

## **Nirmala Memorial Foundation College of Commerce and Science**

27<sup>th</sup> April, 2023

### **Notice**

Encouraging the concept of peer learning, the college is organising a **workshop on Fabric Jewellery Making**. The workshop aims to provide a platform for peer learning where learners can develop their skills and learn from each other.

The workshop will be held on **Tuesday, 2<sup>nd</sup> May, 2023 at 10.00 a.m. in Block no. 705**. **Ms. Sakshi Kumbhar from class T.Y.B.Com** will be the guest speaker. This workshop will provide learners with the basic skills needed to create their own jewellery pieces. From designing to crafting, learners will learn everything they need to know to create unique pieces that reflect their personal style.

We encourage all interested students to take advantage of this unique opportunity for peer learning and skill development to stay productive and engaged during their summer break.

**(I/C Principal)**

**Ms. Swiddle D'Cunha**
