

NOTICE

ECO-FRIENDLY GANPATI MAKING COMPETITION

The Nature's Club of the college is excited to announce the "Eco-friendly Ganpati Making Competition" organized on Thursday, 14th September, 2023 at 11.30 a.m. in Block No. 714. This competition aims to celebrate the spirit of Ganesh Chaturthi while promoting environmental consciousness and creativity. We invite all students to participate and contribute to a greener and more sustainable celebration of this auspicious festival.

Competition Rules:

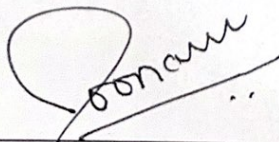

- Participants will get 1 hour 30 minutes to complete their creation.
- Participants should bring their own materials.
- Participants must use only eco-friendly materials such as clay, paper mache, and recycled items to create their Ganpati idols.
- Moulds are not allowed.
- Judging criteria include creativity, eco-friendliness, craftsmanship, and adherence to the theme.
- Decision of the judge will be final & binding.

Registration:

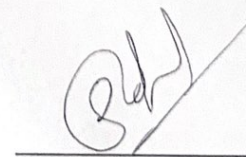

- Registration is free.
- To register, please contact Mr. Rishabh Desai or Ms. Aparna Panigrahi on or before Tuesday, 12th September, 2023.

Prizes:

- Medals and certificates will be awarded to the winners.
- E-certificates will be awarded to the participants.
