

**NIRMALA MEMORIAL FOUNDATION COLLEGE OF COMMERCE AND SCIENCE**

NMFC/COM-58/OCT 2023

10th October, 2023

**NOTICE**

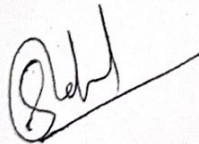

As October, the month of giving, approaches, we are thrilled to announce a Mega Donation Drive- **Share with Care** that embodies the spirit of generosity and unity. We believe in the profound impact we can create by joining hands for a common cause. With this in mind, we invite you to participate in our Mega Donation Drive where each class will bring and donate a specific item to make a meaningful difference in our community. We encourage each class to go above and beyond in collecting these items and ensuring their quality.

**Collection Period:** Throughout October Month

**Collection Counter Location:** Entrance Lobby at the Ground Floor

To create a greater impact, we also encourage you to share this initiative with your friends and family, so they too can contribute to this noble cause.

Let's show our dedication by not only collecting items but also by showcasing the efforts and enthusiasm you have put into this worthy cause. We are confident that together, as a united college community, we can make a substantial difference in the lives of those underprivileged and less fortunate.
