

**Nirmala Memorial Foundation College of Commerce and Science  
(Autonomous)**

NMFC / COM 518 / March 2026.

25th March, 2026

**Notice**

With the aim of educating teachers about the effective use of Artificial Intelligence in Teaching and Learning, the Internal Quality Assurance Cell (IQAC) of the College has organised a training program scheduled on Monday, 30th March, 2026 at 12:00 noon in the Mini Auditorium (Block No. 706).

The session will be taken by eminent speaker Dr Murugan Pattusamy, Assistant Professor, School of Management Studies, University of Hyderabad.

Faculty members are requested to attend the program and avail themselves of this valuable opportunity to enhance their teaching practices. The session will provide insights into innovative tools, practical applications, and strategies for integrating AI into classroom instruction, assessment, and academic planning. Active participation will be highly beneficial.
