**NOTICE**

The Cultural Committee is thrilled to announce a double celebration on Saturday, 6<sup>th</sup> July 2024: **Chocolate Day and Twinning Day**. We encourage all students to join the festivities with enthusiasm and creativity.

Get ready to satisfy your sweet tooth with an array of delicious chocolates, and team up with a friend to showcase your style by dressing as twins. The more creative, the better! It's a perfect opportunity to show off your matching outfits, adding a delightful twist to the celebration.

We look forward to seeing everyone join in the fun and make this day memorable.
