

PLACEMENT NOTICE
FOR THIRD YEAR B.SC (IT), BSC (CS) AND M.SC (IT) STUDENTS

Participate in the **Accenture Innovation Challenge** to win big and you may also get an opportunity to fast-track the recruitment process journey with Accenture through Unstop.

Application Link: <https://unstop.com/o/l58dzh1/?ref=1mjGfvfV>

Registration Link: <https://forms.gle/WaM4t1fuJnP2TeNm7>

NOTE: Interested Students have to fill the details in both the links given above.

Roles Offered:

1. Associate Software Engineer
2. System and Application Services Associate

Rewards

- ❖ Prizes worth **INR 1,00,000** per team member
- ❖ Fast-Track Interview Opportunity

Eligibility: Undergraduate and Postgraduate students

Participate in the most sought-after challenge, and let your ideas make waves.

Note that the fast-track recruitment process will be offered to all the eligible (as per our recruitment process criteria) participants who would submit their innovative ideas. Eligible participants will receive communications about the recruitment process from Accenture.
