Notice

(For Female Students)

The Women Development Cell in association with Millionminds has organised a seminar on “**Health and Hygiene**” for female students on Monday, 12th December, 2022 from 11:30 am in Block 311.

Millionminds has conducted sessions in more than 100 campuses all over India. The seminar focuses on how to make oneself presentable with basic grooming skills, maintaining personal hygiene and promoting healthy and safe menstrual practices. Better hygiene leads to better health, confidence and overall growth.

Students who participate in the session would be awarded a Certificate of Participation and would also be given a free gift hamper.

Students may register by filling the form shared below and join the Whatsapp group through the link mentioned in the form.
