(For S.Y. B.Sc. IT / S.Y. B.Sc. CS)

Date: 12<sup>th</sup> December, 2023

### Seminar

On

**“ ChatGPT using Advanced Excel ”**

The Department of B.Sc. IT and B.Sc. CS is organising a Seminar for the second year students on **Friday, 15th December, 2023 from 12:15 pm to 1:15 pm** on Topic **“ChatGPT using Advanced Excel”**.

**Mr. Sajid Shaikh, an IT professional** is the Resource Person for the Seminar. The Seminar will be conducted in **Room no.706**. Students are informed to attend the session and get the tips and tricks to excel in MS Excel.

#### **Objective of the Seminar:**

Figuring out how to write the perfect Excel formula to achieve the desired result can be a challenge, especially when you have a lot of data on a spreadsheet and need an intricate formula beyond calculating a sum or your Excel formula challenged. Now that's all changed, and ChatGPT has become the poster child for the saying 'work smarter, not harder.'
