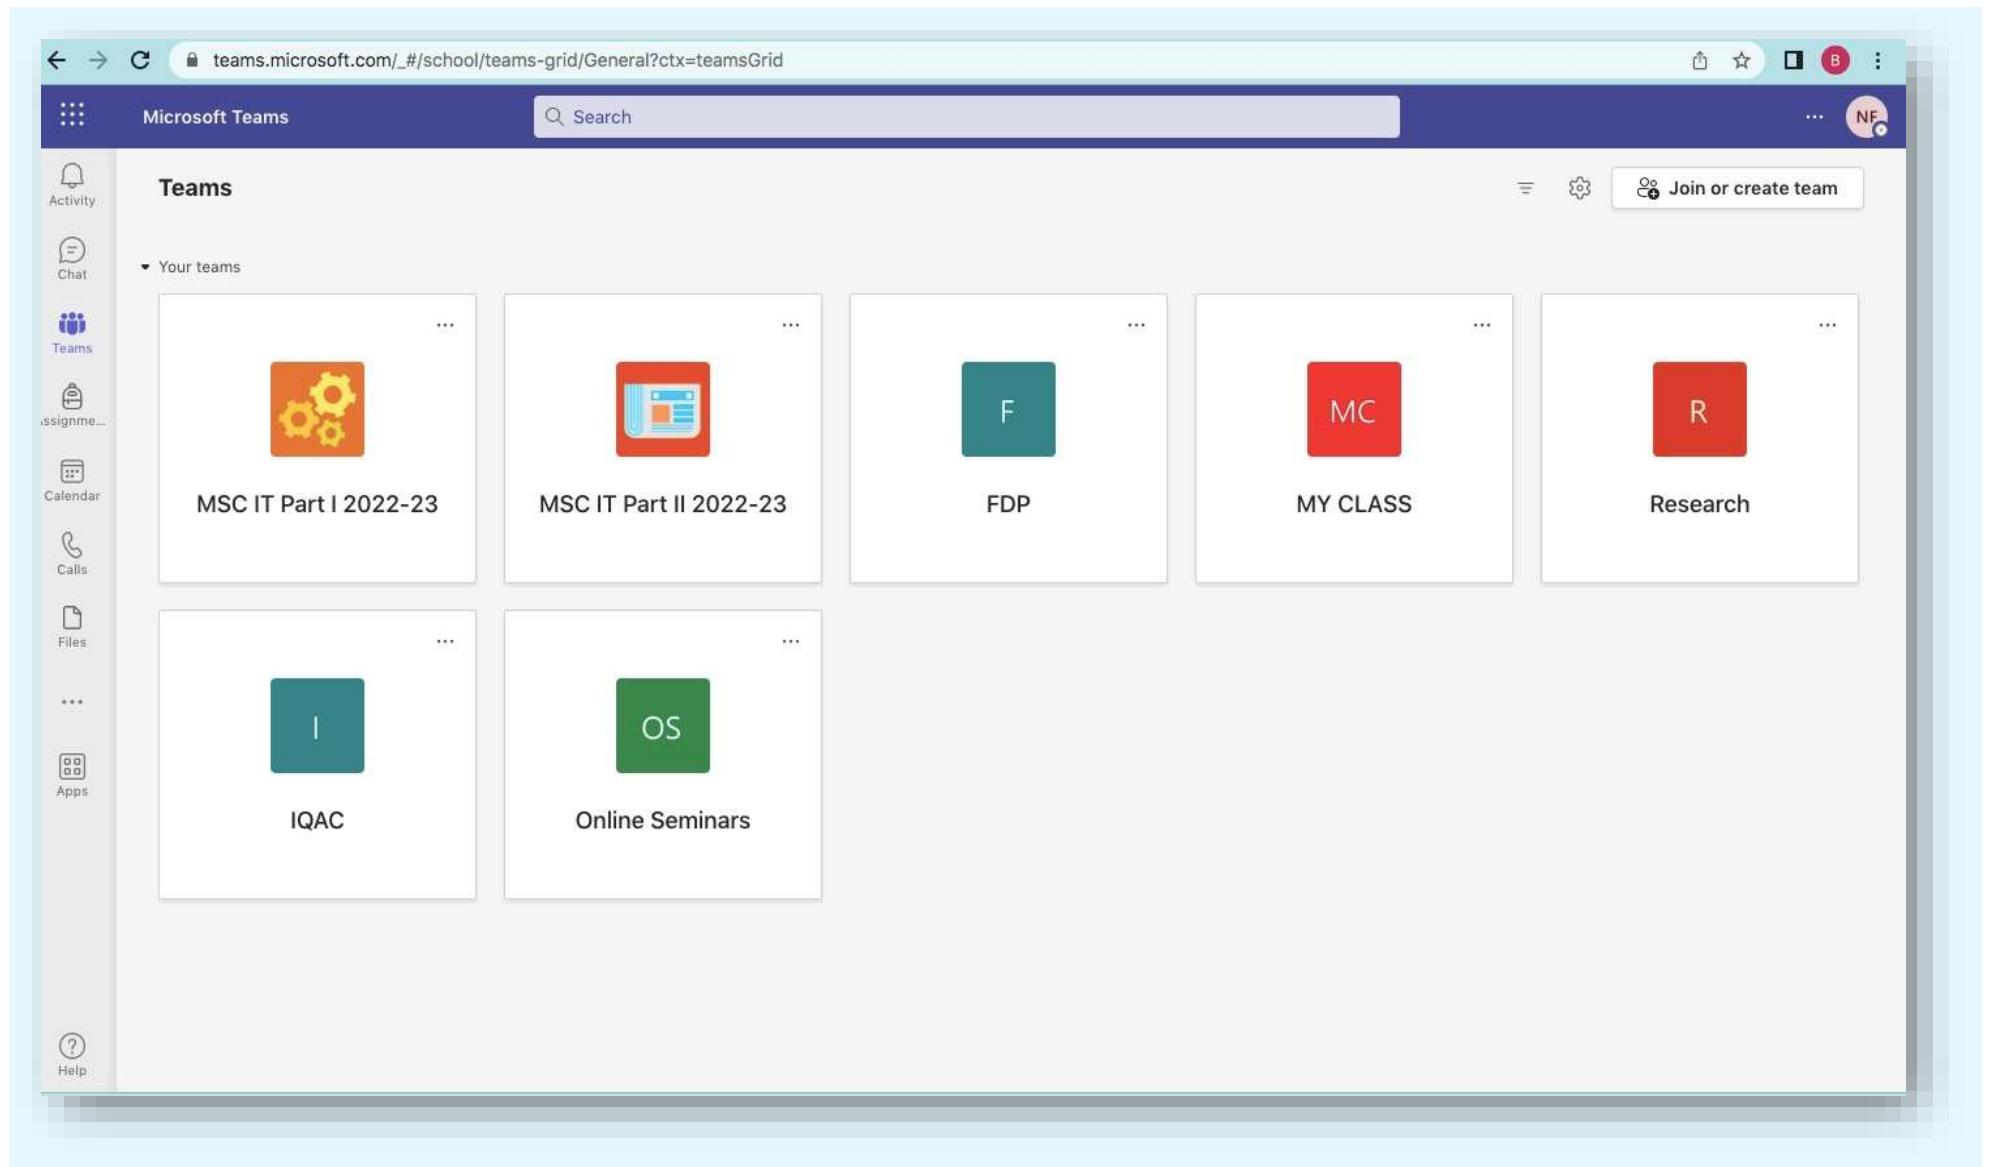

The classrooms are equipped with modern amenities, including air conditioning, overhead projectors, and state-of-the-art computers with the latest configurations.

Modern teaching aids like Google Classroom, Microsoft Teams, Padlet, and Quizizz have transformed the education landscape. These digital platforms enable educators to create interactive and collaborative learning environments, facilitate communication, share content, and assess student progress effectively.

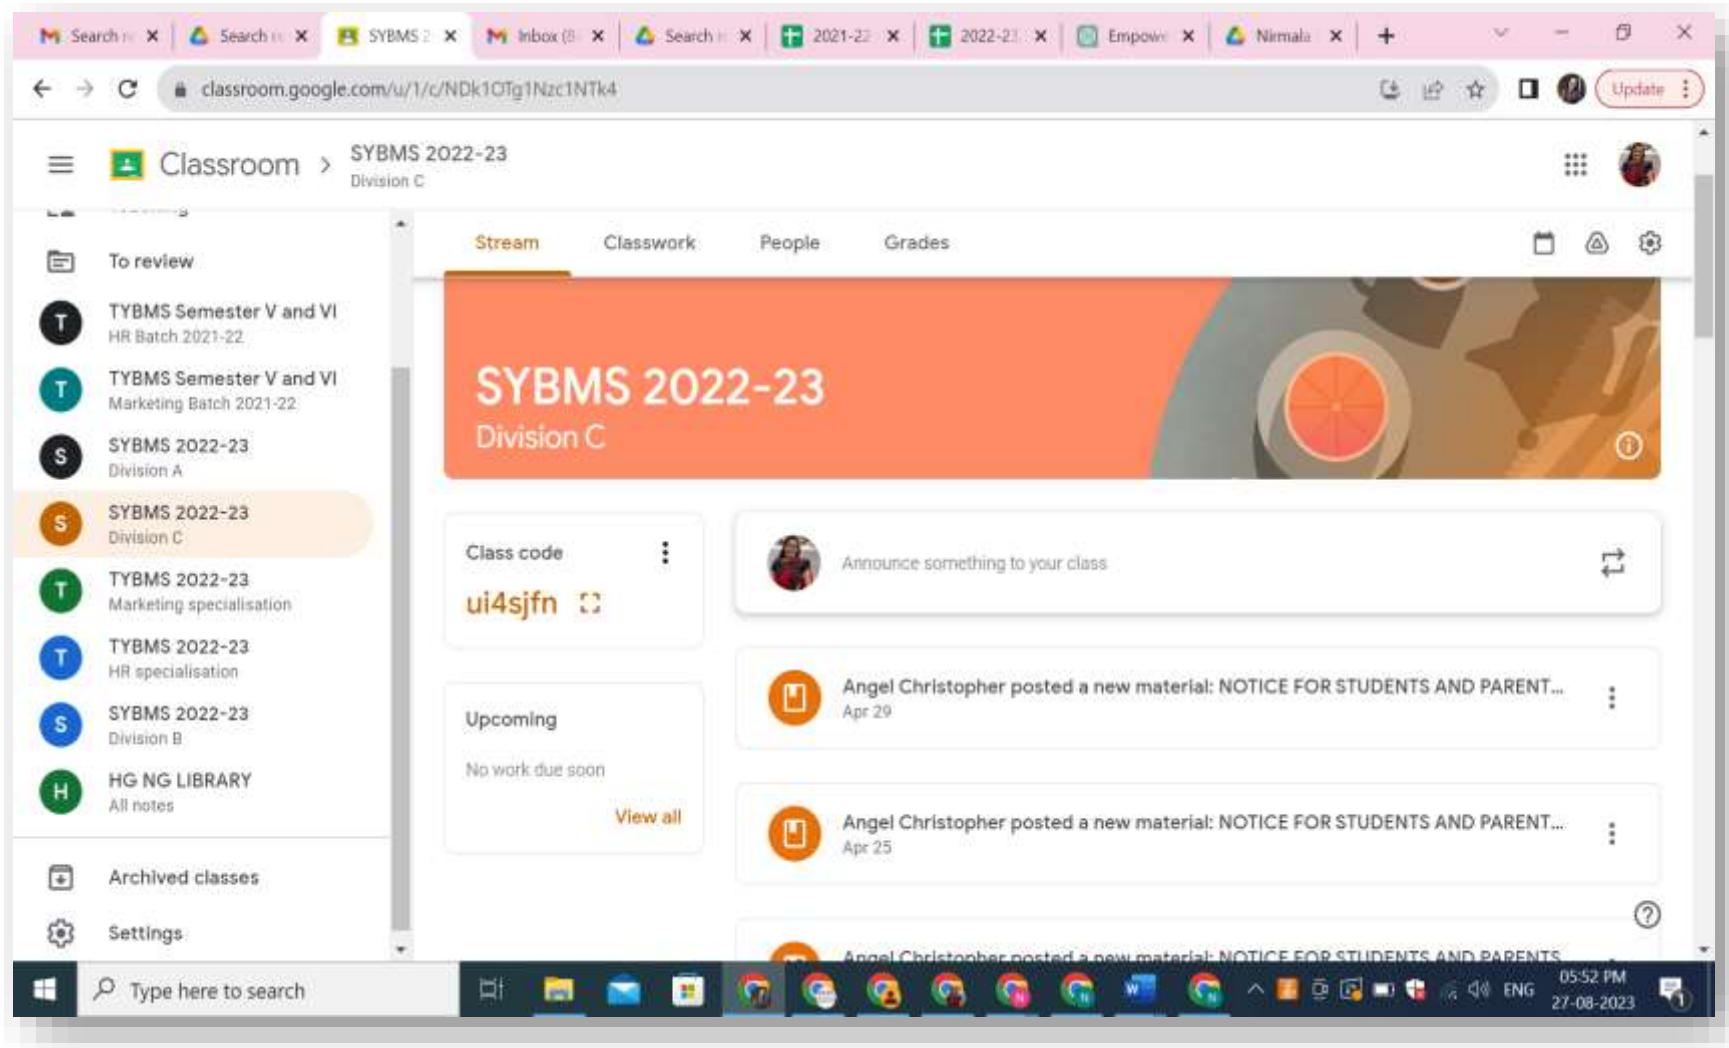

### A. MICROSOFT TEAMS

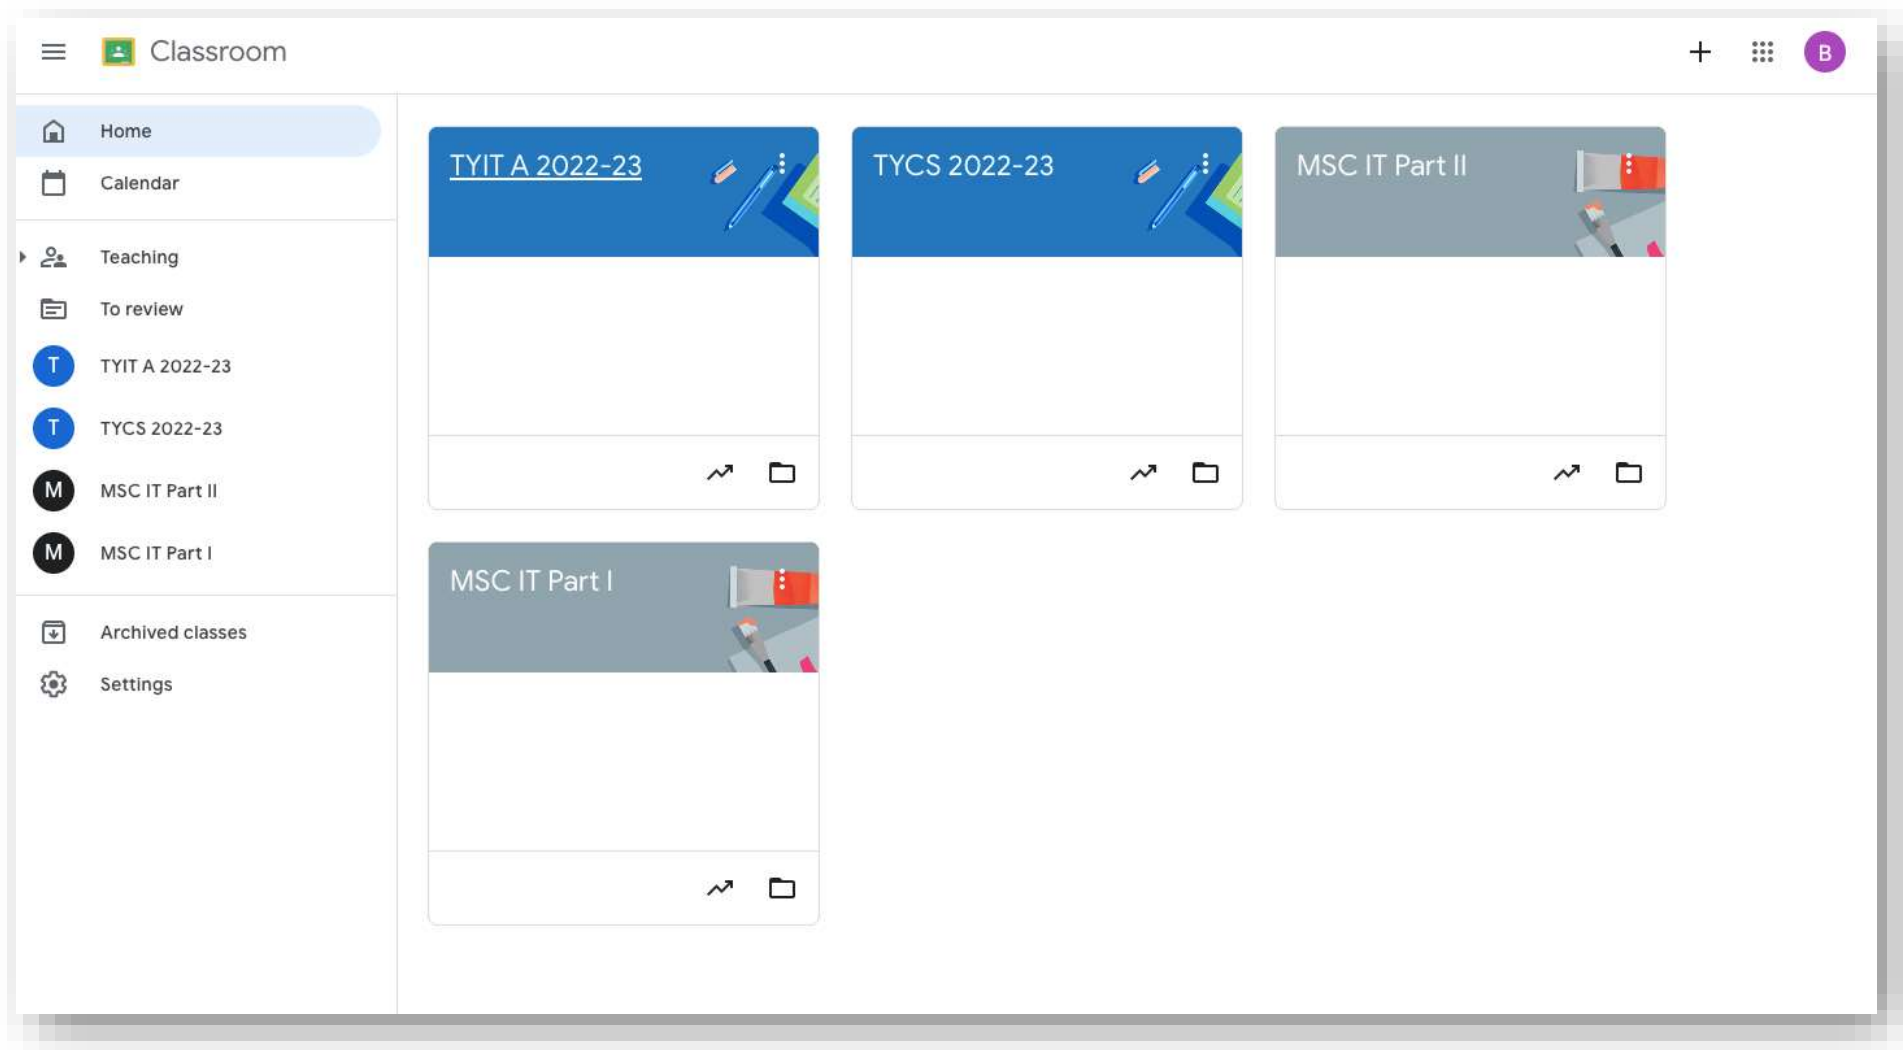

We utilize Microsoft Teams to conduct online webinars and lecture sessions for our Master's programs. Teams serves as a platform for virtual seminars, allowing us to schedule and invite participants to interactive sessions. It enhances remote learning by providing an interactive and flexible environment for students and instructors.

## B. GOOGLE CLASSROOMS

The screenshot shows the Google Classroom interface for a class named "TYCS 2022-23". At the top, there is a navigation bar with a hamburger menu icon, the text "Classroom > TYCS 2022-23", and a notification bell icon with the text "Let me know then". Below this, there are tabs for "Stream", "Classwork", "People", and "Grades". The "Stream" tab is selected. On the left side, there is a vertical sidebar with icons for home, calendar, people, and settings. The main content area features a large blue header banner with the text "TYCS 2022-23" and a "Customize" button. Below the banner, there are several widgets: a "Class code" widget showing "heet465", an "Announce something to your class" widget, and a "Upcoming" widget. A post by "Aparna Jadav" is visible in the stream, titled "Aparna Jadav posted a new material: AI NOTES" with a date of "Nov 26, 2022".
