Calling all Nature Enthusiasts!

The Nature's Club and NSS Unit of Nirmala Memorial Foundation College of Commerce and Science are excited to celebrate "VANMOHOTSAV" the festival of trees, from 1st July 2024 to 7th July 2024.

Join us for an exciting morning of environmental action as we:

Sow mango seeds: Learn the process of planting and nurturing a sapling and contribute to a greener future!

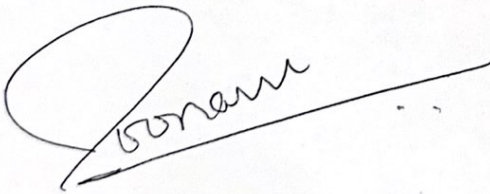

Participate in a street play: Raise awareness about the importance of trees and environmental conservation through an engaging performance.

Let's come together to plant trees, spread awareness, and make a positive impact on our environment. Don't miss this opportunity to connect with nature and make a difference!
