NMFC/DEP-233/MAY/2024

M.Sc. IT – Part I(Sem II) & Part II(Sem IV)

MSC IT students are informed to submit the abstracts of their research papers for the above mentioned semesters as per the guidelines provided below:

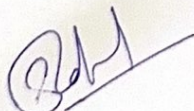

Submission Guidelines:

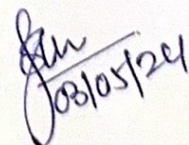

- Abstract Length: Abstract should be concise, informative, and must not exceed 250-300 words.
- Keywords: Please ensure that abstract includes a minimum of 5/6 relevant keywords that aptly describe the research.
- Submission Deadline: **30th May 2024**
- Submission Method: Mail abstract in a word document to mscit@nirmala.edu.in with student name, class and the title of your research paper in the subject.

Upon the acceptance of your abstract, you will be notified via email, and you will be required to submit the following sections of your research paper before **15th June 2024**:

- Introduction: Provide a brief overview of the background, purpose, and objectives of your research.
- Methodology: Describe the methods and techniques employed in your research to achieve the stated objectives.
- Conclusion: Summarize the key findings of your research and provide conclusions based on your analysis.

Please note that adherence to the submission guidelines is important, and failure to comply may affect your internal assessment performance.
