

NIRMALA MEMORIAL FOUNDATION COLLEGE OF COMMERCE AND SCIENCE

NMFC/COM-347/FEB2025

DATE: 3rd February, 2025

Department of BSc.CS

NOTICE

For Third Year Learner of Computer Science

The Department of B.Sc.Computer Science is pleased to announce a Tech Talk (TechIgnite 0.1) on the topic "Evidence of Cognitive Biases in Cyber Attackers from an Empirical Study"

Date: Friday, 7th February 2025

Time: 8:00 AM

Venue:Block No. 607

Mode: Online (Microsoft Teams)

Resource Person:

Dr. Palvi Aggarwal

Assistant Professor, Department of Computer Science

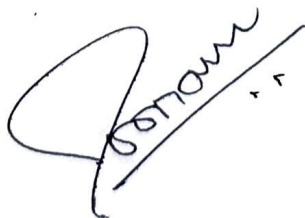

University of Texas at El Paso

This session will focus on the identification and analysis of cognitive biases observed in cyber attackers based on empirical research. It's a great opportunity for third-year Computer Science students to enhance their understanding of this vital aspect of cybersecurity.

Please be on time and ready for an insightful session!

Dr. Bhakti Chaudhari
BSc.CS Co-ordinator

Dr. Poonam Kakkad
Vice-Principal

Dr. Swiddle D'Cunha
I/C Principal
