About the Institute

The year 1999 was a landmark phase for Nirmala Memorial Foundation as it was the year in which it established Nirmala Memorial Foundation Junior College of Commerce and Science. It has been a stepping-stone that led to several milestones in the coming times, such as establishing of Degree College, B. Ed. College and many new courses. Today, Nirmala Memorial Foundation Junior College of Commerce and Science is providing superior education along with exciting platforms in curricular and extra-curricular activities to thousands of youngsters in Commerce and Science streams.

Founded in 2003, Nirmala Memorial Foundation College of Commerce and Science is permanently affiliated to the University of Mumbai, accredited by NAAC, ISO 9001:2015 certified and recognized under 2(F) and 12B of the UGC Act, 1956 is one of the premier colleges in Mumbai renowned for imparting quality education to students residing primarily in the western suburbs and outskirts of Mumbai.

In a brief span of time, the college has acquired a commendable reputation for exploring new spheres that brings about all-round development of learners and simultaneously encourages its staff to equip themselves with the latest skills in teaching, research and development. The institute currently offers six undergraduate programs, two post graduate programs and one doctoral program. It is also a local chapter of Swayam Program initiated by Government of India that offers variety of value added certificate courses.

Nirmala Memorial Foundation has attained a reputation of being a place that makes it possible for learners to discover their potential in various extra-curricular activities at intra-college as well as intercollegiate levels. Our students are winning accolades in several areas including cultural, literary and sports and bringing laurels to the institute. The college believes that academics alone cannot bring about overall development of students. For that, the learners are encouraged to join various committees of their interest to develop their personality, skills and raise their confidence level. The NSS Unit for instance, has made great accomplishments at the university level for carrying out social service activities consistently and actively supporting causes at local and national levels.

Every academic year sees new introductions and additions on the campus. It has indeed come a long way from the time it was incepted about two decades ago.
