

Notice

The Cultural Committee is one of the most dedicated platforms whose main motive is to help students to identify their inner talents. The committee provide plethora of opportunities for the students to showcase their talents.

In order to organize several intra college and inter collegiate events the committee requires students support and a strong organising team. Students who are interested to be a part of cultural committee are called for an interview on **Tuesday, 27th September, 2022 at 12.00 noon in block no. 506.**

Note that the students who performed the best in the interview will be chosen to serve on the official committee.
