(Free Eye Check-up Camp)

**(For First, Second and Third Year B.Com, B.Com (MS), B.Com (A & F),
BAMMC, BSc. IT, BSc. CS, B.Sc. DS and M.Com)**

The Internal Quality Assurance Cell (IQAC) of the college is pleased to announce a Free Eye Check-up Camp on Friday, 18th July 2025, starting from 9:45 a.m in Block No. 311. This health initiative aims to promote better vision and overall well-being among students.

A team of qualified eye specialists will conduct the check-up using modern equipment to detect vision problems and provide expert consultation. Students with existing eye issues or those needing glasses are strongly advised to attend. Early diagnosis can help prevent long-term complications, and this camp provides a valuable opportunity at no cost.

All students are encouraged to participate and take full advantage of this free health service. Please carry your college ID for registration. Let's prioritize our health and make the most of this initiative.
