“Greening Our Future: Strategies for Sustainable Waste Management”

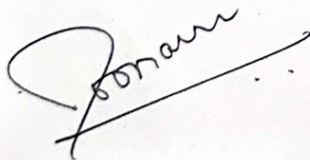

The DLLE Unit is excited to announce a seminar on "Sustainable Waste Management" that promises to be an enlightening and informative event to be held on **Tuesday, 12th September, 2023 at 11:30 a.m.** in **Block No. 311**. The Guest Speaker for the event is **Ms. Jagruti Gupta** associated with the NGO named “**Making the Difference Charitable Trust.**”

Objectives of the Seminar:

Sustainable waste management is a critical issue that affects us all. By attending this seminar, you will:

- Gain insights into sustainable waste management practices.
- Learn about the solutions to be taken at the source level which will help to bring a change in the environment.
- Play a part in making our community and environment cleaner and greener.

Let's join hands in our efforts to create a more sustainable and environmentally responsible future. We look forward to your participation in this important event.
