

WE NEED TO REDUCE

Plastic Pollution

Plastic pollution leads to serious
environmental, economic, and social
consequences for society

Policy in Use of Plastic

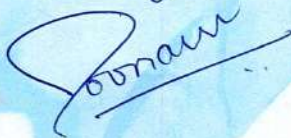

Policy Statement:

Institution believes in making stakeholders environmentally conscious and socially responsible citizens of India. Hence, It has framed the policy to reduce use of non-reusable plastic in the campus.

The Policy:

- No Non-reusable plastic is to be used by any of the campus facilities including canteen, staffroom, washroom and library.
- NSS students should make the best out of waste from non-reusable plastic bottles.
- Staff members are advised to use only reusable plastic bottles or steel bottles for drinking water.
- Staff will use only steel cups, glass, water glass, ceramic cutlery and containers.
- Students and Staff members are advised not to use non-reusable plastic bags and lunch boxes.
- Any plastic waste generated should be disposed in the plastic waste bin at the college entrance.
