

**Nirmala Memorial Foundation College of Commerce and Science
(Autonomous)**

NMFC/DEP -485/FEB2026

9th February 2026

NOTICE

The **Department of Commerce** is pleased to inform all **FY and SY B.Com and BAMMC students** that a seminar on **“Impact of Microplastics on Aquatic Life”** has been organized as part of academic enrichment and environmental awareness.

The seminar will be conducted by **Mr. Kartik Adake, Assistant Professor, St. Xavier’s College**, who will share valuable insights on the growing concern of microplastic pollution and its adverse effects on aquatic ecosystems.

- **Date:** Tuesday, 17th February 2026
- **Time:** 9.00 a.m.
- **Venue:** Nirmala Hall

This seminar forms a component of the **External Assessment** for the subject **Environmental Systems and Management – II**. Hence, **attendance is compulsory** for the concerned students.

Students are expected to attend the seminar **punctually**.
